Executive Summary

The purpose of this memo is to request approval from the Boards of Commissioners to renew the contract with Central Valley Lawnscapes for routine grounds maintenance at Agency properties across the County and City of Fresno. The Boards of Commissioners originally approved this contract at the December 15, 2015 meeting for an initial one-year term, with four (4) optional one-year extensions, for a total of five years. During the last contract term, Central Valley Lawnscapes agreed to provide service at four additional properties previously serviced by other companies (Pacific Gardens, Inyo Terrace, Laton Apartments, and Renaissance at Trinity). With the addition of these four properties, the contract amount was increased by $31,380 from $502,239 to $533,619 per year. Staff is requesting permission from the Boards to exercise the third extension, for a one-year period effective January 1, 2019 and ending on December 31, 2019.

Fiscal Impact

The Agency would like to extend its contract with Central Valley Lawnscapes for an annual amount not to exceed $533,619. This amount is included in the 2019 Operations and Mixed Finance Budgets.

Recommendation

It is recommended that the Boards of Commissioners authorize the CEO/Executive Director, or his designee, to execute the contract renewal with Central Valley Lawnscapes from January 1, 2019 to December 31, 2019 in the amount of $533,619.

Background

In June 2015, the Agency published a Request for Proposals (RFP) to solicit proposals from qualified landscape maintenance contractors to perform routine groundskeeping, including mowing, trimming, and general cleaning, at Fresno Housing properties throughout the County and City of Fresno. In response, the Agency received proposals from four landscaping companies: Briner and Sons, Central Valley Lawnscapes, Fresno EOC, and J & H Landscape Gardening.
The RFP methodology considers both price and technical factors when evaluating a proposal. Proposers had the opportunity to bid on 42 separate pricing lots, with each lot receiving its own price evaluation to determine the best overall value at each location. In the case of this RFP, cost was the most heavily weighted factor, with consideration also being given to technical approach and capabilities, previous successful performance, and Section 3 Business Concern status. Based on this assessment and following the compilation of scores, the selection committee consisting of staff from Assisted Housing, Property Management, and Asset Management, recommended awarding a contract to the firm who scored highest in each lot or site. The Boards of Commissioners approved the initial grounds maintenance contracts on December 15, 2015, and subsequent renewals on December 20, 2016, and December 19, 2017. Staff is requesting that the Boards of Commissioners approve the third contract renewal, which would extend the contract from January 1, 2019 to December 31, 2019. Following this extension, there would be one extension period remaining.

VI. **Diversification**

It is the policy of the Agency to diversify its investment portfolio. The Agency will diversify its investments by security type and, within each type, by institution. To support the stated investment objectives, the portfolio must be constructed so as to minimize risk and maintain marketability. However, a portfolio consisting exclusively of LAIF and/or U.S. Treasury securities is acceptable. Assets shall be diversified to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer or a specific class of securities. Diversification strategies shall be determined and revised periodically. In establishing specific diversification strategies, the following guidelines shall apply:

A. The anticipated cash flow needs of the Agency should be considered when selecting investments. Portfolio maturities shall be matched against projected liabilities to avoid an over-concentration in a specific series of maturities.

B. Maturities selected shall provide for stability and liquidity.

C. Disbursement and payroll dates shall be covered by the scheduled maturity of specific investments, marketable U.S. Treasury Bills or notes or other cash equivalent instruments, such as money market mutual funds.

VII. **Investment and Reporting Practices**

**Investment Authority:** the investment authority will be vested in the Executive Director/CEO who may delegate such authority to duly capable personnel such as the Chief Administrative Officer, Chief Financial Officer, or Director of Finance.

**Acceptable Dealers of Securities:** Negotiable securities should be purchased or sold through a national bank; a California State chartered bank, or a brokerage firm having a national presence.

Exceptions to this policy may be approved by the Boards of Commissioners provided that the investment remains in compliance with the requirements of the Federal and/or State regulations as stated above.

The Investment Policy shall be reviewed and adopted by the Boards of Commissioners annually.

VIII. **Supplementary Materials for Staff Review**

Executive Summary
Annika Janzen, Community Librarian with Fresno County Public Library (FCPL) will present information regarding the various literacy programs offered through the FCPL in partnership with the Fresno Housing Authority and Book Rich Environments (BRE). Additional information will be provided at the Boards of Commissioners meeting.

Recommendation
No action is necessary. This item is informational only.
Executive Summary

The purpose of this memo is to update the Boards of Commissioners on the status of the 2019 Budgets for the Mixed Finance housing properties. Over the past several years, the Agency has sponsored 29 affordable housing projects throughout Fresno County that will be operational in 2019. We collectively call these groups of projects the “Mixed Finance Properties” because several (“mixed”) financing sources are used to acquire and construct the units.

As part of this “sponsorship” process, the Boards are first asked to approve the formation and creation of a limited partnership that will “own” the affordable housing development, and where Silvercrest, Inc. (a subsidiary of the Housing Authorities) is generally named as the Managing General Partner (MGP) of the partnership. The role of the Managing General Partner is to oversee the on-going operations of the partnership. This includes, amongst other things:

- Selecting the property management company
- Monitoring tenant and financial compliance, and
- Preparing reports, including the annual financial audit

Another one of the responsibilities of the MGP is to review and approve the annual operating budgets and financial performance for the partnerships. However, because the Fresno Housing Authority originally sponsored these projects and has a vested interest in the success of the properties, staff will be presenting the 2019 annual operating budgets to the Housing Authority Boards of Commissioners, and then asking the Silvercrest, Inc. Board of Directors to adopt the budgets.

Fiscal Impact

The fiscal impact of the Mixed Finance budgets would be as follows:

- Total net operating income for the 29 properties in operations for 2019 will be $3.57 million.
Total cash flow for 2019 will be $1.65 million. This amount will become available for cash flow distributions in early 2020.

**Recommendation**
This item is informational only. No action is required. The Board of Directors for Silvercrest, Inc. will be asked to approve the 2019 Operating Budgets for the Mixed Finance properties.

Executive Summary
The purpose of this memo is to update the Boards of Commissioners on the Agency’s 2019-20 Strategic Board Goals, and ask the Boards to adopt the final draft of the Agency goals. Included in the Board packet is the final draft of the 2019-20 goals.

Initial discussions about future priorities and goal setting began at the Board Retreat in September. At the September Board meeting, time was spent brainstorming and sharing input on potential goals. During the October meeting of the Boards, a first draft of the goals was presented by staff and some initial work was done to discuss financial investments needed to accomplish goals. At the November meeting of the Boards, a more detailed and refined budget was presented.

At the December Board meeting, Commissioners will be asked to vote on both the 2019-20 Strategic Goals and the 2019 Agency Operations and HAP budgets. A portion of both these items will allow staff and the Boards to move forward into 2019 with a detailed plan on how to achieve the goals and strategic priorities set by the Boards of Commissioners.

Recommendation
It is recommended that the Boards of Commissioners approve and adopt the 2019-20 Strategic Goals.
2019-20 Agency Goals and Strategic Plan Implementation

Create and sustain vibrant communities throughout Fresno County

Quality housing. Engaged residents. Vibrant communities.

Goal One – PLACE

Develop and expand the availability of quality affordable housing options throughout the city and county by growing and preserving appropriate residential assets and increasing housing opportunities for low-income residents.

1. Create a robust, balanced pipeline for development activities that appropriately responds to the needs of the low income residents of Fresno County. When evaluating development opportunities, factor the following Board priorities:
   a. Mixed income and mixed use housing that promotes economically diverse neighborhoods and accommodates projected growth
   b. A balance of new construction and renovation
   c. Create community infrastructure, including community buildings, resource centers, and EnVision Centers if viable
   d. Invest in existing and new neighborhoods
   e. Rural communities, with limited economic catalysts
   f. Prudent, financial transactions that promote long-term financial stability for the Agency; including, but not limited to utilizing innovative tools that could include tax credits, opportunity zones, and new avenues for state funding
   g. Collaboration with CDC’s, non-profits, faith-based and other neighborhood groups
   h. Require thoughtful design that encourages healthy living for families
   i. Promote the reduction of water and energy consumption at properties

2. Support efforts outlined in the Street 2 Home initiative. Specifically, seek solutions to expand low barrier crisis housing and permanent supportive housing options for homeless individuals

3. Consider how best to partner with the Southwest Fresno community regarding neighborhood development and investment
4. Collaborate with property owners, neighborhood groups, Community Development Corporations (CDCs), and other partners to enhance the quality of rental stock across the county and provide a greater range of options for residents with vouchers. Programs should focus on property owner outreach, support and education, in addition to targeting housing options in areas of opportunity.

Goal Two – PEOPLE

Respect community needs and knowledge - by listening, learning, and researching - and respond to issues compassionately, intelligently, and intentionally - by developing exceptional programs based on shared experiences.

1. Create and promote resident experiences that influence key outcomes around health, wage progression, and education. Share outcomes with the Boards and others on a quarterly basis to increase awareness of the positive impacts of quality housing.

2. Create opportunities to promote upward economic mobility and wage progression using data, policy updates and refined systems of support for residents. Develop a specific pilot program encompassing some of the following areas: resident mobility, wage progression/section 3, and home ownership.

3. Consider expanding engagement with residents by utilizing neighborhood conversation pilots to promote involvement and opportunities for resident leadership.

4. Reduce the number of homeless individuals in Fresno County through active leadership with partners to implement the four pillars outlined by Barbara Poppe in her work to create the Street 2 Home blueprint for Fresno County.

5. Establish policies and practices that reduce the likelihood of crime and promote resident safety.

Goal Three – PUBLIC

Build support for housing as a key component of vibrant, sustainable communities through public information, engagement, and advocacy that promotes high quality affordable housing and supports the advancement of Fresno’s low-income residents.
1. Create ongoing conversations with city officials to seek opportunities to support economic development and facilitate a better understanding of Housing Authority benefits, priorities and opportunities

2. Enhance general understanding of the breadth and scope of the work of the Fresno Housing Authority through additional involvement and presence at community events

3. Conduct an annual community survey to evaluate trends and identify strategic opportunities. The first-year survey would establish a baseline and trends would be established over time.

4. Expand the current communication plan to highlight stories centered on residents services and economic success for neighborhoods and families

5. Utilize public platforms such as an updated website and social media to engage all stakeholders as well as inform and celebrate accomplishments through stories, events, and photos.

**Goal Four – PARTNERSHIP**

Collaborate to strengthen the Housing Authority’s ability to address the challenges facing Fresno communities.

1. Monitor and track community events to expand engagement opportunities for the Housing Authority through various avenues, including participation with event booths if appropriate

2. Where possible, ensure any Memorandum of Understanding language with partners incorporates expectations about collecting and reporting outcomes for residents.

3. Engage the community and other key agencies in discussions to facilitate quality planning for the Southwest Fresno community.

4. Revisit relationship and collaboration opportunities with Fresno Housing affiliate Fresno Housing Education Corps (Ed Corps) to expand and promote positive educational outcomes for resident youth.

5. Work to develop additional partnerships that prioritize positive health outcomes for residents.
Management Goals – SUSTAINABILITY, STRUCTURE, STRATEGIC OUTREACH

1. Adopt multi-year, Agency-wide goals, that link to financial targets and annual budgets, to effectively drive performance and further the mission of the Agency. Involve a broad set of stakeholders in the budget and goal development process. Create processes and tools to regularly monitor and report on goal and budget progress.

2. Expand the use of meaningful data, analyses, and measurements that could be shared with the public and the Board and would allow for a greater understanding of the Agency’s residents and programs.

3. Ensure strategies to attract, retain, and/or develop a leadership team that is diverse in background and experience, and representative of the Agency’s values and the populations we serve.

4. Continue to explore options to mitigate the financial impacts to the Agency of rising healthcare and pension costs.

5. Seek opportunities to ensure consistent and quality information to the Boards including appropriate onboarding, periodic workshops, Boardroom enhancements, and other tools to facilitate informed and engaged Boards.
Executive Summary

The purpose of this memo is to provide information to the Boards of Commissioners regarding the Agency’s 2019 annual budgets for Agency Operations and Housing Assistance Payments for the Housing Choice Voucher program, and to ask the Boards to approve said budgets. These budgets set forth the expected revenues and expenses for the Agency by program, department, and division. The attachment provided with this memo shows the consolidation of over 100 programmatic budgets combined into six Agency divisions. Each budget, separately and together as a whole, is intended to ensure that the Fresno Housing Authority remains fiscally sound while investing in the Agency’s future, and delivering services in accordance with the mission statement and 2019-2020 Strategic Goals.

2019 Budget for Agency Operations

Over the years, there has been a continuous decline in federal funding for low-income housing programs. This disinvestment at the federal level means that the Agency must continue to diversify its revenue streams, create efficiencies in operations, and find creative ways to reduce expenses without causing detriment to our clients or our community. The goal of this budget is to provide a scenario to the Boards that continues to strengthen internal operations and make key investments in the our community, infrastructure, and human capital, while still facing uncertainty around funding levels for 2019.

The proposed budget for Agency Operations has revenues of $45.9 million and operating and non-operating expenses totaling $43.8 million, resulting in total net income of approximately $2.1 million. Staff is requesting to draw $1.1 million from unrestricted reserves in 2019 to continue the investment in several strategic priorities, including communications and community outreach, enhanced board tools, resident safety initiatives, the Street2Home initiative and program/data analysis. The budget also incorporates mobility, workforce development and high-income economic mobility initiatives to enhance outcomes for residents associated with Housing Choice Voucher (HCV) and public housing programs. While it is always the goal of the Agency to operate in a financially sustainable
manner and retain the Agency’s unrestricted reserves, it is in the best interest of the Agency, our clients, and our community to continue current initiatives and establish new programs in 2019, despite funding uncertainty. As FY 2018 comes to a close, year-end projections for net income exceed the original budget and the Agency will add approximately $2 million to unrestricted reserves, which will help fund the investment into new initiatives over the next year. Every effort was made during this budget process to operate more efficiently and effectively in the coming year. Ensuring long-term fiscal stability, preserving key assets and improving quality of life for residents continues to be the main goal of the Fresno Housing budget development process.

The highlights and assumptions for the 2019 Operations budget are as follows:

- The annual pro-ration for Administrative Fee Revenue is conservatively budgeted at 78% of eligibility for the HCV program. The 2018 Budget included a 75% proration, and the Agency is currently receiving 80% for FY 2018. Additionally, a 98% lease-up rate is budgeted for the HCV program in 2018, which further drives Administrative Fee revenue.
- Operating subsidy for the Public Housing program is budgeted at 93% of eligibility for FY 2019. The 2018 Budget included the same proration, and the Agency is currently receiving 93% for FY 2018.
– Developer Fees are budgeted at $5.5 million for projects including Paseo 55, Legacy Commons I and II, Blossom Trail, and Renaissance at Parc Grove.
– The recommended budget projects 235 regular full-time employees for 2019. This is a slight increase from our 2018 budget of 234 employees.

Additional information regarding the 2019 Agency Operations Budget will be presented at the Board of Commissioners meeting.

2019 Budget for Housing Assistance Payments

Housing Assistance Payments (HAP) are the subsidies paid to landlords on behalf of the tenants participating in the HCV program (formerly known as “Section 8”). Expected revenues for 2019 are $79.8 million and expenses of $85.7 million, utilizing approximately $5.9 million of restricted HAP reserves. These reserves are restricted by HUD, and can only be used to make HAP payments to landlords. Currently, the Agency has approximately $8 million dollars in restricted HAP reserves, which would leave $2.1 million remaining after 2019.

Fiscal Impact
The fiscal impact of adopting the Agency Operations and Housing Assistance Payments budgets would be as follows:
– Total net income to the Agency for 2019 of $2.1 million.
– Utilization of unrestricted reserves of $1.1 million.
– Decrease of restricted net assets in the HCV program by $5.9 million.

Recommendation
It is recommended that the Boards of Commissioners of the Fresno Housing Authority adopt the 2019 budget for Agency Operations, and the 2019 budget for Housing Assistance Payments.

SUBJECT: Consideration of Contract for General Legal Services

Executive Summary
The purpose of this memo is to request approval from the Boards of Commissioners to enter into a contract with Baker, Manock and Jensen PC for General Legal Services. The term of this contract is January 1, 2019 to December 31, 2019, with the option to renew the contract for four (4) additional, one-year terms for a total potential contract period of five years.

Fiscal Impact
Based on an independent cost estimate and the projected needs of the organization, the contract with Baker, Manock, and Jensen PC includes an annual amount not to exceed $300,000. The 2019 Agency Operations and Mixed Finance Budgets includes funding for this contract.

Recommendation
It is recommended that the Boards of Commissioners authorize the CEO/Executive Director to negotiate and execute the contract with Baker, Manock, and Jensen PC, for a term of January 1, 2019 to December 31, 2019 and an amount not to exceed $300,000.

Background Information
In June 2018, the Agency published a Request for Proposals (RFP) to solicit for a variety of legal services. As a result of the RFP, the Agency received proposals from nine legal firms (both local and national) for General Legal Services. After proposals were evaluated by a team of Agency staff from a variety of departments, members of the Boards of Commissioners and the Agency’s Executive staff conducted interviews with the three firms determined to be in a competitive scoring range. Final scoring was completed after the interview process and Baker, Manock, and Jensen PC was determined to be the highest scoring proposer based on the published evaluation factors. As such, the Agency is requesting approval from the Boards of Commissioners to enter into a contract with Baker, Manock, and Jensen PC for General Legal Services.

9.0 Disputed Billings (Charges).

9.1 Procedures: In addition to the procedures detailed within Clause No. 7 of Appendix No. 1, Form HUD-5370-C (10/2006), General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), in the event that the Agency disputes any portion of its billing(s), the Agency shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

9.1.1 The Agency’s representative shall, within ten (10) days after the Agency’s receipt of such billing, formally notify the contractor’s representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

9.1.2 If such dispute cannot be resolved by the contractor’s response, within ten (10) days after such notification is given, the CO and the contractor’s representative shall meet to discuss the matter and attempt to arrive at a resolution.

9.1.3 If the CO and the contractor’s representative are unable to resolve the dispute through such discussion within ten (10) days, the Agency shall, within ten (10) days thereafter, either:

9.1.3.1 Pay the disputed charges and reserve the right to submit the matter to the appropriate District Court in the State of California;

9.1.3.2 Not pay the disputed charge and submit the matter to the appropriate district court in the State of California;

9.1.3.3 Not pay the disputed charge and allow the Contractor to submit the matter either to the appropriate District Court in the State of California.

9.1.4 The decision from arbitration will be binding upon both parties. If the decision is adverse to the Agency, the Agency shall pay the Agency’s receipt of the decision. If the decision is in favor of the Agency, the contractor will either:
9.1.4.1 Clear the amount which is ordered from the Agency account; or

9.1.4.2 Repay to the Agency the amount ordered;

Either option shall be completed within ten (10) days after the contractor’s receipt of the arbitrator’s decision.

10.0 Binding Arbitration/Dispute Resolution. Any and all (material and non-material) disputes or controversies between the parties hereto involving either: (1) the construction or application of any of the terms, covenants or conditions of this Agreement or (2) otherwise arising in any respect with regard to this Agreement, or (3) relating to, arising out of, or resulting from either this Agreement, the performance of this Agreement, or the lack of performance of this Agreement, and/or (4) in any other manner relating to or involving this Agreement, shall not be litigated in any federal or state court or before any state, federal or administrative agency, but rather shall upon written request of one party served on the other be submitted and shall be solely and exclusively resolved by “final and binding” arbitration before a neutral retired Judge, which arbitration shall comply with and be governed by the provisions of the California Arbitration Act (CCP §§1280, et seq.) This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The neutral (retired Judge) arbitrator shall be mutually agreed upon by the parties; if such an Agreement is not promptly forthcoming, then the retired Judge to serve as arbitrator shall be selected by the Superior Court in accordance with the California Arbitration Act. The Arbitration hearing shall be conducted before a Certified Court Reporter and shall take place in the County of Fresno unless otherwise agreed by both parties. The hearing before the arbitrator of the matters to be arbitrated shall be at a time and place within the County of Fresno as selected by the Arbitrator. The Arbitrator shall select such time and place promptly after his/her appointment, and the arbitrator shall give written notice thereof to each party at least thirty days prior to the date so fixed. The arbitrator shall follow California substantive and procedural law; except only at the hearing, any relevant evidence may be presented by either party, and the formal rules of evidence applicable to judicial proceedings (in the sole discretion of the arbitrator) need not govern, so that evidence may be admitted or excluded in the discretion of the arbitrator as long as it is trustworthy. The arbitrator shall hear and determine the matter and shall execute and acknowledge the award in writing explaining the basis for his/her ruling. The Arbitrator shall cause a copy of the award to be delivered to each of the parties within twenty (20) calendar days after the conclusion of the evidentiary hearing, unless otherwise agreed by the parties. Said award shall follow California substantive and
procedural law. All the arbitrators’ fees and all of the certified court reporter’s fees (for daily attendance and for providing the arbitrator with the original transcript) shall be shared equally (50/50) by the parties; and all the parties shall bear their own legal fees and their own litigation costs and expenses.

10.1 **Breach.** Notwithstanding the foregoing, it is hereby agreed and understood that, in the event that if a party to this Agreement breaches or threatens to breach this Agreement, then the other party to the Agreement may seek and obtain an injunction and/or any other equitable relief necessary from a state or federal court of competent jurisdiction, so as to order the continuance of the party’s performance under this Agreement, pending the results of the aforementioned arbitration proceeding.

10.2 **Mediation.** Further, notwithstanding the foregoing, it is agreed that prior to appearing before and conducting the aforementioned binding arbitration hearing, the parties shall engage in a fully privileged and confidential Mediation before a neutral retired Judge. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator’s fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. Rules of Evidence, Rule 408.

10.3 **Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator’s Award.** Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys’ fees as well as costs and expenses. The arbitration process itself is not an action or proceeding for purposes of this Agreement.

11.0 **24 CFR 85.36(i), Procurement.** Pursuant to this CFR, as issued by the Office of the Secretary, HUD, the Agency and the Contractor each agree to comply with the following provisions:

11.1 **Remedies for Contractor Breach.** Pertaining to contract-related issues, it is the responsibility of both the Agency and the contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this
contract the Agency or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within ten (10) days, respond in writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

11.1.1 If the contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Form HUD-5370-C (10/2006), General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

11.1.2 Prior to termination, the Agency may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten (10) days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.3 After termination, if the contractor does not agree with the Agency’s justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail
all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).

11.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of the Instructions to Proposers and Contractors document.

11.2 Termination For Cause and Convenience. Notwithstanding any other provision of this Contract, the parties agree that the Agency may terminate this agreement at any time, in its sole and absolute discretion, by delivering written notice to the Contractor. In such event, Contractor shall only be paid for the services actually performed to the date of such written notice.

11.3 Reporting. Both parties hereby agree to comply with any reporting requirements that may be detailed herein.

11.4 Patent Rights. Both parties hereby agree to comply with HUD Bulletin 90-23, which is the (a) Notice of Assistance Regarding Patent and Copyright Infringement.

11.5 Copy Rights/Rights in Data. In addition to the requirements contained within Clause No. 5 of General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), the Agency has unlimited rights to any data, including computer software, developed by the contractor in the performance of the contract specifically:

11.5.1 Except as provided elsewhere in this clause, the Agency shall have unlimited rights in data first produced in the performance of this contract; form, fit, and function data delivered under this contract; data delivered under this contract (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and all other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software.
11.5.2 The contractor shall have the right to: use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the contractor in the performance of this contract, unless provided otherwise in this clause; protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent provided in this clause; substantiate use of, add or correct limited rights, restricted rights, or copyright notices and to take other appropriate action in accordance with this clause; and establish claim to copyright subsisting in data first produced in the performance of this contract to the extent provided below.

11.5.3 For data first produced in the performance of this contract, the contractor may establish, without prior approval of the CO, claim to copyright subsisting in scientific or technical articles based on or containing data first produced in the performance of this contract. The contractor grants the Agency and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of the Agency.

11.5.4 The contractor shall not, without the prior written permission of the contracting Officer, incorporate in data delivered under this contract any data not first produced in the performance of this contract and which contains copyright notice, unless the contractor identifies such data and grants the Agency a license of the same scope as identified in the preceding paragraph.

11.5.5 The Agency agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this contract are improperly marked, the Agency may either return the data to the contractor, or cancel or ignore the markings.

11.5.6 The contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the contractor's obligations under this contract.

11.5.7 Notwithstanding any provisions to the contrary contained in the contractor's standard commercial license or lease contract pertaining to any
restricted computer software delivered under this contract, and irrespective of whether any such contract has been proposed prior to the award of this contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the contractor agrees the Agency shall have the rights set forth below to use, duplicate, or disclose any restricted computer software delivered under this contract. The terms and conditions of this contract, including any commercial lease or licensing contract, shall be subject to the following procedures.

11.5.8 The restricted computer software delivered under this contract may not be used, reproduced, or disclosed by the Agency except as provided below or as expressly stated otherwise in this contract. The restricted computer software may be: used or copied for use in or with the computer(s) for which it was acquired, including use at any Agency location to which such computer(s) may be transferred; used or copied for use in or with backup computer if any computer for which it was acquired is inoperative; reproduced for safekeeping (archives) or backup purposes; modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software incorporating any of the delivered, restricted computer software shall be subject to the same restrictions set forth in this contract; and used or copies for use in or transferred to a replacement computer.

11.6 Access to Records. Both parties hereby guarantee access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

11.7 Record Retention. Both parties hereby guarantee retention of all required records for three (3) years after grantees or subgrantees make final payments and all other pending matters are closed.

11.9 Executive Order 11246. For all construction contracts awarded in excess of $10,000, both parties hereby agree to comply with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor Regulations (41 CFR Chapter 60).

11.10 Copeland “Anti-Kickback” Act. For all construction or repair contracts awarded, both parties hereby agree to comply with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor Regulations (29 CFR Part 3).

11.11 Davis-Bacon Act. For all construction contracts awarded in excess of $2,000 when required by Federal Grant Program legislation, both parties hereby agree to comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.12 Sections 103 and 107 of the Contract Work Hours and Safety Standards Act. For all construction contracts awarded in excess of $2,000 and for other contracts, which involve the employment of mechanics or laborers awarded in excess of $2,500, both parties hereby agree to comply with the Sections 103 and 107 of the Contract Work Hours and Safety Act (40 U.S.C. 327-330) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.13 Clean Air Act. For all contracts in excess of $100,000, both parties hereby agree to comply with all applicable standards, orders or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15).

12.0 Additional Considerations.

12.1 Non-Escalation. Unless otherwise specified within the contract documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.

12.2 Funding Restrictions and Order Quantities. The Agency reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to the Agency, if:
12.2.1 Funding is not available;

12.2.2 Legal restrictions are placed upon the expenditure of monies for this category of service or supplies; or,

12.2.3 The Agency’s requirements in good faith change after award of the contract.

12.3 Local, State, and/or Federal Permits. Unless otherwise stated in the RFP documents, all local, State or Federal permits which may be required to provide the services ensuing from award of this RFP, whether or not they are known to either the Agency or the proposers at the time of the proposal submittal deadline or the award, shall be the sole responsibility of the Contractor, and any costs required by the Contractor to procure and provide such necessary permits.

12.4 Government Standards. It is the responsibility of the proposer to ensure that all items and services proposed conform to all local, State and Federal law concerning safety (OSHA and NOSHA) and environmental control (EPA and Fresno Pollution Regulations) and any other enacted ordinance, code, law or regulation. The Contractor shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law or regulation. No time extensions shall be granted or financial consideration given to the Contractor for time or monies lost due to violations of any such ordinance, code, law or regulations that may occur.

12.5 Freight on Bill and Delivery. All costs submitted by the proposer shall reflect the cost of delivering the proposed items and/or services to the locations(s) specified within the RFP documents or within the contract.

12.5.1 The Contractor agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the Contractor. Upon default, the Contractor agrees that the Agency may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.

12.6 Backorders.

12.6.1 The CO must be notified in writing by the contractor within 10 days of any and all backordered materials and/or any incomplete services; and the estimated delivery date.
12.6.2 Unless otherwise stipulated in the contract, any order that will take more than a maximum of 10 days past the original agreed upon delivery date, may at the option of the Agency, be canceled and ordered from another source, if, in the opinion of the CO, it is in the best interests of the Agency to do so.

12.7 **Work on Agency Property.** If the Contractor’s work under the contract involves operations by the Contractor on Agency premises, the Contractor shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by the Agency’s negligence, shall indemnify the Agency, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the Contractor, its agents, employees, or subcontractors.

12.8 **Official, Agent and Employees of the Agency Not Personally Liable.** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of the Agency in any way be personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.

12.9 **Subcontractors.** Unless otherwise stated within the contract documents, the Contractor may not use any subcontractors to accomplish any portion of the services described within the RFP documents or the contract without the prior written permission of the CO.

12.10 **Salaries and Expenses Relating to the Contractors Employees.** Unless otherwise stated within the RFP documents, the Contractor shall pay all salaries and expenses of, and all Federal, Social Security taxes, Federal and State Unemployment taxes, and any similar taxes relating to its employees used in the performance of the contract. The Contractor further agrees to comply with all Federal, State and local wage and hour laws and all licensing laws applicable to its employees or other personnel furnished under this agreement.

12.11 **Independent Contractor.** Unless otherwise stated within the RFP documents or the contract, the Contractor is an independent contractor. Nothing herein shall create any association, agency, partnership or joint venture between the parties hereto and neither shall have any authority to bind the other in any way.
12.12 **Severability.** If any provision of this agreement or any portion or provision hereof applicable to any particular situation or circumstance is held valid, the remainder of this agreement or the remainder of such provision (as the case may be), and the application thereof to other situations or circumstances shall not be affected thereby.

12.13 **Waiver of Breach.** A waiver of either party of any terms or condition of this agreement in any instance shall not be deemed or construed as a waiver of such term or condition for the future, or of any subsequent breach thereof. All remedies, rights, undertakings, obligations, and agreements contained in this agreement shall be cumulative and none of them shall be in limitation of any other remedy, right, obligation or agreement of either party.

12.14 **Time of the Essence.** Time is of the essence under this agreement as to each provision in which time of performance is a factor.

12.15 **Limitation of Liability.** In no event shall the Agency be liable to the Contractor for any indirect, incidental, consequential or exemplary damages.

12.16 **Indemnification.**

12.16.1 The Contractor shall indemnify, defend, and hold the Agency (and its officers, employees, and agents) harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney’s fees, court costs and other expenses of any kind or character, which are caused by, arising out of, or occurring due to any failure of the Contractor to (1) abide by any of the applicable professional standards within its industry, or (2) comply with the terms, conditions, or covenants that are contained in this Contract, (3) comply with the “California Industrial Insurance Act,” or any other similar law, ordinance, or decree; or (4) ensure that the any subcontractors abide by the terms of this provision and this contract; provided, however, that Contractor will not be required to indemnify the Agency against any loss or damage which was specifically caused by the Agency providing inaccurate information to the Contractor, failing to provide necessary and requested information to the Contractor, or refusal to abide by any recommendation of the Contractor.

12.16.2 In this connection, it is expressly agreed that the Contractor shall, at its own expense, defend the Agency, its officers, employees, and agents, against any and all claims, suits or actions which may be brought
against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act the consequences of which the Contractor has indemnified the Agency. If the Contractor shall fail to do so, the Agency shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the Contractor including attorney’s fees and court costs.

10.2 Mediation. Further, notwithstanding the foregoing, it is agreed that prior to appearing before and conducting the aforementioned binding arbitration hearing, the parties shall engage in a fully privileged and confidential Mediation before a neutral retired Judge. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator’s fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. 10.3 Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator’s Award. Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys’ fees as well as costs and expenses. The arbitration process itself is not an action or proceeding for purposes of this Agreement.

11.0 24 CFR 85.36(i), Procurement. Pursuant to this CFR, as issued by the Office of the Secretary, HUD, the Agency and the Contractor each agree to comply with the following provisions:

11.1 Remedies for Contractor Breach. Pertaining to contract-related issues, it is the responsibility of both the Agency and the contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this contract the Agency or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within ten (10) days, respond in
writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

11.1.1 If the contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Form HUD-5370-C (10/2006), General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

11.1.2 Prior to termination, the Agency may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten (10) days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.3 After termination, if the contractor does not agree with the Agency’s justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of the Instructions to Proposers and Contractors document.
11.2 **Termination For Cause and Convenience.** Notwithstanding any other provision of this Contract, the parties agree that the Agency may terminate this agreement at any time, in its sole and absolute discretion, by delivering written notice to the Contractor. In such event, Contractor shall only be paid for the services actually performed to the date of such written notice.

11.3 **Reporting.** Both parties hereby agree to comply with any reporting requirements that may be detailed herein.

11.4 **Patent Rights.** Both parties hereby agree to comply with HUD Bulletin 90-23, which is the (a) Notice of Assistance Regarding Patent and Copyright Infringement.

11.5 **Copy Rights/Rights in Data.** In addition to the requirements contained within Clause No. 5 of **General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work),** the Agency has unlimited rights to any data, including computer software, developed by the contractor in the performance of the contract specifically:

11.5.1 Except as provided elsewhere in this clause, the Agency shall have unlimited rights in data first produced in the performance of this contract; form, fit, and function data delivered under this contract; data delivered under this contract (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and all other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software.

11.5.2 The contractor shall have the right to: use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the contractor in the performance of this contract, unless provided otherwise in this clause; protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent provided in this clause; substantiate use of, add or correct limited rights, restricted rights, or copyright notices and to take other appropriate action in accordance with this clause; and establish claim to copyright subsisting...
in data first produced in the performance of this contract to the extent provided below.

11.5.3 For data first produced in the performance of this contract, the contractor may establish, without prior approval of the CO, claim to copyright subsisting in scientific or technical articles based on or containing data first produced in the performance of this contract. The contractor grants the Agency and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of the Agency.

11.5.4 The contractor shall not, without the prior written permission of the contracting Officer, incorporate in data delivered under this contract any data not first produced in the performance of this contract and which contains copyright notice, unless the contractor identifies such data and grants the Agency a license of the same scope as identified in the preceding paragraph.

11.5.5 The Agency agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this contract are improperly marked, the Agency may either return the data to the contractor, or cancel or ignore the markings.

11.5.6 The contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the contractor's obligations under this contract.

11.5.7 Notwithstanding any provisions to the contrary contained in the contractor's standard commercial license or lease contract pertaining to any restricted computer software delivered under this contract, and irrespective of whether any such contract has been proposed prior to the award of this contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the contractor agrees the Agency shall have the rights set forth below to use, duplicate, or disclose any restricted computer software delivered under this contract. The terms and conditions of this contract, including any commercial lease or licensing contract, shall be subject to the following procedures.
11.5.8 The restricted computer software delivered under this contract may not be used, reproduced, or disclosed by the Agency except as provided below or as expressly stated otherwise in this contract. The restricted computer software may be: used or copied for use in or with the computer(s) for which it was acquired, including use at any Agency location to which such computer(s) may be transferred; used or copied for use in or with backup computer if any computer for which it was acquired is inoperative; reproduced for safekeeping (archives) or backup purposes; modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software incorporating any of the delivered, restricted computer software shall be subject to the same restrictions set forth in this contract; and used or copies for use in or transferred to a replacement computer.

11.6 Access to Records. Both parties hereby guarantee access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

11.7 Record Retention. Both parties hereby guarantee retention of all required records for three (3) years after grantees or subgrantees make final payments and all other pending matters are closed.

11.9 Executive Order 11246. For all construction contracts awarded in excess of $10,000, both parties hereby agree to comply with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor Regulations (41 CFR Chapter 60).

12.0 **Additional Considerations.**

12.1 **Non-Escalation.** Unless otherwise specified within the contract documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.

12.2 **Funding Restrictions and Order Quantities.** The Agency reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to the Agency, if:

12.2.1 Funding is not available;

12.2.2 Legal restrictions are placed upon the expenditure of monies for this category of service or supplies; or,
12.2.3 The Agency’s requirements in good faith change after award of the contract.

12.3 **Local, State, and/or Federal Permits.** Unless otherwise stated in the RFP documents, all local, State or Federal permits which may be required to provide the services ensuing from award of this RFP, whether or not they are known to either the Agency or the proposers at the time of the proposal submittal deadline or the award, shall be the sole responsibility of the Contractor, and any costs required by the Contractor to procure and provide such necessary permits.

12.4 **Government Standards.** It is the responsibility of the proposer to ensure that all items and services proposed conform to all local, State and Federal law concerning safety (OSHA and NOSHA) and environmental control (EPA and Fresno Pollution Regulations) and any other enacted ordinance, code, law or regulation. The Contractor shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law or regulation. No time extensions shall be granted or financial consideration given to the Contractor for time or monies lost due to violations of any such ordinance, code, law or regulations that may occur.

12.5 **Freight on Bill and Delivery.** All costs submitted by the proposer shall reflect the cost of delivering the proposed items and/or services to the locations(s) specified within the RFP documents or within the contract.

12.5.1 The Contractor agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the Contractor. Upon default, the Contractor agrees that the Agency may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.

12.6 **Backorders.**

12.6.1 The CO must be notified in writing by the contractor within 10 days of any and all backordered materials and/or any incomplete services; and the estimated delivery date.

12.6.2 Unless otherwise stipulated in the contract, any order that will take more than a maximum of 10 days past the original agreed upon delivery date, may at the option of the Agency, be canceled and ordered from another source, if, in the opinion of the CO, it is in the best interests of the Agency to do so.
12.7 **Work on Agency Property.** If the Contractor’s work under the contract involves operations by the Contractor on Agency premises, the Contractor shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by the Agency’s negligence, shall indemnify the Agency, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the Contractor, its agents, employees, or subcontractors.

12.8 **Official, Agent and Employees of the Agency Not Personally Liable.** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of the Agency in any way be personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.

12.9 **Subcontractors.** Unless otherwise stated within the contract documents, the Contractor may not use any subcontractors to accomplish any portion of the services described within the RFP documents or the contract without the prior written permission of the CO.

12.10 **Salaries and Expenses Relating to the Contractors Employees.** Unless otherwise stated within the RFP documents, the Contractor shall pay all salaries and expenses of, and all Federal, Social Security taxes, Federal and State Unemployment taxes, and any similar taxes relating to its employees used in the performance of the contract. The Contractor further agrees to comply with all Federal, State and local wage and hour laws and all licensing laws applicable to its employees or other personnel furnished under this agreement.

12.11 **Independent Contractor.** Unless otherwise stated within the RFP documents or the contract, the Contractor is an independent contractor. Nothing herein shall create any association, agency, partnership or joint venture between the parties hereto and neither shall have any authority to bind the other in any way.

12.12 **Severability.** If any provision of this agreement or any portion or provision hereof applicable to any particular situation or circumstance is held valid, the remainder of this agreement or the remainder of such provision (as the case may be), and the application thereof to other situations or circumstances shall not be affected thereby.

All remedies, rights, undertakings, obligations, and agreements contained in this agreement shall be cumulative and none of them shall be in limitation of any other remedy, right, obligation or agreement of either party.

12.14 **Time of the Essence.** Time is of the essence under this agreement as to each provision in which time of performance is a factor.

12.15 **Limitation of Liability.** In no event shall the Agency be liable to the Contractor for any indirect, incidental, consequential or exemplary damages.

12.16 **Indemnification.**

12.16.1 The Contractor shall indemnify, defend, and hold the Agency (and its officers, employees, and agents) harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney’s fees, court costs and other expenses of any kind or character, which are caused by, arising out of, or occurring due to any failure of the Contractor to (1) abide by any of the applicable professional standards within its industry, or (2) comply with the terms, conditions, or covenants that are contained in this Contract, (3) comply with the “California Industrial Insurance Act,” or any other similar law, ordinance, or decree; or (4) ensure that the any subcontractors abide by the terms of this provision and this contract; provided, however, that Contractor will not be required to indemnify the Agency against any loss or damage which was specifically caused by the Agency providing inaccurate information to the Contractor, failing to provide necessary and requested information to the Contractor, or refusal to abide by any recommendation of the Contractor.

12.16.2 In this connection, it is expressly agreed that the Contractor shall, at its own expense, defend the Agency, its officers, employees, and agents, against any and all claims, suits or actions which may be brought against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act the consequences of which the Contractor has indemnified the Agency. If the Contractor shall fail to do so, the Agency shall have the right, but not the obligation, to defend the same and to charge all direct and
incidental costs of such defense to the Contractor including attorney’s fees and court costs.

12.16.3 Any money due to the Contractor under and by virtue of this contract, which the Agency believes must be withheld from the Contractor to protect the Agency, may be retained by the Agency so long as it is reasonably necessary to ensure the Agency’s protection; or in case no money is due, its surety may be held until all applicable claims have been settled and suitable evidence to that effect furnished to the Agency provided, however, neither the Contractor’s payments shall not be withheld, and its surety shall be released, if the Contractor is able to demonstrate that it has adequate liability and property damage insurance to protect the Agency from any potential claims.

12.16.4 The Contractor shall provide that any contractual arrangement with a subcontractor shall be in conformance with the terms of this Contract including the terms of this indemnity provision. The Contractor guarantees that it will promptly handle and rectify any and all claims for materials, supplies and labor, or any other claims that may be made against it or any of its subcontractors in connection with the contract.

12.0 **Lobbying Certification.** By execution of this contract with the Agency the Contractor thereby certifies, to the best of his or her knowledge and belief, that:

12.1 No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal loan, the entering into of any cooperative agreement, or modification of any Federal contract, grant, loan, or cooperative agreement.

9.1 **Procedures:** In addition to the procedures detailed within Clause No. 7 of Appendix No. 1, Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, in the event that the Agency disputes any portion of its billing(s), the Agency shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

9.1.1 The Agency’s representative shall, within ten (10) days after the Agency’s receipt of such billing, formally notify the contractor’s representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

9.1.2 If such dispute cannot be resolved by the contractor’s response, within ten (10) days after such notification is given, the CO and the contractor’s representative shall meet to discuss the matter and attempt to arrive at a resolution.

9.1.3.3 Not pay the disputed charge and allow the Contractor to submit the matter either to the appropriate District Court in the State of California.

9.1.4 The decision from arbitration will be binding upon both parties. If the decision is adverse to the Agency, the Agency shall pay the Agency’s receipt of the decision. If the decision is in favor of the Agency, the contractor will either:

9.1.4.1 Clear the amount which is ordered from the Agency account; or
9.1.4.2 Repay to the Agency the amount ordered;

Either option shall be completed within ten (10) days after the contractor's receipt of the arbitrator's decision.

10.0 **Binding Arbitration/Dispute Resolution.** Any and all (material and non-material) disputes or controversies between the parties hereto involving either: (1) the construction or application of any of the terms, covenants or conditions of this Agreement or (2) otherwise arising in any respect with regard to this Agreement, or (3) relating to, arising out of, or resulting from either this Agreement, the performance of this Agreement, or the lack of performance of this Agreement, and/or (4) in any other manner relating to or involving this Agreement, shall not be litigated in any federal or state court or before any state, federal or administrative agency, but rather shall upon written request of one party served on the other be submitted and shall be solely and exclusively resolved by “final and binding” arbitration before a neutral retired Judge, which arbitration shall comply with and be governed by the provisions of the California Arbitration Act (CCP §§1280, et seq.) This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The neutral (retired Judge) arbitrator shall be mutually agreed upon by the parties; if such an Agreement is not promptly forthcoming, then the retired Judge to serve as arbitrator shall be selected by the Superior Court in accordance with the California Arbitration Act. The Arbitration hearing shall be conducted before a Certified Court Reporter and shall take place in the County of Fresno unless otherwise agreed by both parties. The hearing before the arbitrator of the matters to be arbitrated shall be at a time and place within the County of Fresno as selected by the Arbitrator. The Arbitrator shall select such time and place promptly after his/her appointment, and the arbitrator shall give written notice thereof to each party at least thirty days prior to the date so fixed. The arbitrator shall follow California substantive and procedural law; except only at the hearing, any relevant evidence may be presented by either party, and the formal rules of evidence applicable to judicial proceedings (in the sole discretion of the arbitrator) need not govern, so that evidence may be admitted or excluded in the discretion of the arbitrator as long as it is trustworthy. The arbitrator shall hear and determine the matter and shall execute and acknowledge the award in writing explaining the basis for his/her ruling. The Arbitrator shall cause a copy of the award to be delivered to each of the parties within twenty (20) calendar days after the conclusion of the evidentiary hearing, unless otherwise agreed by the parties. Said award shall follow California substantive and procedural law. All the arbitrators’ fees and all of the certified court reporter’s fees (for daily attendance and for providing the arbitrator with the original transcript) shall be
shared equally (50/50) by the parties; and all the parties shall bear their own legal fees and their own litigation costs and expenses.

10.1 Breach. Notwithstanding the foregoing, it is hereby agreed and understood that, in the event that if a party to this Agreement breaches or threatens to breach this Agreement, then the other party to the Agreement may seek and obtain an injunction and/or any other equitable relief necessary from a state or federal court of competent jurisdiction, so as to order the continuance of the party’s performance under this Agreement, pending the results of the aforementioned arbitration proceeding.

10.2 Mediation. Further, notwithstanding the foregoing, it is agreed that prior to appearing before and conducting the aforementioned binding arbitration hearing, the parties shall engage in a fully privileged and confidential Mediation before a neutral retired Judge. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator’s fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. Rules of Evidence, Rule 408.

10.3 Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator’s Award. Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys’ fees as well as costs and expenses. The arbitration process itself is not an action or proceeding for purposes of this Agreement.

11.0 24 CFR 85.36(i), Procurement. Pursuant to this CFR, as issued by the Office of the Secretary, HUD, the Agency and the Contractor each agree to comply with the following provisions:

11.1 Remedies for Contractor Breach. Pertaining to contract-related issues, it is the responsibility of both the Agency and the contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this contract the Agency or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the
right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within ten (10) days, respond in writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

**11.1.1** If the contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I—(With or Without Maintenance Work)*, which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

**11.1.2** Prior to termination, the Agency may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten (10) days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

**11.1.3** After termination, if the contractor does not agree with the Agency’s justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).
11.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of the Instructions to Proposers and Contractors document.

11.2 Termination For Cause and Convenience. Notwithstanding any other provision of this Contract, the parties agree that the Agency may terminate this agreement at any time, in its sole and absolute discretion, by delivering written notice to the Contractor. In such event, Contractor shall only be paid for the services actually performed to the date of such written notice.

11.3 Reporting. Both parties hereby agree to comply with any reporting requirements that may be detailed herein.

11.4 Patent Rights. Both parties hereby agree to comply with HUD Bulletin 90-23, which is the (a) Notice of Assistance Regarding Patent and Copyright Infringement.

11.5 Copy Rights/Rights in Data. In addition to the requirements contained within Clause No. 5 of General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), the Agency has unlimited rights to any data, including computer software, developed by the contractor in the performance of the contract specifically:

11.5.1 Except as provided elsewhere in this clause, the Agency shall have unlimited rights in data first produced in the performance of this contract; form, fit, and function data delivered under this contract; data delivered under this contract (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and all other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software.

11.5.2 The contractor shall have the right to: use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the contractor in the performance of this contract, unless provided otherwise in this clause; protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent
provided in this clause; substantiate use of, add or correct limited rights, restricted rights, or copyright notices and to take other appropriate action in accordance with this clause; and establish claim to copyright subsisting in data first produced in the performance of this contract to the extent provided below.

11.5.3 For data first produced in the performance of this contract, the contractor may establish, without prior approval of the CO, claim to copyright subsisting in scientific or technical articles based on or containing data first produced in the performance of this contract. The contractor grants the Agency and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of the Agency.

11.5.4 The contractor shall not, without the prior written permission of the contracting Officer, incorporate in data delivered under this contract any data not first produced in the performance of this contract and which contains copyright notice, unless the contractor identifies such data and grants the Agency a license of the same scope as identified in the preceding paragraph.

11.5.5 The Agency agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this contract are improperly marked, the Agency may either return the data to the contractor, or cancel or ignore the markings.

11.5.6 The contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the contractor's obligations under this contract.

11.5.7 Notwithstanding any provisions to the contrary contained in the contractor's standard commercial license or lease contract pertaining to any restricted computer software delivered under this contract, and irrespective of whether any such contract has been proposed prior to the award of this contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the contractor agrees the Agency shall have the rights set forth below to use, duplicate, or
disclose any restricted computer software delivered under this contract. The terms and conditions of this contract, including any commercial lease or licensing contract, shall be subject to the following procedures.

11.5.8 The restricted computer software delivered under this contract may not be used, reproduced, or disclosed by the Agency except as provided below or as expressly stated otherwise in this contract. The restricted computer software may be: used or copied for use in or with the computer(s) for which it was acquired, including use at any Agency location to which such computer(s) may be transferred; used or copied for use in or with backup computer if any computer for which it was acquired is inoperative; reproduced for safekeeping (archives) or backup purposes; modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software incorporating any of the delivered, restricted computer software shall be subject to the same restrictions set forth in this contract; and used or copies for use in or transferred to a replacement computer.

11.6 Access to Records. Both parties hereby guarantee access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

11.7 Record Retention. Both parties hereby guarantee retention of all required records for three (3) years after grantees or subgrantees make final payments and all other pending matters are closed.

11.9 Executive Order 11246. For all construction contracts awarded in excess of $10,000, both parties hereby agree to comply with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by

11.11 **Davis-Bacon Act.** For all construction contracts awarded in excess of $2,000 when required by Federal Grant Program legislation, both parties hereby agree to comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.12 **Sections 103 and 107 of the Contract Work Hours and Safety Standards Act.** For all construction contracts awarded in excess of $2,000 and for other contracts, which involve the employment of mechanics or laborers awarded in excess of $2,500, both parties hereby agree to comply with the Sections 103 and 107 of the Contract Work Hours and Safety Act (40 U.S.C. 327-330) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.13 **Clean Air Act.** For all contracts in excess of $100,000, both parties hereby agree to comply with all applicable standards, orders or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15).

12.0 **Additional Considerations.**

12.5.1 The Contractor agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the Contractor. 12.6 Backorders.

12.6.1 The CO must be notified in writing by the contractor within 10 days of any and all backordered materials and/or any incomplete services; and the estimated delivery date.

This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The neutral (retired Judge) arbitrator shall be mutually agreed upon by the parties; if such an Agreement is not promptly forthcoming, then the retired Judge to serve as arbitrator shall be selected by the Superior Court in accordance with the California Arbitration Act. The Arbitration hearing shall be conducted before a Certified Court Reporter and shall take place in the County of Fresno unless otherwise agreed by both parties. The hearing before the arbitrator of the matters to be arbitrated shall be at a time and place within the County of Fresno as selected by the Arbitrator. The Arbitrator shall select such time and place promptly after his/her appointment, and the arbitrator shall give written notice thereof to each party at least thirty days prior to the date so fixed. The arbitrator shall follow California substantive and procedural law; except only at the hearing, any relevant evidence may be presented by either party, and the formal rules of evidence applicable to judicial proceedings (in the sole discretion of the arbitrator) need not govern, so that evidence may be admitted or excluded in the discretion of the arbitrator as long as it is trustworthy. The arbitrator shall hear and determine the matter and shall execute and acknowledge the award in writing explaining the basis for his/her ruling. The Arbitrator shall cause a copy of the award to be delivered to each of the parties within twenty (20) calendar days after the conclusion of the evidentiary hearing, unless otherwise agreed by the parties. Said award shall follow California substantive and procedural law. All the arbitrators’ fees and all of the certified court reporter’s fees (for daily attendance and for providing the arbitrator with the original transcript) shall be
shared equally (50/50) by the parties; and all the parties shall bear their own legal fees and their own litigation costs and expenses.

10.1 Breach. Notwithstanding the foregoing, it is hereby agreed and understood that, in the event that if a party to this Agreement breaches or threatens to breach this Agreement, then the other party to the Agreement may seek and obtain an injunction and/or any other equitable relief necessary from a state or federal court of competent jurisdiction, so as to order the continuance of the party’s performance under this Agreement, pending the results of the aforementioned arbitration proceeding.

10.2 Mediation. Further, notwithstanding the foregoing, it is agreed that prior to appearing before and conducting the aforementioned binding arbitration hearing, the parties shall engage in a fully privileged and confidential Mediation before a neutral retired Judge. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator’s fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. Rules of Evidence, Rule 408.

10.3 Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator’s Award. Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys’ fees as well as costs and expenses. The arbitration process itself is not an action or proceeding for purposes of this Agreement.

24 CFR 85.36(i), Procurement. Pursuant to this CFR, as issued by the Office of the Secretary, HUD, the Agency and the Contractor each agree to comply with the following provisions:

11.1 Remedies for Contractor Breach. Pertaining to contract-related issues, it is the responsibility of both the Agency and the contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this contract the Agency or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the
right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within ten (10) days, respond in writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

11.1.1 If the contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Form HUD-5370-C (10/2006), General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

11.1.2 Prior to termination, the Agency may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten (10) days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.3 After termination, if the contractor does not agree with the Agency’s justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).
11.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of the Instructions to Proposers and Contractors document.

11.2 Termination For Cause and Convenience. Notwithstanding any other provision of this Contract, the parties agree that the Agency may terminate this agreement at any time, in its sole and absolute discretion, by delivering written notice to the Contractor. In such event, Contractor shall only be paid for the services actually performed to the date of such written notice.

11.3 Reporting. Both parties hereby agree to comply with any reporting requirements that may be detailed herein.

11.4 Patent Rights. Both parties hereby agree to comply with HUD Bulletin 90-23, which is the (a) Notice of Assistance Regarding Patent and Copyright Infringement.

11.5 Copy Rights/Rights in Data. In addition to the requirements contained within Clause No. 5 of General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), the Agency has unlimited rights to any data, including computer software, developed by the contractor in the performance of the contract specifically:

11.5.1 Except as provided elsewhere in this clause, the Agency shall have unlimited rights in data first produced in the performance of this contract; form, fit, and function data delivered under this contract; data delivered under this contract (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and all other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software.

11.5.2 The contractor shall have the right to: use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the contractor in the performance of this contract, unless provided otherwise in this clause; protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent
provided in this clause; substantiate use of, add or correct limited rights, restricted rights, or copyright notices and to take other appropriate action in accordance with this clause; and establish claim to copyright subsisting in data first produced in the performance of this contract to the extent provided below.

11.5.3 For data first produced in the performance of this contract, the contractor may establish, without prior approval of the CO, claim to copyright subsisting in scientific or technical articles based on or containing data first produced in the performance of this contract. The contractor grants the Agency and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of the Agency.

11.5.4 The contractor shall not, without the prior written permission of the contracting Officer, incorporate in data delivered under this contract any data not first produced in the performance of this contract and which contains copyright notice, unless the contractor identifies such data and grants the Agency a license of the same scope as identified in the preceding paragraph.

11.5.5 The Agency agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this contract are improperly marked, the Agency may either return the data to the contractor, or cancel or ignore the markings.

11.5.6 The contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the contractor's obligations under this contract.

11.5.7 Notwithstanding any provisions to the contrary contained in the contractor's standard commercial license or lease contract pertaining to any restricted computer software delivered under this contract, and irrespective of whether any such contract has been proposed prior to the award of this contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the contractor agrees the Agency shall have the rights set forth below to use, duplicate, or
disclose any restricted computer software delivered under this contract. The terms and conditions of this contract, including any commercial lease or licensing contract, shall be subject to the following procedures.

11.5.8 The restricted computer software delivered under this contract may not be used, reproduced, or disclosed by the Agency except as provided below or as expressly stated otherwise in this contract. The restricted computer software may be: used or copied for use in or with the computer(s) for which it was acquired, including use at any Agency location to which such computer(s) may be transferred; used or copied for use in or with backup computer if any computer for which it was acquired is inoperative; reproduced for safekeeping (archives) or backup purposes; modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software incorporating any of the delivered, restricted computer software shall be subject to the same restrictions set forth in this contract; and used or copies for use in or transferred to a replacement computer.

11.6 Access to Records. Both parties hereby guarantee access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

11.7 Record Retention. Both parties hereby guarantee retention of all required records for three (3) years after grantees or subgrantees make final payments and all other pending matters are closed.

11.9 Executive Order 11246. For all construction contracts awarded in excess of $10,000, both parties hereby agree to comply with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by
Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor Regulations (41 CFR Chapter 60).

11.10 **Copeland “Anti-Kickback” Act.** For all construction or repair contracts awarded, both parties hereby agree to comply with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor Regulations (29 CFR Part 3).

11.11 **Davis-Bacon Act.** For all construction contracts awarded in excess of $2,000 when required by Federal Grant Program legislation, both parties hereby agree to comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.12 **Sections 103 and 107 of the Contract Work Hours and Safety Standards Act.** For all construction contracts awarded in excess of $2,000 and for other contracts, which involve the employment of mechanics or laborers awarded in excess of $2,500, both parties hereby agree to comply with the Sections 103 and 107 of the Contract Work Hours and Safety Act (40 U.S.C. 327-330) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.13 **Clean Air Act.** For all contracts in excess of $100,000, both parties hereby agree to comply with all applicable standards, orders or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15).

12.0 **Additional Considerations.**

12.1 **Non-Escalation.** Unless otherwise specified within the contract documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.

12.2 **Funding Restrictions and Order Quantities.** The Agency reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to the Agency, if:

Unless otherwise stated in the RFP documents, all local, State or Federal permits which may be required to provide the services ensuing from award of this RFP, whether or not they are known to either the Agency or the proposers at the time of the proposal submittal deadline or the award, shall be the sole responsibility of the Contractor, and any costs required by the Contractor to procure and provide such necessary permits.

12.4 Government Standards. It is the responsibility of the proposer to ensure that all items and services proposed conform to all local, State and Federal law concerning safety (OSHA and NOSHA) and environmental control (EPA and Fresno Pollution Regulations) and any other enacted ordinance, code, law or regulation. The Contractor shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law or regulation. No time extensions shall be granted or financial consideration given to the Contractor for time or monies lost due to violations of any such ordinance, code, law or regulations that may occur.

12.5 Freight on Bill and Delivery. All costs submitted by the proposer shall reflect the cost of delivering the proposed items and/or services to the locations(s) specified within the RFP documents or within the contract.

12.5.1 The Contractor agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the Contractor. Upon default, the Contractor agrees that the Agency may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.

12.6 Backorders.

12.6.1 The CO must be notified in writing by the contractor within 10 days of any and all backordered materials and/or any incomplete services; and the estimated delivery date.

12.6.2 Unless otherwise stipulated in the contract, any order that will take more than a maximum of 10 days past the original agreed upon
delivery date, may at the option of the Agency, be canceled and ordered from another source, if, in the opinion of the CO, it is in the best interests of the Agency to do so.

12.7 **Work on Agency Property.** If the Contractor’s work under the contract involves operations by the Contractor on Agency premises, the Contractor shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by the Agency’s negligence, shall indemnify the Agency, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the Contractor, its agents, employees, or subcontractors.

12.8 **Official, Agent and Employees of the Agency Not Personally Liable.** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of the Agency in any way be personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.

12.9 **Subcontractors.** Unless otherwise stated within the contract documents, the Contractor may not use any subcontractors to accomplish any portion of the services described within the RFP documents or the contract without the prior written permission of the CO.

application thereof to other situations or circumstances shall not be affected thereby.

If the Contractor shall fail to do so, the Agency shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the Contractor including attorney’s fees and court costs.

12.16.3 Any money due to the Contractor under and by virtue of this contract, which the Agency believes must be withheld from the Contractor to protect the Agency, may be retained by the Agency so long as it is reasonably necessary to ensure the Agency’s protection; or in case no money is due, its surety may be held until all applicable claims have been settled and suitable evidence to that effect furnished to the Agency provided, however, neither the Contractor’s payments shall not be withheld, and its surety shall be released, if the Contractor is able to demonstrate that it has adequate liability and property damage insurance to protect the Agency from any potential claims.

The Contractor guarantees that it will promptly handle and rectify any and all claims for materials, supplies and labor, or any other claims that may be made against it or any of its subcontractors in connection with the contract.

Preston Prince, CEO/Executive Director
Executive Summary
The purpose of this memo is to request approval from the Boards of Commissioners to enter into a contract with Steven R. Hrdlicka, Attorney at Law, and Baker, Manock, and Jensen PC for Unlawful Detainer Legal Services. The term of each contract is January 1, 2019 to December 31, 2019, with the option to renew the contract for four (4) additional, one-year terms for a total potential contract period of five years. The Agency feels it is advantageous to have two separate contracts for Unlawful Detainers given the specific technical capabilities and experience of each firm, and the overall needs of the organization.

Fiscal Impact
Based on an independent cost estimate and the projected needs of the organization, the contract with Steven R. Hrdlicka, Attorney at Law includes an annual not to exceed amount of $50,000. The contract with Baker, Manock, and Jensen PC includes an annual amount not to exceed $25,000. The 2019 Agency Operations and Mixed Finance Budgets include funding for this contract.

Recommendation
It is recommended that the Boards of Commissioners authorize the CEO/Executive Director to negotiate and execute the contracts with Steven R. Hrdlicka, Attorney at Law, and Baker, Manock, and Jensen PC, each for a term of January 1, 2019 to December 31, 2019 for an amount not to exceed $50,000 and $25,000, respectively.

Background Information
In June 2018, the Agency published a Request for Proposals (RFP) to solicit for a variety of legal services. As a result of the RFP, the Agency received proposals from seven legal firms (both local and national) for Unlawful Detainer Legal Services. After proposals were evaluated by a team of Agency staff from a variety of departments, staff conducted interviews with the two firms determined to be in a competitive scoring range. Final scoring was completed after the interview process and both Steven R. Hrdlicka, Attorney at Law & Baker, Manock, and Jensen PC were determined to be the highest scoring proposers based on the
published evaluation factors. As such, the Agency is requesting approval from the Boards of Commissioners to enter into a contract with Steven R. Hrdlicka, Attorney at Law, and Baker, Manock, and Jensen PC for Unlawful Detainer Legal Services.

9.1 **Procedures:** In addition to the procedures detailed within Clause No. 7 of Appendix No. 1, Form HUD-5370-C (10/2006), *General Conditions for Non-*
Construction Contracts, Section I—(With or without Maintenance Work), in the event that the Agency disputes any portion of its billing(s), the Agency shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

9.1.1 The Agency’s representative shall, within ten (10) days after the Agency’s receipt of such billing, formally notify the contractor’s representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

9.1.2 If such dispute cannot be resolved by the contractor’s response, within ten (10) days after such notification is given, the CO and the contractor’s representative shall meet to discuss the matter and attempt to arrive at a resolution.

9.1.3.2 Not pay the disputed charge and submit the matter to the appropriate district court in the State of California;

9.1.3.3 Not pay the disputed charge and allow the Contractor to submit the matter either to the appropriate District Court in the State of California.

9.1.4 The decision from arbitration will be binding upon both parties. If the decision is adverse to the Agency, the Agency shall pay the Agency’s receipt of the decision. If the decision is in favor of the Agency, the contractor will either:

9.1.4.1 Clear the amount which is ordered from the Agency account; or

9.1.4.2 Repay to the Agency the amount ordered;
Either option shall be completed within ten (10) days after the contractor’s receipt of the arbitrator’s decision.

10.0 Binding Arbitration/Dispute Resolution. Any and all (material and non-material) disputes or controversies between the parties hereto involving either: (1) the construction or application of any of the terms, covenants or conditions of this Agreement or (2) otherwise arising in any respect with regard to this Agreement, or (3) relating to, arising out of, or resulting from either this Agreement, the performance of this Agreement, or the lack of performance of this Agreement, and/or (4) in any other manner relating to or involving this Agreement, shall not be litigated in any federal or state court or before any state, federal or administrative agency, but rather shall upon written request of one party served on the other be submitted and shall be solely and exclusively resolved by “final and binding” arbitration before a neutral retired Judge, which arbitration shall comply with and be governed by the provisions of the California Arbitration Act (CCP §§1280, et seq.) This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The neutral (retired Judge) arbitrator shall be mutually agreed upon by the parties; if such an Agreement is not promptly forthcoming, then the retired Judge to serve as arbitrator shall be selected by the Superior Court in accordance with the California Arbitration Act. The Arbitration hearing shall be conducted before a Certified Court Reporter and shall take place in the County of Fresno unless otherwise agreed by both parties. The hearing before the arbitrator of the matters to be arbitrated shall be at a time and place within the County of Fresno as selected by the Arbitrator. The Arbitrator shall select such time and place promptly after his/her appointment, and the arbitrator shall give written notice thereof to each party at least thirty days prior to the date so fixed. The arbitrator shall follow California substantive and procedural law; except only at the hearing, any relevant evidence may be presented by either party, and the formal rules of evidence applicable to judicial proceedings (in the sole discretion of the arbitrator) need not govern, so that evidence may be admitted or excluded in the discretion of the arbitrator as long as it is trustworthy. The arbitrator shall hear and determine the matter and shall execute and acknowledge the award in writing explaining the basis for his/her ruling. The Arbitrator shall cause a copy of the award to be delivered to each of the parties within twenty (20) calendar days after the conclusion of the evidentiary hearing, unless otherwise agreed by the parties. Said award shall follow California substantive and procedural law. All the arbitrators’ fees and all of the certified court reporter’s fees (for daily attendance and for providing the arbitrator with the original transcript) shall be shared equally (50/50) by the parties; and all the parties shall bear their own legal fees and their own litigation costs and expenses.
10.1 **Breach.** Notwithstanding the foregoing, it is hereby agreed and understood that, in the event that if a party to this Agreement breaches or threatens to breach this Agreement, then the other party to the Agreement may seek and obtain an injunction and/or any other equitable relief necessary from a state or federal court of competent jurisdiction, so as to order the continuance of the party’s performance under this Agreement, pending the results of the aforementioned arbitration proceeding.

10.2 **Mediation.** Further, notwithstanding the foregoing, it is agreed that prior to appearing before and conducting the aforementioned binding arbitration hearing, the parties shall engage in a fully privileged and confidential Mediation before a neutral retired Judge. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator’s fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. Rules of Evidence, Rule 408.

10.3 **Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator’s Award.** Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys’ fees as well as costs and expenses. The arbitration process itself is not an action or proceeding for purposes of this Agreement.

11.0 **24 CFR 85.36(i), Procurement.** Pursuant to this CFR, as issued by the Office of the Secretary, HUD, the Agency and the Contractor each agree to comply with the following provisions:

11.1 **Remedies for Contractor Breach.** Pertaining to contract-related issues, it is the responsibility of both the Agency and the contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this contract the Agency or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within ten (10) days, respond in
writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

11.1.1 If the contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Form HUD-5370-C (10/2006), General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

11.1.2 Prior to termination, the Agency may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten (10) days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.3 After termination, if the contractor does not agree with the Agency’s justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of the Instructions to Proposers and Contractors document.
11.2 **Termination For Cause and Convenience.** Notwithstanding any other provision of this Contract, the parties agree that the Agency may terminate this agreement at any time, in its sole and absolute discretion, by delivering written notice to the Contractor. In such event, Contractor shall only be paid for the services actually performed to the date of such written notice.

11.3 **Reporting.** Both parties hereby agree to comply with any reporting requirements that may be detailed herein.

11.4 **Patent Rights.** Both parties hereby agree to comply with HUD Bulletin 90-23, which is the (a) Notice of Assistance Regarding Patent and Copyright Infringement.

11.5 **Copy Rights/Rights in Data.** In addition to the requirements contained within Clause No. 5 of *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, the Agency has unlimited rights to any data, including computer software, developed by the contractor in the performance of the contract specifically:

11.5.1 Except as provided elsewhere in this clause, the Agency shall have unlimited rights in data first produced in the performance of this contract; form, fit, and function data delivered under this contract; data delivered under this contract (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and all other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software.

11.5.2 The contractor shall have the right to: use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the contractor in the performance of this contract, unless provided otherwise in this clause; protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent provided in this clause; substantiate use of, add or correct limited rights, restricted rights, or copyright notices and to take other appropriate action in accordance with this clause; and establish claim to copyright subsisting
in data first produced in the performance of this contract to the extent provided below.

11.5.3 For data first produced in the performance of this contract, the contractor may establish, without prior approval of the CO, claim to copyright subsisting in scientific or technical articles based on or containing data first produced in the performance of this contract. The contractor grants the Agency and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of the Agency.

11.5.4 The contractor shall not, without the prior written permission of the contracting Officer, incorporate in data delivered under this contract any data not first produced in the performance of this contract and which contains copyright notice, unless the contractor identifies such data and grants the Agency a license of the same scope as identified in the preceding paragraph.

11.5.5 The Agency agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this contract are improperly marked, the Agency may either return the data to the contractor, or cancel or ignore the markings.

11.5.6 The contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the contractor's obligations under this contract.

11.5.7 Notwithstanding any provisions to the contrary contained in the contractor's standard commercial license or lease contract pertaining to any restricted computer software delivered under this contract, and irrespective of whether any such contract has been proposed prior to the award of this contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the contractor agrees the Agency shall have the rights set forth below to use, duplicate, or disclose any restricted computer software delivered under this contract. The terms and conditions of this contract, including any commercial lease or licensing contract, shall be subject to the following procedures.
11.5.8 The restricted computer software delivered under this contract may not be used, reproduced, or disclosed by the Agency except as provided below or as expressly stated otherwise in this contract. The restricted computer software may be: used or copied for use in or with the computer(s) for which it was acquired, including use at any Agency location to which such computer(s) may be transferred; used or copied for use in or with backup computer if any computer for which it was acquired is inoperative; reproduced for safekeeping (archives) or backup purposes; modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software incorporating any of the delivered, restricted computer software shall be subject to the same restrictions set forth in this contract; and used or copies for use in or transferred to a replacement computer.

11.6 Access to Records. Both parties hereby guarantee access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

11.7 Record Retention. Both parties hereby guarantee retention of all required records for three (3) years after grantees or subgrantees make final payments and all other pending matters are closed.

11.9 Executive Order 11246. For all construction contracts awarded in excess of $10,000, both parties hereby agree to comply with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor Regulations (41 CFR Chapter 60).

11.11 **Davis-Bacon Act.** For all construction contracts awarded in excess of $2,000 when required by Federal Grant Program legislation, both parties hereby agree to comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.12 **Sections 103 and 107 of the Contract Work Hours and Safety Standards Act.** For all construction contracts awarded in excess of $2,000 and for other contracts, which involve the employment of mechanics or laborers awarded in excess of $2,500, both parties hereby agree to comply with the Sections 103 and 107 of the Contract Work Hours and Safety Act (40 U.S.C. 327-330) as supplemented in Department of Labor Regulations (29 CFR Part 5).

11.13 **Clean Air Act.** For all contracts in excess of $100,000, both parties hereby agree to comply with all applicable standards, orders or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15).

12.0 **Additional Considerations.**

12.1 **Non-Escalation.** Unless otherwise specified within the contract documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.

12.2 **Funding Restrictions and Order Quantities.** The Agency reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to the Agency, if:

12.4 **Government Standards.** It is the responsibility of the proposer to ensure that all items and services proposed conform to all local, State and Federal law concerning safety (OSHA and NOSHA) and environmental control (EPA and Fresno Pollution Regulations) and any other enacted ordinance, code, law or regulation. The Contractor shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law or regulation. No time extensions shall be granted or financial consideration given to the Contractor for time or monies lost due to violations of any such ordinance, code, law or regulations that may occur.

12.5 **Freight on Bill and Delivery.** All costs submitted by the proposer shall reflect the cost of delivering the proposed items and/or services to the locations(s) specified within the RFP documents or within the contract.

12.6 **Backorders.**

12.6.1 The CO must be notified in writing by the contractor within 10 days of any and all backordered materials and/or any incomplete services; and the estimated delivery date.

This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The arbitrator shall hear and determine the matter and shall execute and acknowledge the award in writing explaining the basis for his/her ruling. The Arbitrator shall cause a copy of the award to be delivered to each of the parties within twenty (20) calendar days after the conclusion of the evidentiary hearing, unless otherwise agreed by the parties. 10.2 **Mediation.** Further, notwithstanding the foregoing, it is agreed that prior to appearing before and conducting the aforementioned binding arbitration hearing, the parties shall engage in a fully privileged and confidential Mediation before a neutral retired Judge. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator’s fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. Rules of Evidence, Rule 408.

10.3 **Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator’s Award.** Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys’ fees as well as costs and expenses. The arbitration process itself is not an action or proceeding for purposes of this Agreement.

11.0 **24 CFR 85.36(i), Procurement.** Pursuant to this CFR, as issued by the Office of the Secretary, HUD, the Agency and the Contractor each agree to comply with the following provisions:

11.1 **Remedies for Contractor Breach.** Pertaining to contract-related issues, it is the responsibility of both the Agency and the contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this contract the Agency or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within ten (10) days, respond in
writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

11.1.1 If the contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section 1—(With or without Maintenance Work)*, which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

11.1.2 Prior to termination, the Agency may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten (10) days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.3 After termination, if the contractor does not agree with the Agency’s justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency’s position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency’s alleged incorrect action(s).

11.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of the *Instructions to Proposers and Contractors* document.
11.2 **Termination For Cause and Convenience.** Notwithstanding any other provision of this Contract, the parties agree that the Agency may terminate this agreement at any time, in its sole and absolute discretion, by delivering written notice to the Contractor. In such event, Contractor shall only be paid for the services actually performed to the date of such written notice.

11.3 **Reporting.** Both parties hereby agree to comply with any reporting requirements that may be detailed herein.

11.4 **Patent Rights.** Both parties hereby agree to comply with HUD Bulletin 90-23, which is the (a) Notice of Assistance Regarding Patent and Copyright Infringement.

11.5 **Copy Rights/Rights in Data.** In addition to the requirements contained within Clause No. 5 of General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work), the Agency has unlimited rights to any data, including computer software, developed by the contractor in the performance of the contract specifically:

11.5.1 Except as provided elsewhere in this clause, the Agency shall have unlimited rights in data first produced in the performance of this contract; form, fit, and function data delivered under this contract; data delivered under this contract (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and all other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software.

11.5.2 The contractor shall have the right to: use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the contractor in the performance of this contract, unless provided otherwise in this clause; protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent provided in this clause; substantiate use of, add or correct limited rights, restricted rights, or copyright notices and to take other appropriate action in accordance with this clause; and establish claim to copyright subsisting
in data first produced in the performance of this contract to the extent provided below.

11.5.3 For data first produced in the performance of this contract, the contractor may establish, without prior approval of the CO, claim to copyright subsisting in scientific or technical articles based on or containing data first produced in the performance of this contract. The contractor grants the Agency and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of the Agency.

11.5.4 The contractor shall not, without the prior written permission of the contracting Officer, incorporate in data delivered under this contract any data not first produced in the performance of this contract and which contains copyright notice, unless the contractor identifies such data and grants the Agency a license of the same scope as identified in the preceding paragraph.

11.5.5 The Agency agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this contract are improperly marked, the Agency may either return the data to the contractor, or cancel or ignore the markings.

11.5.6 The contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the contractor's obligations under this contract.

11.5.7 Notwithstanding any provisions to the contrary contained in the contractor's standard commercial license or lease contract pertaining to any restricted computer software delivered under this contract, and irrespective of whether any such contract has been proposed prior to the award of this contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the contractor agrees the Agency shall have the rights set forth below to use, duplicate, or disclose any restricted computer software delivered under this contract. The terms and conditions of this contract, including any commercial lease or licensing contract, shall be subject to the following procedures.
11.5.8 The restricted computer software delivered under this contract may not be used, reproduced, or disclosed by the Agency except as provided below or as expressly stated otherwise in this contract. The restricted computer software may be: used or copied for use in or with the computer(s) for which it was acquired, including use at any Agency location to which such computer(s) may be transferred; used or copied for use in or with backup computer if any computer for which it was acquired is inoperative; reproduced for safekeeping (archives) or backup purposes; modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software incorporating any of the delivered, restricted computer software shall be subject to the same restrictions set forth in this contract; and used or copies for use in or transferred to a replacement computer.

11.6 Access to Records. Both parties hereby guarantee access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

11.7 Record Retention. Both parties hereby guarantee retention of all required records for three (3) years after grantees or subgrantees make final payments and all other pending matters are closed.

Mixed Finance Properties
– 2019 Budgets

Fresno Housing Authority
Boards of Commissioners Meeting
December 18, 2018
‘Mixed Finance’ Properties

What are they?
• Properties owned by a limited partnership.
• Originally sponsored and developed by the Housing Authority.
• Mixed finance means that several funding sources were used to develop the properties (examples: Tax Credits, HRFC, private mortgage, HOME funds, etc...).

Why are we involved?
• Silvercrest, Inc. (an instrumentality of the HA) is the Managing General Partner of the limited partnerships, and is responsible for on-going operations of the partnership.
• The Agency and its subsidiaries (Silvercrest, HRFC) have a vested interest in the properties.
• Properties fulfill Agency’s mission to create affordable housing.

Budgeting for Property Success

- Each property is managed as a separate and independent financial entity.
- At the very least, each property should break even each year (Net Operating Income or NOI should be > 0).
  - NOI vs Cash Flow
- Note the trend from 2017 to 2019 property budgets
  - 15 Properties as standard or low performers in 2017 versus 1 in 2019
    - Better rent projections & rent increases at some sites
    - Restructure of site staff

Acquisition/Rehab Considerations

What value could the Housing Authority bring to small acquisition/rehab projects?

- Engaged and responsible management
- Improved physical appearance
- In some gentrifying neighborhoods, may preserve affordability over the long-term

Are there drawbacks to small acquisition/rehab in Fresno?

- Rents are already naturally affordable in these neighborhoods, but the quality is often quite poor
- Difficult to finance substantial rehab without leveraging tax credits, etc. and there is no developer fee to cover costs
- Smaller rehab projects would be less efficient to manage due to scattered locations

Housing Assistance Payments

Housing Assistance Payments are the funds we receive from HUD and then pay to the landlords who participate in the HCV program.

Tenants pay an average of 30% of their income to the landlord, and then the HAP payment is made to supplement the remainder.

2019 Budget shows utilization of $5.9 million in HAP reserves, leaving $2.1 million of reserves remaining at year end.

Federal Budget Update

• Current Continuing Resolution (CR) expires on Dec. 21
• Partial government shutdown will occur if no action is taken before that date
• Three options:
  – Pass a short-term CR that would run into January 2019
  – Pass all or a portion of the remaining spending bills
  – Pass a full year CR to fund the government until September 30, 2019
• In the event of a government shutdown, FH would continue to operate as usual
• Communication strategy in place to staff, residents, property owners and community partners
