8. COMMISSIONERS’ REPORT

Commissioner Sablan recapped on time spent on information items and action items. She talked about the phrase “take our temperature” in order to keep an eye on the timing of meetings. This would ensure a more efficiently run meeting. She also mentions the meeting with Commissioner Jones and Eric Payne, Executive Director of the Central Valley Urban Institute. Mr. Payne had previously sent a letter requesting to put some thought in a convening surrounding diversity issues. During the meeting, they discussed Mr. Payne’s ideas and a plan that the staff is working on. They project the plan to be rolled out next month. She has asked
to have this topic on the upcoming Executive Committee agenda and next month’s Board agenda.

Commissioner Jones wanted to thank staff for all of the help setting up the Board Retreat. She also thanked the board members for sending the letters. She mentioned the board dinner date. Tiffany Mangum noted that it is scheduled for December, but will reach out to the board when it is confirmed. It is to be added to the executive committee agenda.

Commissioner Christensen wanted to appreciate the staff’s work. He talks about his recent visit to Firebaugh. He felt a connection when he first witnessed Rio Villas in front of the school. He feels a deep appreciation for the change we are making in children’s lives.

9. EXECUTIVE DIRECTOR’S REPORT
   In addition to the written Director’s report, the following items were announced:
   − First E-Newsletter is set to be released on August 28 in order to have more communication.

Preston Prince, Secretary to the Boards of Commissioners
Executive Summary

The purpose of this memo is to request approval from the Boards of Commissioners to adopt a revised resolution for the contract with the Office of Migrant Services (OMS) for the operations of the Parlier Migrant Center.

On July 23, 2019, the Boards of Commissioners approved the 2019/2020 and 2020/2021 Standard Agreement and Fiscal Year Operations Contract No. 19-OMS-12710, from the California Department of Housing and Community Development (HCD) Office of Migrant Services (OMS). After the Commissioners meeting and subsequent approval, OMS requested minor corrections to the adopted resolution in order to comply with OMS’ legal and fiscal requirements. These corrections included a name change from “Housing Authority of Fresno County” to “Fresno County Housing Authority” and the verbiage addition of “not to exceed” in front of the contract dollar amount.

Recommendation

It is recommended that the Boards of Commissioners of the Fresno Housing Authority adopt the attached revised resolution approving the Parlier Migrant Center 2019/2020 – 2020/2021 operations contract No. 19-OMS-12710, for an amount not to exceed $1,412,443, and authorizing the CEO/Executive Director or Tracewell Hanrahan, Deputy Executive Director to execute the finalized standard agreement from the California Department of Housing and Community Development, subject to approval of general counsel.

Fiscal Impact

Approval of this contract for an amount not to exceed $1,412,443 enables receipt of funding from the California Department of Housing and Community Development (HCD) as the two-year operating budget for the Parlier Migrant Center.
RESOLUTION NO.________

BEFORE THE BOARD OF COMMISSIONERS OF THE

FRESNO COUNTY HOUSING AUTHORITY

WHEREAS, the California Department of Housing and Community Development and Office of Migrant Services has provided an Operation and Maintenance Contract for the 2019/2020 and 2020/2021 Fiscal Years for the Parlier Migrant Center; and

WHEREAS, the Fresno County Housing Authority acting through its Board of Commissioners desires to approve this Operation and Maintenance Contract for the 2019/2020 and 2020/2021 operation at the Parlier Migrant Center.

WHEREAS, it will allow for the Housing Authority to continue to serve the seasonal migrant farm worker population at the 131-unit location in Parlier, CA.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Fresno County Housing Authority hereby approves the Operation and Maintenance Contract No. 19-OMS-12710 in the amount not to exceed $1,412,443 and authorizes Preston Prince, CEO/Executive Director or Tracewell Hanrahan, Deputy Executive Director to execute said contract, and any amendments to said contract, on behalf of the Fresno County Housing Authority.

Stacy Sablan - Chairman
Board of Commissioners of the
Fresno County Housing Authority
Executive Summary

The purpose of this Board memo is to ask the Boards of Commissioners for approval to accept the anticipated award of 9% Low Income Housing Tax Credits (LIHTC) for The Villages at Broadway property (APN 466-191-09).

On June 25th, 2019, the Boards of Commissioners adopted a resolution approving the submission of a 9% LIHTC application for The Villages at Broadway (formerly Econo Inn) to the California Tax Credit Allocation Committee (CTCAC) for the purpose of securing new financing for the project. The LIHTC program provides incentives for the utilization of private equity in the development of affordable housing. CTCAC administers the federal and state LIHTC programs in California.

On July 2, 2019 the Fresno Housing Authority (FH) submitted a funding application to CTCAC for 9% LIHTCs for The Villages at Broadway project. On September 14th, 2019, CTCAC posted the agenda for its committee meeting scheduled for September 25th, 2019 along with its project list of preliminary award recommendations. The Villages at Broadway project is on CTCAC’s list of preliminary recommendations and the funding award is expected to be official at the September 25th, 2019 committee meeting. The CTCAC Staff Report indicates the project is being recommended for a preliminary reservation of $852,614 in Federal Credits and $2,186,191 in State Credits. Once a LIHTC reservation is awarded, FH will have approximately 15 days to accept the award which would be ahead of the scheduled FH October 2019 board meeting. Therefore, Staff is requesting approval at the September FH Board meeting in anticipation of the funding award for the subject project. If the award is accepted, FH will have approximately 180 days from the date of award to begin construction.

In addition, The Villages at Broadway property was one of three locations selected for submission of an application to the State of California No Place Like Home (NPLH) Supportive Housing Program. At the January 22, 2019 Board meeting the Board authorized submission of the NPLH application as well as entering into a Memorandum of Understanding with the County of Fresno’s
Department of Behavioral Health (DBH), to collaborate on the development of permanent supportive housing for Fresno County residents, allocating $2,183,000 in non-competitive NPLH funds, as well as $6,168,706 in SNHP funds to the Fresno Housing Authority (FH) for the development of permanent supportive housing. The County of Fresno’s Department of Behavioral Health (DBH) served as the lead applicant and service provider, and FH’s role is the development sponsor and project owner/borrower. The Villages at Broadway received an official award notice for $3,303,884 in NPLH funds on June 14, 2019. The Villages at Broadway will consist of 26 studio apartment units, with one 1-bedroom unit reserved as a manager’s unit. Community and open office space have been added to the rehabilitation plan to ensure tenants have access to these opportunities on site. The targeted income for the site is 20% to 60% AMI. The project is proposed to include Project Based Voucher rental subsidy.

Recommendation

It is recommended that the Boards of Commissioners authorize acceptance of the 9% Low-Income Housing Tax Credit allocation of $852,614 in Federal Credits and $2,186,191 in State Credits from the California Tax Credit Allocation Committee (estimated total equity of $8,854,044) for The Villages at Broadway for purposes of substantial rehabilitation and to secure new financing for the property. It is further recommended to authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee to execute documents on behalf of the Housing Authority of City of Fresno in connection with the approved actions.

Fiscal Impact

Although it is not anticipated that the project will require any financing from FH for the construction and permanent financing, interim pre-development financing will be necessary to acquire the property and cover other due diligence expenses. It is estimated that approximately $2.4 million of predevelopment financing will be necessary for pre-development and is anticipated to be fully repaid with interest at the construction finance closing in early 2020.

Background Information

The Villages at Broadway complex is located on Broadway Ave, just north of Amador in downtown Fresno. The site is 0.64 acres and currently operated as a motel consisting of two parcels with approximately 30 motel rooms each or 60 rooms total. The site is technically two separate properties, however, the current development plan envisions only rehabilitating half of the complex. The other half will be developed at a later date. An initial outreach meeting to nearby residents, commercial tenants, schools and others has been held and was well attended.

The rehabilitation plan includes the addition of community space as well as open space and offices for property management and services to be operated onsite. There will be a full renovation of the units to provide for a kitchen area, upgraded bathrooms, appliances, new flooring, HVAC systems, roofing and exterior repair. The site will focus on housing tenants with extremely low incomes as well as having instances of homelessness over the past several years.

Past Board Actions:

- June 25, 2019: approved the allocation of up to twenty-five (25) Project Based Vouchers
- June 25, 2019: approved the submission of funding applications
- January 22, 2019: approved the submission of a funding application to the No Place Like Home program
- January 22, 2019: authorized approval to enter into a purchase and sale agreement for the subject property

Executive Summary

In July 2019 staff issued a Request for Proposals (RFP) for General Contractor/Construction Management (GCCM) Services, including pre-construction consulting for The Villages at Paragon (formerly Plaza Terrace) development. The RFP was posted on the Fresno Housing Authority (FH) website, listed with the local Builders Exchange and advertised in the Fresno Bee. The Villages at Paragon submitted successful applications for No Place Like Home financing in January 2019 and low-income housing tax credits in March 2019. The successful award of tax credits requires a construction start in December 2019. At this time staff is recommending an award of the GCCM contract to allow for a substantial review of construction design drawings in order to obtain the most cost effective methods of construction.

A total of 3 proposals were received for the subject site in response to the solicitation. However, one firm was deemed “not responsive” due to missing information that was not received. The review panel was comprised of FH staff from Planning & Community Development, Housing Management and Resident Services departments, along with two external panel members from the County of Fresno Department of Behavioral Health (DBH), which is the partner who will provide services at the site.

After a comprehensive review of the proposal packages, the review panel is recommending Johnston Contracting for The Villages at Paragon development. Johnston Contracting had the highest rated proposal and is the most advantageous for FH. The proposals were ranked based on firm history, capability, track record and relevant experience, project team, project schedule, price/fee structure and economic opportunities outreach.
Recommendation
It is recommended that the Boards of Commissioners award the General Contractor/Construction Management Services Contract for The Villages at Paragon to Johnston Contracting, at $75,000 for pre-construction consultancy services and for an amount not to exceed 14.00% of construction costs for General Contracting services. It is further recommended to authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee to negotiate and execute the contracts subject to satisfactory review and approval by legal counsel.

Fiscal Impact
The proposed contract with Johnston Contracting is to be paid from the project development budget. However, until the construction and permanent financing is formally closed in December 2019, it may be necessary to pay for the pre-construction consulting fee from the approved pre-development budget. No additional funds are being requested at this time.

Background Information
The Villages at Paragon apartment complex is located near the corner of Belmont and Cedar Ave (APN: 454-295-09T). The site is 0.68 acres and currently has 30 existing units that were previously operated as reunification housing for families (the El Puente program). Outreach has been conducted to nearby residents, commercial tenants, schools and others to inform them and seek input about the project. Outreach was conducted by both Fresno Housing and DBH. The renovated site will have the community space and managers office in one of the residential buildings. There will be full renovation of kitchens, bathrooms, appliances, new flooring, HVAC systems, roofing and exterior repair. DBH will provide services onsite to residents at no charge. The site will focus on housing tenants at risk or with instances of homelessness with no or low incomes.

Past Board Actions:
- June 25, 2019: approved the allocation of up to twenty-seven (27) project based vouchers
- June 25, 2019: authorized the acceptance of Low-Income Housing Tax Credit (LIHTC) award
- February 26, 2019: authorized the submission of a 9% LIHTC application and other funding applications
- January 22, 2019: approved the submission of an application to the No Place Like Home program

the Fresno Bee and listed with the local Builders Exchange; and,

WHEREAS, Johnston Contracting was the firm recommended by a diverse panel of
Authority staff and two external panelists and demonstrated the capacity and experience to
complete the project; and,

WHEREAS, the Authority desires to enter into a contract with Johnston Contracting for the
services specified in their proposal, at a cost of $75,000 for pre-construction consultancy services
and for a fee not to exceed 14% of the construction budget; and,

NOW THEREFORE, BE IT RESOLVED that the Board of Commissioners of the Housing
Authority of the City of Fresno, California, hereby authorizes Preston Prince, CEO/Executive
Director, Tracewell Hanrahan, Deputy Executive Director, or their designee, to negotiate and
execute on behalf of the Authority a GC/CM contract with Johnston Contracting for The Villages
at Paragon project.

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary

The Villages at Paragon housing development project received an award of Low Income Housing Tax Credits (LIHTC’s) on June 12th, 2019. Staff also received an award of No Place Like Home (NPLH) housing funds on June 14th, 2019. These funds will be used to develop much needed housing for homeless individuals.

At the January 22, 2019 Board meeting, the Boards authorized entering into a Memorandum of Understanding with the County of Fresno’s Department of Behavioral Health (DBH), to collaborate on the development of permanent supportive housing for Fresno County residents, allocating $2,183,000 in non-competitive NPLH funds, as well as $6,168,706 in Special Needs Housing Programs (SNHP) funds to the Fresno Housing Authority (FH). The County of Fresno’s Department of Behavioral Health (DBH) served as the lead applicant and service provider, and FH’s role is the development sponsor and project owner/borrower. Plaza Terrace received an official award notice for $3,616,466 in NPLH funds on June 14, 2019.

The project consists of one existing 30 unit property located 4041 Plaza Drive West, Fresno CA 93702 (APN: 454-295-09T) on approximately 0.68 acres. The site is zoned RS-5 Medium Density Residential. Staff has a rehabilitation plan that will allow for the complete redevelopment of the site, along with the addition of community and open space.

As the result of an Agency Request for Qualifications (RFQ) (Q16001) on March 6th, 2017, Anne Phillips Architecture was one of the selected successful proposers as part of a general architectural services vendor pool. Anne Phillips Architecture was brought on board to complete preliminary architectural drawings for the submission of a site plan review to the City of Fresno for The Villages at Paragon housing development.

The purpose of this memo is to recommend an expansion of the Anne Phillips Architecture contract for the development of detailed construction drawings and the administration of the construction phase for The Villages as Paragon housing development. The proposed contract totals approximately $415,000.
**Recommendation**

It is recommended that the Boards of Commissioners of the Fresno Housing Authority approve the proposed contract totaling approximately $415,000 with Anne Phillips Architecture, to perform architectural services for The Villages at Paragon housing development and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to negotiate and execute all agreements and ancillary document in connection therewith.

**Fiscal Impact**

Staff is seeking approval for an architectural contract of approximately $415,000. The work will ultimately be paid for out of the project development budget with the sources of funding generated for this project. Until the construction finance closes, the design contract work will be funded with the approved pre-development budget.

**Background Information**

The Villages at Paragon apartment complex is located near the corner of Belmont and Cedar Ave (APN: 454-295-09T). The site is 0.68 acres and currently has 30 existing units that were previously operated as reunification housing for mothers and families (the El Puente program). Outreach has been conducted to nearby residents, commercial tenants, schools and others to inform them and seek input about the project. Outreach was conducted by both Fresno Housing and DBH. The renovated site will have community space and a manager’s office in one of the residential buildings. There will be full renovation of kitchens, bathrooms, appliances, new flooring, HVAC systems, roofing and exterior repair. DBH will provide services onsite to residents at no charge. The site will focus on housing tenants at risk or with instances of homelessness with no or low incomes.

Past Board Actions:

- June 25, 2019: approved the allocation of up to twenty-seven (27) project-based vouchers
- June 25, 2019: authorized the acceptance of Low-Income Housing Tax Credit (LIHTC) award
- February 26, 2019: authorized the submission of a 9% LIHTC application and other funding applications
- January 22, 2019: approved the submission of an application to the No Place Like Home program

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary

Fresno Housing intends to submit nine (9) renewal applications for a total of $2,547,823 to the U.S. Department of Housing and Urban Development (HUD) Continuum of Care (CoC) for the continued operation of homeless assistance programs.

Renewal applications to be submitted to HUD comprise the following programs: two (2) legacy Shelter Plus Care programs; three (3) Renaissance programs; one (1) rapid rehousing program for families; one (1) rapid rehousing for individuals/families; two (2) Homeless Management Information System grants; and one (1) CoC Planning Cost. These applications were submitted to the local review panel on August 12, 2019. This local review panel met on August 19-20, 2019, with final results announced on September 5, 2019.

HUD requires the Board of Commissioners approve submission of all CoC applications. The final applications, along with the community Consolidated Application is due to HUD on September 30, 2019.

Recommendation

It is recommended that the Board of Commissioners of the Housing Authority of the City of Fresno and the Board of Commissioners of the Housing Authority of the County of Fresno adopt the attached resolutions authorizing: (a) submission of application to the U.S. Department of Housing and Urban Development for Continuum of Care program funding; (b) execution, by the Executive Director, or his designee, of any resulting contract(s), and associated amendments; (c) to hire related personnel to administer the program(s) in accordance with the funding requirements.

Fiscal Impact

CoC regulations require a 25% cash or in-kind match for funding awarded. Although FH has submitted funding proposals; adjustments may be made
through either the local review or HUD final award. Please see the attached chart for anticipated 2019 funding amounts and match requirements.

**Background Information**

Across the country communities establish Continuums of Care to provide a coordinated response system to persons experiencing homelessness. These organizations are comprised of various stakeholders engaged in homeless services. The Fresno Madera Continuum of Care (FMCoC) has thirty (30) organizations including domestic violence, substance abuse, county mental health, county social services and nonprofit organizations.

Annually HUD conducts a national competition for CoC funding which lasts approximately ten weeks. Resultant rewards are largely based on the strength of the community Consolidated Application which is completed by the Collaborative Applicant - Fresno Housing acts as the Collaborative Applicant for the FMCoC. In this application, the Collaborant Applicant details the community coordinated response to homelessness with strategies as alignment of resources across both CoC and non-CoC funding, the use of streamlined processes to provide appropriate housing services, known as Coordinated Entry and use of data analysis to gauge community progress towards reduction of homelessness. In recent years, Fresno has consistently scored in the top 20% of the country.

SUBJECT: Real Estate Development Update

Executive Summary
Staff will present an overview of current real estate activities.

Recommendation
None at this time. Informational only.
EXECUTIVE SUMMARY

The purpose of this memo is to request the Boards of Commissioners’ approval to submit the 2020 Agency Plans which include the Five-Year Plan, Annual Plan, Administrative Plan, and the Admissions & Continued Occupancy Plan for the Housing Authority of the City of Fresno and the Housing Authority of Fresno County to the U.S. Department of Housing and Urban Development (HUD). These documents must be approved by the Boards of Commissioners and submitted to HUD at least 75 days before the end of the Agency’s fiscal year, which is no later than October 17, 2019.

As reported to the Boards of Commissions in July and August, staff has been working internally along with the Resident Advisory Board (RAB) committee to incorporate feedback into the 2020 Agency Plans.

45-DAY COMMENT PERIOD

The 45-day public comment period began on July 26, 2019 and ended on September 8, 2019. During the public comment period the four (4) draft versions of the Plans were made available electronically via the Fresno Housing (FH) website for review. The public comment period was announced via the Fresno Bee and the FH website. The notice instructed the public on how to access, review, and comment on the proposed changes to the Plans. Comments were accepted 24 hours, 7 days a week via the dedicated email account. Comments were also accepted by phone or in person during FH business hours. Hard copies of all four (4) draft Plans were also made available for viewing at the six (6) locations listed below:

- Main Office – 1331 Fulton Street, Fresno, CA
- Fairview Heights Terrace – 2195 S. Maud, Fresno, CA
- Sequoia Courts Terrace – 515 S. Modoc, Fresno, CA
- Wedgewood Commons – 2415 5th Street, Sanger, CA
- Firebaugh (Housing Authority Office) 1625 Allardt Drive, Firebaugh, CA
- Parkside Apartments – 36200 North Giffen Avenue, Huron, CA
Staff from the Assisted Housing Division (AHD) and Housing Management Division (HMD) programs held RAB meetings with the applicable program participants during the Agency Plan process. Both departments also collaborated in “office hours” held throughout Fresno County. As mentioned in the July and August Board meetings, the office hours were set to give residents an opportunity to speak to staff, ask questions, and provide general information about the Agency Plans. These efforts increased interest and participation in the RAB committee. The RAB members were given the opportunity to establish the meeting times and were reminded of the meetings via mail, email and/or by phone. The general public was advised of the office hours and RAB meetings via the FH website, social media and via email blasts to residents and participants. The RAB minutes and comments are attached to this memo as Attachment E1-E2.

Staff received seventeen (17) comments, one (1) from the public, seven (7) from Fresno Housing Authority (FH) staff/consultant and nine (9) from residents. There were nine (9) comments that resulted in proposed changes to the current draft plans. There were seven (7) proposed changes to the Admin Plan, two (2) proposed changes to the ACOP and two (2) proposed changes to the City and County Annual Plans. These changes are notes in Orange on the Summary of Proposed Changes and are in the documents listed below. The comments and responses are attached to this memo as Attachment E3. Below are the documents that will be submitted to HUD for review.

**Documents Attached**

- Attachment A1 – 2020 Five Year Plan – Housing Authority of the City of Fresno (draft)
- Attachment A2 – 2020 Five Year Plan – Housing Authority of Fresno County (draft)
- Attachment B1 – 2020 Annual Plan – Housing Authority of the City of Fresno (draft)

- Attachment D4 – 2020 ACOP - Housing Authority of Fresno County (draft)
- Attachment E1 – RAB Meeting Summary – LIPH
- Attachment E2 – RAB Meeting Summary – HCV
- Attachment E3 – Public Comments

Any further comments received from the public and the Resident Advisory Boards will be presented to the Commissioners at the Public Hearing to be held concurrently with the regular September Board meeting in the Central Office Boardroom on September 24, 2019. At that time, the Boards of Commissioners will be asked to adopt the 2020 Agency Plans (Five-Year Plan, Annual Plan, Administrative Plan and Admissions and Continued Occupancy Policy) for submission to HUD no later than October 17, 2019.

**Recommendation**

It is recommended that the Boards of Commissioners approve the attached resolutions and authorize the CEO/Executive Director, Preston Prince, and/or his designee, to submit the 2020 Agency Plans:
Five-Year Plan, Annual Plan, Administrative Plan, and Admissions & Continued Occupancy Policy on behalf of the Housing Authority of the City of Fresno and the Housing Authority of Fresno County by the deadline of October 17, 2019.

Housing Management Division (HMD)
Resident Advisory Board (RAB) Meeting Minutes

Date: Thursday, August 8, 2019 @ 4:30 PM
Location: 1331 Fulton Street, Fresno, California

The meeting was called to order by Blanca Navarro at 4:37 PM, and members present are as follows:

PRESENT: M. C. Resident
J. E., Resident
A. V., Resident
A. E., Resident
M. G., Resident
M. L., Resident
Michael Duarte, Director Planning and Community Development
Hilda Reeves, Assistant Director, Property Management
Kerissa Teel, District Manager
Tracy Navarro, District Manager
Blanca Navarro, Quality Assurance Analyst

1. FRESNO HOUSING STAFF INTRODUCTIONS

Blanca Navarro welcomed all who attended the meeting. The meeting started with Fresno Housing (FH) staff and RAB member introductions. A quick summary of the site visit meetings was provided along with a brief explanation of the function and purpose of the Resident Advisory Board. Binders including the 5 Year Plan, Annual Plan and ACOP were provided to each RAB member along with a comment form. It was emphasized how valuable their feedback is to the process. The meeting was conducted in English with Spanish translation.

2. GUIDED TOPICS

Presentation Overview:

Hilda Reeves presented a brief explanation of what significant changes, staff recommendations, and Housing and Urban Development (HUD) regulatory changes. The presentation also went through a timeline including important dates in the annual policy review process. Attendees were given an opportunity to ask questions after each section was explained.
Significant Changes:

No Significant Changes this year.

Staff Recommendations:

No comments received.

HUD Regulatory Changes:

No comments received.

Additional Questions:

Q: Why do you close the waitlist?

A: The list may be long for some of the list. This gives an opportunity to go through the applications to house accordingly. With the list being longer, chances are people move and do not update their information so we are not able to house them.

Comment: There should be volunteer programs for youth. Kids are using drugs because they do not have much to do.

Response: Comment acknowledged will need further discuss or review.

Questions asked specific to resident’s individual needs, i.e. work orders, complaints, etc. were referred to their site office.

3. CLOSING AND NEXT PROPOSED RAB MEETING DATE

Blanca thanked everyone for attending and advised that the next meeting is expected to be held on August 29, 2019, prior to the closing of the comment period.

4. ADJOURNMENT

There being no further business to be considered by the RAB Committee, the meeting was adjourned at approximately 5:30 PM.

INTRODUCTIONS

Blanca Navarro welcomed everyone in attendance. The meeting started with Fresno Housing (FH) staff and RAB member introductions. There were a couple of new RAB members in attendance. The meeting was conducted in English with Lorena Betancourt translating in Spanish for RAB members who requested translation.

1. AGENCY PLANS

Presentation Overview:

Blanca Navarro presented a recap of the process along with where we are on the timeline. The last day to receive Public Comments is September 8, 2019. That will be followed by a Public Hearing on September 24, 2019 at 5:00 PM and Board Approval.
Once approved the Plans will be submitted to HUD on October 10, 2019 and the changes will take effect on January 1, 2020.

2. **Updates to Comments received**

Hilda Reeves explained that we have reviewed the comments received up to date and most of them were not specific to the currently proposed policy changes, but are good information for us to review and discuss further with our Property Operations and Maintenance team. The comments received were mostly related to lease enforcement and operational procedures. Hilda explained that although the feedback and comments received were unrelated to the policy changes, we understood that they are important to our residents and that we would be sure to address them. Follow up meetings will be scheduled to review any items not addressed as part of the Agency Plan review. It was emphasized how valuable their feedback has been to the process.

3. **ADMISSIONS AND OCCUPANCY POLICY (ACOP)**

Hilda explained that the ACOP is a very large document and can be overwhelming. She understood that they may not have had an opportunity to review it in its entirety. She reminded them that during the first RAB meeting we provided and reviewed the summary of changes proposed by staff for the upcoming year. She explained that the ACOP covers so much more, such as the process of how to apply for housing, rent determination, continued eligibility, and terminations. She reminded the members that the ACOP is available electronically or as a hard copy. Each RAB member was provided with a copy of the Table of Contents of the ACOP to review in the meeting and were asked to let us know what areas they were interested in discussing further. The ACOP was displaced on the screen. With each question, the corresponding policy was displayed and read through with the group. During the review process there were several questions regarding the Pet Policy. Specific questions are covered in Section 5 of these minutes. The RAB members were also interested in the reasons that someone can be denied housing for. We displayed Sections 3.24, Section 3.25, and Section 9.10. It was explained that HUD has mandatory guidelines for denials that we must follow; such as being a registered lifetime sex offender or manufacturing methamphetamines in public housing. There are other reasons that HUD says that someone can be denied for which we also reviewed in the above Sections.

4. **QUESTIONS AND ANSWERS**

Q. A. E. (resident) asked about the reporting period for household and income changes and how it would affect his rent, Section 17.18.
A. The section Mr. E. was referring to was a proposed change for the Administrative Plan for the Housing Choice Voucher program not the ACOP. Blanca and Hilda explained that for Public Housing the change was made to the 2019 Policy and was already in effect. Before the 2019 changes, the time allowed to report a change was ten (10) days. The new Policy changed that to thirty (30) days. This allows more time if someone has a change, such as has a baby or has a change in income. It was explained that in addition we also changed when we would increase the rent if the income increased. The policy allows Fresno Housing Authority to capture the increase in income at the next annual certification rather than increasing the rent the following month.

Q. G. B. (resident) asked about On-Site Managers at his complex, his concern was the site person is not there every day.

A. Hilda explained she will look into the matter, however explained that the site person has two (2) properties in Sanger and half of the time would be spent at Blossom Trail and the other half would be at Wedgewood.

Comment: A. E. (resident) asked to review Section 10.5, Refusal to Register Pets. He also commented that where he lives there are big dogs and they have spoken to the Manager about them.

Response: Section 10.5 was displayed and Hilda explained that we have a Pet Policy for all our properties that addresses breed restrictions, weight limit, pet deposit, the number of pets you can have, and rules for taking care of the pet. Everyone signs the Pet Policy and if a pet is approved, then a pet deposit is collected. The policy also explains what rules apply regarding how to care for a pet, such as picking up after the pet, keeping them on a leash, providing proof of shots and maintaining a sign in the window/door letting maintenance staff know there is an animal in the home. She also explained that the law provides for a person with a disability to request an accommodation for a service animal or companion animal. These animals are not considered pets. Service or companion animals cannot be limited by a breed restriction or weight limit and do not have to pay a deposit; however, all other rules apply; how to care for a pet, such as picking up after the pet, keeping them on a leash, providing proof of shots and maintaining a sign in the window/door letting maintenance staff know there is an animal in the home. If the animal creates a problem such as biting or attacking someone, then the action must be addressed. Management can then require that animal be removed because of the action, not because of the weight or breed. There is a process for requesting the service animal or companion animal through a reasonable accommodation request, which is confidential. If you see dogs on the property, you can
call the site office to report it but we may not be able to share our findings with the reporting resident.

Q. R. Y. (resident) asked what Breach of Lease meant in Section 18.2

A. Hilda gave a hypothetical example of a minor lease violation that would constitute a breach of the lease but not be considered a material violation. This type of violation would allow management to issue a lease violation and conference the family. However, if the same behavior continued to be a problem, it could then become a material violation depending on the seriousness and frequency of the action.

Q. A. E. (resident) asked about illegal drug activity and lease terminations, Section 13.5, Terminations by FH-Other Authorized Reasons. What can be done when there is illegal drug activity, someone is selling drugs.

A. Hilda advised that we get calls regarding some of these issues; however, no one puts it in writing or wants to call the police. In order for management to enforce the lease we often times need something that will hold up in court; in other words, we need to be able to prove it. It is a legal matter and there needs to be evidence. The help of our residents and RAB Committee members can be crucial. This will be discussed in the individual follow up meetings that will be held at the individual sites.

Q. Vehicle parking and disabled parking

A. Hilda explained that this is a hot topic. If the property has covered parking then we can assign a parking space to each resident, however if there is no car ports then we would need to mark parking stalls as “resident parking only”. Each resident would receive one parking sticker that would allow them to park in a marked stall. Any additional vehicles would have to park in visitor parking or unmarked parking stalls. Handicap stalls are a legal issue. If the parking is a designated handicap, then only a person with the disabled placard or plate can park in that stalls. Likewise, a handicap stall cannot be assigned to a resident as anyone with a handicap placard or plate can legally park there.

Concerns: Lighting issues at Monte Vista

Tracy made a note to have maintenance check the lighting at Monte Vista.
5. **CLOSING AND NEXT PROPOSED RAB MEETING DATE**

Blanca and Hilda thanked everyone for attending and advised that the next meeting will be on September 5, 2019, prior to the closing of the comment period.

6. **ADJOURNMENT**

There being no further business to be considered by the RAB Committee, the meeting was adjourned at approximately 5:30 PM.

1. WELCOME

Blanca Navarro started the meeting by thanking the RAB members for their attendance and participation in the Agency Plan process. The meeting was to address any questions or concerns they may have regarding the policies and to collect any comments or suggestions before the comment period ends. The meeting was conducted in English with Lorena Betancourt translating in Spanish for RAB members who requested translation.

2. AGENCY PLANS RECAP

Ms. Navarro reminded the RAB members of the Agency’s two (2) main policies, one for the Section 8 program and one for Public Housing, which is the policy we follow for the program they live in. As discussed at the beginning of this process, HUD has rules and
regulations that housing authorities must follow and rules that HUD gives the Agency discretion on. Through these meetings, there have been great discussions on the current policies. As discussed the Summary of Proposed Changes are recommendations to provide clarity or improve processes. If there are any questions or concerns on these, this is the time to make suggestions. RAB members were reminded that the last day to submit public comments is September 8, 2019. There is a Public Hearing on September 24, 2019 at 5:00 PM followed by the request for the Boards to approve the Agency Plans for submission to HUD no later than October 17, 2019. These changes would then become effective on January 1, 2020. The members were encouraged to attend the meeting on September 24, 2019. The members were also advised that there are monthly Board meetings held at our Central Office and that they are welcome to attend. These meetings are held the last Tuesday of each month at 5:00 PM and are open to the public.

3. **QUESTIONS AND ANSWERS**

**Concerns:** Eric Payne had concerns regarding the time of the meetings, he suggested they should be after 5:00 PM to give working families an opportunity to attend. Mr. Payne also voiced his concerns regarding providing childcare during these meetings so that more families with these barriers can attend. Fresno Housing should provide translation services in the form of head set equipment for individuals that do not speak English. Mr. Payne asked if the RAB Committee had received the documents for review prior to the meeting (09/05/2019). He mentioned these are preliminary concerns and his agency is preparing formal comments to submit by the public comment period deadline of September 8, 2019. Mr. Payne also addressed concerns regarding a few sections on the Summary of Proposed Changes to the ACOP. His concerns were regarding the following sections:

Section 5.0, Occupancy Standards, the maximum person guidelines were updated to meet industry standards, there were questions about industry standards?

Section 7.5, Verification of Income – what if the family does not have the means to obtain the needed income verification?

Section 7.11, Family Relationships – Verification of Citizenship/Eligibility Immigrant Status, added language for Program alignment.

Mr. Payne added that his agency had concerns about the Resident Lease Agreement, stating that the lease imposed public safety issues for public housing residents and punitive actions against children, guests, and residents. He used the examples of “laughter in the hallways” and residents facing possible evictions due to the actions of their guests. Mr. Payne stated that there is a culture of fear with immigrant housing
and over policing. He encouraged the RAB Committee to ask these questions in regards to these policies.

Response: Ms. Navarro responded to Mr. Payne’s question with regard to Section 7.5, Verification of Income, the changes were made for clarification of what documents are acceptable for income verification. Ms. Navarro also explained that HUD requires FH to pull a report from EIV, which is reviewed with the residents regarding income from wages, unemployment, or social security and SSI. This report is used to confirm income and send out verifications. Regarding Section 7.11, Ms. Navarro explained that HUD requires verification of Citizenship/Eligibility Immigrant Status. This language was added to the ACOP to be consistent with the Housing Choice Voucher Program. The procedure itself, did not change. Ms. Navarro advised Mr. Payne that his concerns were noted however, he needed to complete and submit a public comment form.

Comments: Mr. J. E. (resident) advised the committee that he and A.E. have gone around their complex to share the discussions on the proposed changes. They have the comment forms with them for the residents to complete.

Response: This is a great way to get your community involved in the process. Thank you for reaching out to your community.

4. CLOSING AND NEXT PROPOSED RAB MEETING DATE

Ms. Navarro thanked everyone for attending and for everyone’s participation and collected comments from the RAB Committee. They were encouraged to attend the Public Hearing and Board Meeting on September 24, 2019 at 5:00 PM at the Central office.

5. ADJOURNMENT

There being no further business to be considered by the RAB Committee, the meeting was adjourned at approximately 5:30 PM.

   - GG, HCV resident  
   - LC, HCV resident  

   TOPICS:  

2. WELCOME AND STAFF INTRODUCTIONS  
   Aurora Ibarra welcomed all who were in attendance of the meeting. She began the meeting by having each staff member and resident introduce himself or herself along with a brief explanation of how long they have been a RAB member. Staff also did introductions and explained their job functions at the agency.

3. RESIDENT INTRODUCTIONS  
   BT is a resident who has been on our HCV program since 2002 and this is his second year on the RAB committee.

   GG was very happy to attend another RAB meeting. Adam Smith congratulated GG on her most recent graduation from Fresno State.

   LC became a participant in December 2017 or January 2018.

   RR was also happy to attend again.
VG has been on our program since 2010.

TJ expressed his excitement to be on the RAB committee again.

**BACKGROUND AND TIMELINE**

A. Aurora gave background on the Agency Plan, Five Year Plan, and the Agency Annual Plan. She defined that the Agency Plan informs HUD and the public of PHA policies, operations, funding, asset management, and program activities in place or planned for meeting local housing needs and goals.

She stated that the Five Year Plan is submitted every 5 years and describes the agency’s mission and long-term plan for achieving the mission over the subsequent 5 years. The Annual Plan updates on progress, amendments or significant changes.

B. Administrative Plan

Aurora explained how the purpose of the Administrative Plan is to clearly outline the policies that govern the Housing Authority’s administration of rental assistance programs. The plan includes program requirements established by HUD, as well as discretionary policies established by the Housing Authority. She emphasized how our Admin. Plan is our commitment to our community.

C. Time line

Aurora reviewed the time line for this year’s RAB committee meetings:

- March: Internal kickoff review and chapter assignments
- May - Sep: Resident engagement meetings
- June: Update Housing Authority commissioners on proposed changes
- July: Presenting proposed changes to Housing Authority Commissioners
- July (1st 2 weeks): 45-Day Public Comment period began
- Aug: Public Comment period closes
- Sept: Public Hearing/Request Board Adoption
- October 17: – Submit Annual plan to HUD

4. **UPDATES TO INTEREST LIST APPLICATION**

A reminder was given for the Interest list that opens on June 5th of this year.

Aurora went over the changes to the online application process based on feedback given by the committee the previous year. Aurora went over the application process step-by-step and pointed out updates to the Eligibility section for clarification. She also made note of any new recommended changes that could be helpful for the upcoming opening date. One new recommendation that was given was for the Special needs screen that needed wording to be removed to help explain that the screen is for statistical purposes only and not for preference.
5. **DISCUSSION ON HCV POLICIES**

Aurora discussed about a new policy that will soon be implemented by HUD is the Achieving a Better Life Experience (ABLE) Account. An ABLE Act is a tax advantage savings account for individuals with disabilities and their families. The beneficiary of the account is the account owner, and income earned by the accounts will not be taxed. Contributions to the account, which can be made by any person (the account beneficiary, family and friends), must be made using post-tax dollars and will not be tax deductible for purposes of federal taxes, however some states may allow for state income tax deductions for contributions made to an ABLE account.

For the first time in public policy, the ABLE Act recognizes the extra and significant costs of living with a disability. These include costs, related to raising a child with significant disabilities or a working age adult with disabilities, for accessible housing and transportation, personal assistance services, assistive technology and health care not covered by insurance, Medicaid or Medicare.

6. **PROGRAM MARKETING**

Several concepts were suggested in regards to marketing strategies for our agency. Aurora stated that there are three larger Housing Authorities that participate in a Rent Reform Pilot Program, and our agency has submit a letter expressing interest in participating in that program as well for our own marketing purposes. Last year Fresno Housing Authority (FHA) participated in a pilot program of our own, the Outreach to Landlords to help educate, inform and entice new owners in participating with Section 8.

One suggestion made by LC was to create a way for Fresno Housing Authority to recover funds for damages caused by tenants to owners that exceed the amount of the tenant’s deposits such as a contract that is signed by both owner and tenant as a new incentive. Aurora explained how not all funding we receive is FHA’s; therefore our agency is not in a position to compensate owners in that manner at this time.

VG stated that when she was a participant of Section 8 in another state, that agency required their participants to sign very strict inspection contracts every six to eight months that stipulated as to what was allowed and not allowed in Section 8 units/homes. She felt that a similar contract for Fresno could help hold tenants accountable for damages and aid as an incentive for owners.

Aurora also explained on the possibility of mandatory meetings for participants that are in the move process to help participants with the skill set of responsible unit searching and help maintain good residents. It was also suggested to categorize participants by those who put in better effort by attending the mandatory meetings.

7. **QUESTIONS AND ANSWERS**

One question asked throughout the meeting by TJ was the difference between Low Income Public Housing (LIPH) and Housing Choice Voucher (HCV) programs. Aurora explained that for LIPH the assistance was attached to the unit assigned to the resident, and for HCV
the assistance is given to the resident to follow the resident wherever they move in the program.

Another question asked by BT was whether having a case manager helps a person’s chances of obtaining Section 8? BT was answered by Mary Helen Caggianelli that he previously participated in Fresno Housing’s Special Programs before he obtained Section 8, but it did not help his chances of obtaining Section 8 since the draws are done on lottery base selection regardless of whether they belong to one of our other programs or not.

TJ also asked whether an applicant could change information that was already entered during the application process. Christine Muro answered, most likely no. The only information that can be changed or updated is the applicant’s contact information such as the address.

8. **CLOSING**

Aurora and Adam Smith thanked everyone for attending the meeting.

9. **ADJOURNMENT**

There being no further business to be considered by the RAB Committee, the meeting was adjourned at approximately 4:09p.m.

TOPICS:

2. WELCOME AND STAFF INTRODUCTIONS

   Adam Smith welcomed all who were in attendance at the meeting. The meeting started with an overview of the Annual Plans and HCV Admin Plan timeline. Each staff member introduced themselves, along with the title of their position. An explanation of the purpose for the resident advisory board was provided.

3. RESIDENT INTRODUCTIONS

   Residents introduced themselves and identified whether they were from the Housing Choice Voucher program or the Low Income Public Housing program.
4. **UPDATES TO INTEREST LIST APPLICATION**

Christine Muro provided updates made to the interest list application as a result of resident feedback gathered during previous RAB meetings. The following updates were provided:

a. The “Special Needs” section on the application is for statistical information purposes only. To help avoid confusion that section was placed at the end of the application, and the header was changed to bold letters that read “Informational purposes only”.

b. Language was reworded to include Yes or No type questions to help applicants understand preference descriptions.

c. The list of cities in Fresno County’s jurisdiction were posted in the boardroom during the opening of the Interest List.

5. **SUMMARY OF PROPOSED 2020 ADMIN PLAN CHANGES**

Adam Smith reviewed the following proposed 2020 admin plan changes. Attendees were given an opportunity to ask questions after each item was explained.

a. Removed previous policy to align with HMD’s policy, resulting in no fees for document reproduction.

b. Section 2.6 is being updated to clarify what information is gathered for the head of household, co-head/spouse on the online pre-application.

c. Section 3.3-Method of Selection: Clarified language on how preferences are applied to the random draw and placed on the waiting list.

d. Section 4.4-Definitions related to family composition: Added language prohibiting applications or vouchers to be issued to individuals not listed on the pre-application when the original head of household is no longer interest in receiving assistance.

e. Section 4.7 Applicant family break-ups: Language was removed to clarify as to who shall retain assistance in the instance of specific violence’s, assault or stalking in household at the discretion of Fresno Housing Authority.

f. Section 7.9.8-Verification of social security numbers: HUD’s mandatory language was added regarding acceptance of social security documents.

g. Section 13.7.2-Exception to the non-resident restriction: Added an exception to the Non-Resident restriction exception for moving due to Natural Disasters as specified in chapter 3.4.1.
6. **QUESTIONS AND ANSWERS**

**Comment:** AE gathered information on behalf of the residents at his complex about illegal drug use by underage minors. He proposed the idea of a separate policy for complexes that any children 17 or younger caught doing illegal activity on HUD property will have 3 warnings sent to the parents, with a meeting from the manager and then involvement with a youth program. If the minor continues even after the warnings then a fine would be collected of $25 for first violation, a $50 fine for second violation, and $350 for a third violation. These fines would be incentives for parents to keep the minors from illegal activity.

In response to his comment, the idea could be taken back to the Housing Management team for review. Legally the fines to parents would not be possible to implement due to Fair Housing issues. Counseling from the manager and involvement with youth programs could certainly be a recommendation.

**Comment:** TJ expressed that several applicants do not apply for Section 8 assistance because they have previous criminal history. They feel that even if Housing Authority approves them for the program, individual managers of complexes perform their own background checks and do not allow the applicants to move in to their complexes.

In response, it was suggested for a possible “Risk Mitigation Fund” as a security reassurance to compensate property owners for damages from different types of reasons or possible scenarios. This fund could entice property owners into taking the assumed risk of renting to these applicants. This fund could also be implemented in the next phase of the property owner out reach. Along with the understanding that Fresno Housing Authority can require documentation from applicants showing proof of improvement from their criminal history.

**Comment:** Another concern was in regards to rent increases from owners that seem to be at high percentage rates for some locations without the upkeep to the apartment complexes.

The reply to that concern was that Fresno Housing Authority has Market Specialists that perform rent comparables that are based on competitive market rates on assisted units in the area, or they have the option to send an inspector out to view the quality and condition of the complex. Either process is reviewed before an increase is determined and approved. The State has an Affordable Housing Program with Tax Credits, which set rent limits for properties with this type of funding. The program had not seen an increase in the past two (2) years. This year there was an increase of approximately 9%, which went into effect on April 24, 2019. All management companies are required to give tenants a 30-day notice if the increase is less than 10%.
Comment: BT asked how funding was going for Fresno Housing Authority.

BT was assured that Fresno Housing Authority is fully utilizing all of its vouchers allocated to the agency. As a continuing resolution, until Congress has finalized a budget, Fresno Housing Authority will continue to fund all of its participants.

Comment: A second question asked by BT was how does I.C.E. affect Fresno Housing Authority?

In response, BT was informed that our agency is under the “Housing” umbrella of the Department of Housing and Urban Development and not under the Homeland Security, therefore unaffected by I.C.E.

7. CLOSING

Adam Smith thanked everyone for attending and reminded everyone of the next RAB meeting, August 30, 2019 and the offsite meetings that will be held on August 28th, September 3rd, and September 4th.

8. ADJOURNMENT

There being no further business to be considered by the RAB Committee, the meeting was adjourned at approximately 3:29p.m.

There was a 3rd meeting of HCV RAB of the City and County of Fresno (HACCF) on Friday, August 30, 2019, at the offices of HACCF, located at 1331 Fulton Street, Fresno, California.

1. The meeting was called to order by Adam Smith at 3:07p.m., and members present were as follows:

   **PRESENT:** Aurora Ibarra, Senior Housing Manager
   Christine Muro, Housing Programs Manager
   Brenda Smith, Assistant Manager
   Adam Smith, Quality Assurance Analyst

   WT, HCV Resident
   TJ, HCV resident

**TOPICS:**

2. **WELCOME AND INTRODUCTION**

   Adam Smith welcomed all who were in attendance of the meeting. He began the meeting by updating the members on the RAB off-site Outreach meetings and their locations in which they are held in the hopes of increasing membership count. Each member in attendance was provided with a draft of the Proposed Summary of Changes, the Table of Contents of the Housing Choice Voucher (HCV) Administrative Plan. A copy of a submitted Comment by Robin Walls was also included.

   **Q:** TJ asked if members were allowed to invite other residents.

   **A:** Adam responded that TJ is welcome to invite other residents, however, to be a RAB member we (Fresno Housing Authority) do like to talk to the residents before attendance and make sure that the RAB committee is something each person would want to do.

   **Comment:** TJ also added that he goes on his resident portal all the time. He feels the portal is easy to access, it is very well put together, not a children’s website, looks professional and multi-cultural.

   Adam informed members that the agency is also entertaining proposals for the lobby re-design. Aurora Ibarra explained that the agency is in the process of interviewing vendors and how a meeting was held last week with one vendor. Her primary concern is that she would really like to have an environment that is welcoming, that clients feel safe and
employees feel safe. Marrying the two ideas and making the lobby feel welcoming and not restrictive.

Comments: TJ said the client area is way too small, a lot of tension due to not enough seating, the problem of being able to hear other people’s conversations with staff in booth areas, maybe adding two bathrooms for each gender.

BT feels the lobby is not kid friendly.

Adam asked both members what they thought about the Check-in system.

Comments: BT stated he did not need it due to only coming for the RAB meetings and checking in with the receptionists.

TJ felt it is beneficial. It makes people feel more important, clients can be sent to the right people.

BT expressed how other businesses are all different from each other but used the example of a kiosk in the center of the lobby where information is entered and clients are called by a number, similar to DMV. Everyone else, business wise makes clients take a number but not Housing Authority.

Aurora informed the members that our agency is also looking into a phone app that will tell you what the current lobby wait time is.

3. RE-CAP OF LAST MEETING

Adam reminded TJ about his topic of criminal activity and the reason people do not apply because of the background checks. He asked TJ if he had any follow up comments or concerns about it. Aurora asked if he looked at our policy and if he had questions or concerns on the policy.

Comment: TJ responded that he understood the policy in general. In addition, he understood that the agency has to be consistent with the state and federal government. He feels young men and women coming out of jail and incarceration, wanting to do right in life should not be penalized.

Adam reminded TJ of the topic of owners asking for high rent but not keeping up their units to that standard and if TJ had any follow up concerns to that topic.

Comment: He answered that he does not think Housing Authority has the power or jurisdiction to make a landlord maintain certain things even though clients live there. He gave the example of trash not cleaned up or towels and clothes over the balconies.

Aurora reminded members that we as the agency have a Complaint Inspection process. First step of protocol would be to contact the manager.

Brenda Smith added management should be notified first, give management three to five days, if you have not noticed movement from management then you could request a
Complaint inspection. An inspector can have a conversation with the manager, and it really determines if it is a health and safety type issue or if it is more of a curb appeal type issue.

Brenda also gave examples of a pass and a fail on Inspections. The specifications of a broken down car; a vehicle posing a safety risk vs. a car with expired tags. Neighborhoods; alley packed with garbage. Any items that fits within HQS (Inspection) for a fail item. However, we cannot write landlords/owners up on items that are not an HQS item.

Aurora explained that our agency has done a lot of training with our inspectors in the last few years, especially in regards to addressing common areas. The inspectors are trained to look beyond the unit.

Comment: TJ paid a compliment to a female inspector he had during his first inspection. He stated she was on her P’s and Q’s. He feels inspectors should check a place according to how you would want to live.

4. RECEIVED PUBLIC COMMENTS

Aurora gave a brief explanation of what a recent consultant for Fresno Housing Authority had submitted as a public comment. One of the policies the consultant wanted us to think about is if a family has an increase in income they are required to report it in 30 days. Our policy is that we do not process an increase even if you report it, unless the family requests that it be processed. If the family forgets to report it or does not report it, we consider that as unreported income and we go back and calculate it saying if it had been reported it this is how much the housing assistance payment should have been and what the families’ portion of rent should have been.

The consultant is recommending removing the requirement. We would propose to put in our Administrative plan that says any changes in increases in income (earned income, unearned income) would not need to be reported until the next annual recertification. And we are not penalizing that family for getting a new job. We are proposing to remove the policy. Except for families who report zero income. If you report zero income, we want to follow up with the family every 90 days to see if there has been any changes.

Q: How do you feel about that?

Comment: TJ responded that anything could happen within a year’s period. The one year sounds good. It gives the person a chance to focus on the next year. They know they have to focus on the next year.

Aurora reminded the members that we would process increases for families that want us to process their increase. We have families who are in the process of moving, and even though the annual recertification is not due, they may want us to increase it so that they may qualify for a higher cost unit. We have a small number of families (Family Self- Sufficiency) who get to earn escrow, like an escrow account. If they do get an increase, it goes into their escrow account and it helps them achieve a 5-year goal. Those families typically want us to process the increase so that they can put their money into their escrow account.

Comment: BT stated that not making it mandatory kind of takes the pressure off. Whenever there is a ticking clock for something, it is stressful.
Aurora also gave an example of another policy that goes hand in hand with the first policy’s recommendation, which is the change of the effective date in regards to annual recertification dates. This is a staff proposal.

The caseworker would no longer backdate the anniversary effective date; FH would make it effective on the anniversary date, unless there was a hardship to the family. The example was given of a family member losing their job, reporting it and how the annual reexamination effective date applies. She quoted the 2019 Administrative Plan, 12.7 Annual Recertification effective dates:

“In general, a decrease in family income that results in a decrease in tenant’s portion from an annual reexamination will take effect on the first day of the month following the date the change was reported.”

TJ wanted clarification of how many recertification’s there are per year. His account was checked in Yardi Voyager and his Reexamination effective date was clarified.

Comment: TJ expressed that his Caseworker (Doni Truax) is super; she is up on everything, very dedicated.

TJ felt that it was just a little bit of paperwork involved, and to him it sounded all right. Paperwork informing one another what has changed, no payment is different going up or down.

5. REVIEW TABLE OF CONTENTS OF 2020 ADMIN PLAN

Chapter 10.4.1 Emergency Fail Deficiencies.

Aurora went over the difference between owner-caused Housing Quality Standard (HQS) deficiencies as they relate to emergency life-threatening deficiencies. Thirteen deficiencies are listed in the Administrative Plan. Each item listed was analyzed. The proposal is to not cancel the contract (for these deficiencies); to work with the landlord, however we are going to Abate. Current policy was reviewed and each board member was asked how they felt about it.

Comment: BT stated he would be completely upset if the contract was cancelled.

Aurora quoted HUD regulation about having to take prompt and vigorous action on HQS violations, such as, you must abate HAP. Abatement was defined, as well as, the process and timeline. The question of what is a reasonable time frame to follow up with an owner to make sure that it gets corrected (for deficiencies) was asked.

Comments: BT responded you are going to have to come up with a better definition of emergency.

TJ gave examples to try to understand a definition of emergency. He asked what is wrong with it now (the current policy).

TJ recommended 5 to 10 days to allow for corrections to be made or a 24-hour notice according to the severity of what it is.

Aurora asked for TJ to explain on the 5 to 10 days. Was he recommending that it depended on what the situation is, but still Abate, without canceling the contract.
Emergency examples were discussed in regards to personal definitions and understandings and Admin wording.

Brenda gave clarification of the current definition vs. the new proposed policy.

Comment: BT stated he sees a big difference between emergencies. He felt that the whole section should be worded so that at least it reads that the landlord is punished and not the tenant.

6. CLOSING AND NEXT PROPOSED RAB MEETING DATE
Adam thanked everyone for their input and reassured that the member’s opinions are valued and discussed later. He reminded the members of the next off site outreach meetings in Selma and Reedley, the final public hearing on the September 24th board meeting. Aurora invited the members to come speak and represent the RAB Committee. Next RAB meeting is scheduled in October to finalize what was decided for this year.

7. ADJOURNEMENT
There being no further business to be considered by the RAB Committee, the meeting was adjourned at approximately 4:50p.m.

A proposed idea was made to somehow implement a policy where there would be stricter rules on illegal activities being done by underage youth or any residents on HUD properties (private properties), and any resident seen/caught doing these activities would be asked to please be involved in a “New youth/adult involvement program”. This would involve residents in the community, cleaning parks, work/job opportunities, to lead them away from illegal activities. If the minor continues to with the illegal activity, even after the warnings then a fine would be collected of $25 for the first violation, a $50 fine for the second violation, and $350 for the third violation. Executive Summary

The purpose of this memo is to ask the Boards of Commissioners to designate an Early Retirement Program (ERP) and offer two-years additional service credit for eligible employees, in accordance with Government Code Sections 7507 and 20903. The purpose of an ERP is to provide an opportunity and associated incentive for employees to retire sooner than they might have otherwise done so, which results in on-going cost savings as well as flexibility in backfilling positions.

On August 27, 2019, the Agency announced its intention to implement an Early Retirement Program to qualifying employees beginning October 1, 2019 and ending December 29, 2019. The Agency has received feedback from staff and, in order to allow staff more time for consideration and to provide administrative relief, decided to extend that window of opportunity to end on January 31, 2019. The new window of opportunity is within the 90-day to 180-day designated time period required by CalPERS. In addition to this announcement at the publicly-held August meeting, CalPERS requires that the Boards approve resolutions authorizing the Agency to offer Two Years Additional Service Credit for eligible employees, in accordance with Government Code Sections 7507 and 20903, which are attached. These resolutions must be accompanied by Certifications of Compliance with Government Code Sections 7507 and 20903 and a Certification of the Governing Body’s Action that affirms the adopted resolution is true and correct, both of which are attached.

Recommendation

It is recommended that the Boards of Commissioners of the Fresno Housing Authority approve the resolution to grant a designation period for two years additional service credit beginning October 1, 2019 and ending January 31, 2019; approve the certification of the governing body’s action to adopt the resolution; and approve the certifications of compliance with Government Code Sections 7507 and 20903.

Fiscal Impact
Exact costs and benefits of the program would depend on the eligible employees who choose to participate in the program. This range is outlined below:

If 100% of the eligible employees choose to participate in the program and accept two years additional CalPERS service credit, Fresno Housing would be required to pay additional annual payments of $404,636 over five years. Using a five-year amortization factor of 4.44 as required by CalPERS, these additional payments have a present value of $1.8 million.

If 100% of the eligible employees choose to participate in the program and accept the one-half annual scheduled salary payout, the full cost, paid out in 2019, would be $1.77 million.

If 100% of the eligible employees choose to participate in the program through a one-half annual scheduled salary payout and 75% of the positions are backfilled with employees in the same classification, the ongoing labor savings starting in 2020 is estimated to be $1.9 million.

In the scenario where only 20% of the eligible employees choose to participate in the program and 75% of the positions are backfilled with employees in the same classification, the ongoing labor savings starting in 2020 is estimated to be $388 thousand.

In a scenario similar to the past implementations of the retirement program, where 30% of the eligible employees choose to participate in the program and 75% of the positions are backfilled with employees in the same classification, the ongoing labor savings starting in 2020 is estimated to be $582 thousand.

In the scenarios outlined above, the labor savings in year one would potentially pay for the implementation costs of the program.

**Background Information**

The purpose of an ERP is to provide an opportunity and associated incentive for employees to retire sooner than they might have otherwise done so, which results in on-going cost savings as well as flexibility in backfilling positions. CalPERS allows participating agencies the ability to offer two-years additional service credit for eligible employees who retire during a specified window.

In developing an Early Retirement Program, the Agency has tried to address employee concerns and provide a program that would meet as many individual circumstances as possible. This program has elements similar to the previous Early Retirement Incentives offered in 2004, 2006, 2013, and 2015, all of which were successful and well-received by employees. An overview of the program is attached to this memo. In summary, the program provides for a window of opportunity for eligible employees (active, full-time regular employees as of October 1, 2019) to receive an additional (2) years of CalPERS service credits or cash equal to one-half of their annual salary up to a maximum amount of $40,000. A review of our employee demographics indicates that sixty-two employees would meet the eligibility requirements for the program.

TWO YEARS ADDITIONAL SERVICE CREDIT
GOVERNMENT CODE SECTION 20903

A public agency may amend its contract to provide two years additional service credit to a retiring member because of an impending mandatory transfer, demotion or layoff.

The agency will need to:

1. Designate the job classification(s), department(s), or unit(s) eligible for this benefit (e.g. miscellaneous or safety employees, fire, police, secretaries, Finance Department, Human Resources Unit, etc.). Anyone employed in the designated unit or classification is eligible for the two years service credit if all other requirements are met. (The benefit cannot be provided on the basis of employee organization or unrepresented groups.)

2. Designate a time period of 90 to 180 days during which an eligible member must retire to receive the additional service credit. Because the member must be in employment status and retire during the designated period, the retirement date may not be the first day of the designated period. The designated period may begin as early as one day after the effective date of the initial contract to provide the two years additional service credit or, if providing an additional designated period as early as one day after the effective date of the Resolution adopted by the governing body.

3. Certify the governing body determined that because of an impending curtailment of, or change in the manner of performing service, the best interests of the agency would be served by granting such additional service credit.

4. Certify the governing body is electing to become subject to the provisions of Section 20903 because of impending mandatory transfers, demotions, and layoffs that constitute at least 1% of the designated job classification, department, or organizational unit resulting from the curtailment of, or change in the manner of performing its services.

5. Certify that it is the governing body's intention at the time Section 20903 becomes operative that any vacancies created by retirements under this section or at least one vacancy in any position in any department or other organizational unit shall remain permanently unfilled thereby resulting in an overall reduction in the work force of such department or organizational unit.

6. Certify each member's eligibility to receive the additional service credit and non-receipt of unemployment insurance payments during the specified period.
GENERAL PROCEDURES

1. The enclosed procedures and factors can be used to calculate the approximate cost to the agency.

2. If the agency wishes to proceed with an amendment to the contract to provide Section 20903, or if the contract has been amended and the agency wishes to provide an additional designated period, contact Public Agency Contract Services to request the necessary documents.

3. After the expiration of the designated period, the agency is required to submit a list of members eligible to receive the additional service credit who retired during the designated period and also certify the agency has checked against those reported to have applied for unemployment insurance payments. Any such retired member receiving unemployment insurance payments should be reported to CalPERS, Benefit Services Division.

4. The additional service will be credited to each eligible member after he/she is receiving a monthly retirement allowance. The adjustment to the member’s allowance will include an increase for the additional service credit and a one-time payment for the allowance due retroactive to the effective date of retirement. (Questions concerning the adjustment should be directed to Benefit Services Division.)

5. The added cost to the retirement fund for all eligible employees who retire during the specified period will be included in the contracting agency’s annual valuation report for the fiscal year that begins two years after the end of the designated period.

Attachment: COST FACTORS (CON3-PA)
Two Years Additional Service Credit
Section 20903
Procedures for Calculation of Estimated Employer Cost

The cost of providing the two years additional service credit is calculated based on the member's annual reportable compensation, the cost factor and whether the agency's contract provides the Post-Retirement Survivor Allowance (Survivor Continuance) and/or an increased Cost-of-Living Allowance (COLA) of 3%, 4% or 5%.

The employer cost may be estimated as follows:

1. Determine all individuals who meet the minimum eligibility for retirement and who are employed in the designated classification, department or organizational unit.

2. Determine the annual pay rate for each person. "Pay Rate" indicates that amount of compensation a member is paid for a full unit of time. Always use the member's FULL TIME pay rate.

3. Determine the age for each person and locate the appropriate factor on the Cost Factor Chart located on page 2.

4. Multiply the annual pay rate by the cost factor, \((\text{annual pay rate}) \times (\text{cost factor}) = \text{estimated cost}\).

5. Determine whether your agency's contract provides for the Post-Retirement Survivor Allowance. If yes, proceed to step #7.

6. If your agency's contract does not provide for the Post-Retirement Survivor Allowance, multiply the value determined in step #4, above, by 0.94.

7. Determine whether your agency's contract provides for the increased Cost-of-Living Allowance of 3%, 4% or 5%. If not, no further calculations are needed.

8. If your agency's contract provides the 3%, 4%, or 5% Cost-of-Living Allowance, multiply the value determined above by 1.05 to estimate the cost of providing the additional service credit.

9. Please note the cost of any Golden Handshakes’ benefits paid out of PERF is calculated as the amount of present value of those benefits. Any benefit amounts over the IRC Section 415(b) limit will be paid from the Replacement Benefit Program (RBP) over the life of the participant. The RBP is a pay-as-you-go program. CalPERS will bill the employer annually for the benefits paid from the RBP. Please refer to the following link for the details of the IRC Section 415 & CalPERS RBP:

**HMD OPERATIONS**

Since National Night Out on August 6th, 2019, County West has started Neighborhood Watch Meetings at several properties. The first meeting was held in Firebaugh on September 11, 2019, in collaboration with the local Police Department. The meeting was a positive community event and was co-hosted by Fresno Housing and the Firebaugh Police Department. The seven properties in Firebaugh came together for this kick off event. There were 75 residents in attendance. Going forward, monthly meetings will be held at the properties. We will continue to invite the Police Department to attend each one.

In County East, staff continues to work hard on lease-ups. We have one unit left to fill at Magnolia Commons in Fowler. Staff are currently working with families as we move them back into their brand new homes at Oak Grove Commons in Parlier.

**Housing Choice Voucher (HCV) Leasing Update**

Staff continues to discuss program data and closely monitors the two-year tool both internally and with the HUD Shortfall Prevention Team (SPT) to assess 2019 HAP and Voucher utilization for both the HCV City and County programs.

In August, there were 410 applicants and participants with vouchers in hand, searching for housing (282, City and 128 County).

**PEOPLE**

**Overview**

*Fresno Housing works to respect community needs and knowledge – by listening, learning and researching – and respond to issues compassionately, intelligently, intentionally – by developing exceptional programs based on shared expectations.*

Efforts are ongoing and we will report on those items as outcomes are achieved.

**PUBLIC**

**Overview**

*Fresno Housing seeks to build support for housing as a key component of vibrant, sustainable communities through public information, engagement, and advocacy that promotes affordable housing and supports the advancement of Fresno’s low-income residents.*
Efforts are ongoing and we will report on those items as outcomes are achieved.

**PARTNERSHIP**

**Overview**
*Fresno Housing seeks to collaborate to strengthen its ability to address the challenges facing Fresno communities.*

Fresno Housing is exploring several partnerships in the course of pre-development activities.

**MANAGEMENT GOALS**

The goals of management include our efforts to stabilize, focus, and extend activities to meet the mandate of our mission through good decision making related to Sustainability (staffing, finances, effectiveness, evaluation, technology, facilities); Structure (governance); and Strategic Outreach (communications, image, visibility, public affairs, policy).

**Sustainability**

*Build and maintain an innovative, engaged, visible, and sustainable organization, committed to its mission of providing housing for low-income populations.*

**Fiscal Services**

After the Boards of Commissioners approved the 2018 annual audit, Accounting staff submitted the financial results to HUD and all other required entities ahead of the September deadline. Staff are preparing 2019 mid-year financial statements for internal review. Review of the reports and internal controls will enhance process improvements in preparation for the 2019 annual financial audit and the eventual submission of the 2019 financial statements.
Finance staff has been preparing the 2020 operating budgets. Management and finance staff have been meeting to review 2019 year-to-date results and discuss 2020 needs and expectations. Budget templates are being prepared and distributed to each department and property budget manager to develop the first draft of the 2020 budget, which will be presented to the Boards of Commissioners in October.

**Information Technology and Information Systems**

Bobby Coulter, Sr. Manager of ITS and Mary Helen Caggianelli, Manager of Resident Services met with the Fresno State Design Innovation Department to expand the partnership created through the Fresno Housing Summer Tech Camp. The expansion will include pathways for Fresno Housing Kids that are looking to attend Fresno State after they graduate from High School.

Fresno Cradle 2 Career hosted their first Data Kickoff event. Edgar Rodriguez, Database Administrator, attended and worked with community partners, service providers, and data analysts to discuss data sharing and community data needs. The information gathered at the event will be incorporated into the county wide, Integrated Data System (IDS). IDS is one crucial piece of the much larger Central Valley Community Foundation Fresno DRIVE initiative.

**Administrative Services & Procurement**

Procurement staff is finalizing contracts for Pest Control and Landscaping Services for sites in both the City of Fresno and Fresno County. Contract start dates are projected to begin at the end of September and mid October. Procurement staff is pleased to report seven proposals were received in response to a Request for Qualifications ("RFQ") for Architectural Services. Staff successfully conducted an evaluation consisting of a panel of Agency staff and outside stakeholders. Staff is finalizing contract negotiations for Architectural Services for future large construction projects and small construction services for the Agency. Facilities staff is pleased to report a Quotes for Small Purchases ("QSP") produced four qualified quotes to provide space planning and design consultation services for the board room and lobby area at central office. Lorenz & Associates was selected to help lead the central office lobby and board room redesign and has started initial concept drawings with input from staff and other stakeholders.

**Structure**

*Maintain a committed, active, community-based Boards of Commissioners.*

Efforts are ongoing and we will report on those items as outcomes are achieved.

**Strategic Outreach**

*Heighten agency visibility, facilitate community dialogue about housing solutions; and build support for the agency and quality affordable housing.*

Efforts are ongoing and we will report on those items as outcomes are achieved.
BOARD MEMO

TO: Boards of Commissioners
Fresno Housing Authority

DATE: September 18, 2019
BOARD MEETING: September 24, 2019

FROM: Preston Prince, CEO/Executive Director

AGENDA ITEM: 13a

AUTHOR: Quincy Boren

SUBJECT: Approval to Acquire the Real Property located at 1828 Broadway St. & 1840 Broadway St. in Fresno, CA

---

Executive Summary

In January 2019, the FH Board approved entry into a Purchase and Sale agreement (PSA) between the Housing Authority of the City of Fresno (HACF) and Sukhwant Singh Bains and Gian Kaur Bains, trustees of the Bains Living Trust for the real property consisting of two properties located at 1828 & 1840 Broadway St. Fresno, CA 93721 (APN 466-191-09 & 466-191-10), known as Econo Inn.

The PSA executed in January 2019 enabled FH to submit successful funding applications to the State of California Housing and Community Development (HCD) No Place Like Home Program and the California Tax Credit Allocation Committee for a component of the Econo Inn property, to be known as The Villages at Broadway. In order to meet funding award deadlines, it is necessary to move forward with the completion of property acquisition.

Recommendation

It is recommended that the Boards adopt the attached resolution authorizing Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to finalize the acquisition(s) of the subject properties APNs 466-191-09 & 466-191-10 in accordance with the executed Purchase and Sale Agreement and amendment(s) thereto.

Fiscal Impact

Concurrent with this action, FH will request an interim pre-development loan from the Housing Relinquished Fund Corporation for up to $2.3 million for the acquisition and pre-development funding related to the low income housing tax credit financed component of the project. The pre-development loan will be repaid at the financial closing.

Background Information

The Econo Inn motel complex is located at 1828 & 1840 Broadway Street Fresno, CA 93721 (APN 466-191-09 & 466-191-10) in downtown Fresno. The site is 0.64 acres and currently operated as a motel consisting of two parcels with approximately 30 motel rooms each or 60 rooms total.
Past Board Actions:

- June 25, 2019: approved the allocation of up to twenty-five (25) project based vouchers
- June 25, 2019: approved the submission of funding applications
- January 22, 2019: approved the submission of a funding application to the No Place Like Home program
- January 22, 2019: authorized approval to enter into a purchase and sale agreement for the subject property

In order to meet funding award deadlines, it is necessary to move forward with the completion of property acquisition.

This action requests Board approval for a loan commitment of $2,300,000 from the Housing Relinquished Fund Corporation (HRFC) to complete the property acquisition and related due diligence for The Villages at Broadway located at 1828 Broadway, Fresno, CA 93721 (APN: 466-191-09). The acquisition of the second parcel located at 1840 Broadway (APN: 466-191-10) is deferred until May 2020. Staff will submit a request for funding at that time.

Recommendation

It is recommended that the Boards adopt the attached resolutions approving the necessary actions:

1. Approve a loan from the Housing Relinquished Fund Corporation of up to Two Million Three Hundred Thousand ($2,300,000) for The Villages at Broadway (APN: 466-191-09) acquisition, related closing costs and predevelopment activities.

2. Provide for other matters related thereto.
**Fiscal Impact**

Staff is requesting a pre-development loan commitment of up to $2,300,000 from the Housing Reliquished Fund Corporation sufficient to cover acquisition and pre-development expenses associated with the redevelopment of The Villages at Broadway. Loan funds disbursed will be repaid at financial closing from construction sources, resulting in no permanent commitment from HRFC for this parcel. The pre-development loan will carry 5% interest.

Questions or Comments?
Executive Summary
The purpose of this memo is to ask the Boards of Commissioners to designate an Early Retirement Program (ERP) and offer two-years additional service credit for eligible employees, in accordance with Government Code Sections 7507 and 20903. The purpose of an ERP is to provide an opportunity and associated incentive for employees to retire sooner than they might have otherwise done so, which results in on-going cost savings as well as flexibility in backfilling positions.

On August 27, 2019, the Agency announced its intention to implement an Early Retirement Program to qualifying employees beginning October 1, 2019 and ending December 29, 2019. The Agency has received feedback from staff and, in order to allow more time of consideration and provide administrative relief, decided to extend that window of opportunity to end on January 31, 2020. The new window of opportunity is within the 90-day to 180-day designated time period required by CalPERS. In addition to this announcement at the publicly-held August meeting, CalPERS requires that the Boards approve resolutions authorizing the Agency to offer Two Years Additional Service Credit for eligible employees, in accordance with Government Code Sections 7507 and 20903, which are attached. These resolutions must be accompanied by Certifications of Compliance with Government Code Sections 7507 and 20903 and a Certification of Governing Body’s Action that affirms the adopted resolution is true and correct, both of which are attached.

Recommendation
It is recommended that the Boards of Commissioners of the Fresno Housing Authority approve the resolution to grant a designation period for two years additional service credit beginning October 1, 2019 and ending January 31, 2020, approve the certification of the governing body’s action to adopt the resolution, and approve the certifications of compliance with Government Code Sections 7507 and 20903.

Fiscal Impact
Exact costs and benefits of the program would depend on the eligible employees who choose to participate in the program. This range is outlined below:

If 100% of the eligible employees choose to participate in the program and accept two years additional CalPERS service credit, Fresno Housing would be required to pay additional annual payments of $404,636 over five years. Using a five-year amortization factor of 4.44 as required by CalPERS, these additional payments have a present value of $1.8 million.

If 100% of the eligible employees choose to participate in the program and accept the one-half annual scheduled salary payout, the full cost, paid out in 2019, would be $1.77 million.

If 100% of the eligible employees choose to participate in the program through a one-half annual scheduled salary payout and 75% of the positions are backfilled with employees in the same classification, the ongoing labor savings starting in 2020 is estimated to be $1.9 million.

In the scenario where only 20% of the eligible employees choose to participate in the program and 75% of the positions are backfilled with employees in the same classification, the ongoing labor savings starting in 2020 is estimated to be $388 thousand.

In a scenario similar to the past implementations of the retirement program, where 30% of the eligible employees choose to participate in the program and 75% of the positions are backfilled with employees in the same classification, the ongoing labor savings starting in 2020 is estimated to be $582 thousand.

In the scenarios outlined above, the labor savings in year one would potentially pay for the implementation costs of the program.

**Background Information**

The purpose of an ERP is to provide an opportunity and associated incentive for employees to retire sooner than they might otherwise have done so, which results in on-going cost savings as well as flexibility in backfilling positions. CalPERS allows participating agencies the ability to offer two-years additional service credit for eligible employees who retire during a specified window.

In developing an Early Retirement Program, the Agency has tried to address employee concerns and provide a program that would meet as many individual circumstances as possible. This program has elements similar to the previous Early Retirement Incentives offered in 2004, 2006, 2013, and 2015, all of which were successful and well-received by employees. An overview of the program is attached to this memo. In summary, the program provides for a window of opportunity for eligible employees (active, full-time regular employees as of October 1, 2019) to receive an additional (2) years of CalPERS service credits or cash equal to one-half of their annual salary up to a maximum amount of $40,000. A review of our employee demographics indicates that sixty-two employees would meet the eligibility requirements for the program.
Early Retirement Program

2019 Program Summary

This program is intended to provide incentives for eligible employees to retire from service with the Fresno Housing Authority.

Limited 123-day window of opportunity:

- October 1, 2019 – January 31, 2020

Eligibility Requirements:

- Active, full-time employee as of October 1, 2019, and
- Classic Members: 50 years of age on or before January 31, 2020 with at least 5 years of service credit;
- PEPRA Members: 52 years of age on or before January 31, 2020 with at least 5 years of service credit.

Retirement Incentive:

1. Cost of two years additional CalPERS service credit; or
2. One-half annual scheduled salary (up to a maximum of $40,000)
   - Amount paid as wages; and/or
   - Paid into Non-Taxable Deferred Compensation Plan (e.g. 457 Plan) in accordance with the plan’s guidelines and current deferred compensation plan contribution limits.
   -and-
3. Sick Leave Conversion Option
   100% Sick leave conversion
   - Sick leave converted to CalPERS service credit based on CalPERS current conversion formula; or
   - Amount paid as wages; and/or
   - Paid into Non-Taxable Deferred Compensation Plan (e.g. 457 Plan) in accordance with the plan’s guidelines and current deferred compensation plan contribution limits.
Early Retirement Program

Boards of Commissioners Meeting
September 24, 2019
Program Overview

• Participation Window
  – October 1, 2019 – January 31, 2020

• Eligibility Requirements
  – Active, full-time employee as of October 1, 2019, and
  – At least 5 years of service credit
  – Either:
    • 50 years of age for Classic Members
    • 52 years of age for PEPRA Members

• Incentive
  – Two years additional CalPERS service credit, or one-half annual scheduled salary (up to a maximum of $40,000)
  – 100% sick leave conversion
Fiscal Impact

- 100% participation would cost ~$1.8m in salary or service credit incentives*
- The Agency would strategically backfill approximately 75% of vacant positions to meet its current business needs
- Assuming 20%-30% participation, we anticipate that the program would pay for itself in year one
- The Agency would also realize $270k to $407k in ongoing salary savings in future years, depending on utilization
