Also, the need for childcare at the meetings to allow residents to actively participate in the meetings. Mr. Payne did not see an affirmation of Staff’s support for these items but did assume that the mention of said items was an affirmation of their support. Preston Prince, Secretary to the Boards of Commissioners
Executive Summary
The purpose of this memo is to seek the Boards of Commissioners’ approval to extend the contract between the Fresno Housing Authority and Davis Farr LLP. The Agency currently has a contract with Davis Farr LLP to provide services for the annual Basic Financial Statement audits of the Housing Authority of the City of Fresno and the Housing Authority of Fresno County, which includes all Agency instrumentalities, for year ending December 31, 2019. This will be the fourth and final extension of the contract and will be valid from December 15, 2019 through December 14, 2020.

The Boards of Commissioners originally approved this contract on September 22, 2015 with an annual contract amount of $125,000. The contract was modified for an additional $19,100 in November 2016 to provide supplementary audit services for Garland Gardens, Parkside Apartments, and an internal control review. The new contract amounts are not to exceed $144,100 per year. Davis Farr was originally selected as the successful proposer due to many factors, including their specific technical knowledge of Housing Authority audit requirements, HUD grant compliance, and governmental accounting and internal control standards.

Recommendation
It is recommended that the Boards of Commissioners authorize the CEO/Executive Director, or his designee, to extend the contract with Davis Farr LLP from December 15, 2019 through December 14, 2020 for an amount not to exceed $144,100.

Fiscal Impact
The fiscal impact of the contract extension will be no more than $144,100 in fiscal year 2020, per our contract limits. This amount will be paid by the Housing Authority and will be included in the 2020 Agency Operating Budget.

Background
In October of 2014, the Agency published an RFP to solicit proposals from qualified certified public accounting firms to perform the Agency’s annual
financial statement audits. In response, the Agency received proposals from nine (9) firms: Mayer Hoffman McCann P.C. (now doing business as Davis Farr LLP), Barman Hopkins Wright & LaHam CPAs LLC, CliftonLarson Allen LLP, CohnReznick LLP, Macias Gini & O’Connell LLP, Novogradac and Company LLP, Rector Reeder & Lofton P.C., Smith Marion & Company LLP, and Wallace Rowe & Associates.

The RFP methodology considers both technical factors and price when evaluating a proposal. Awards are based on the proposal that represents the best overall value to the Agency when considering both price and other factors including technical expertise, successful past performance, quality of proposed staffing, etc. Based on this assessment, the selection committee consisting of staff from Finance, Housing Management, and Assisted Housing (HCV), recommended Mayer Hoffman McCann P.C. (MHM, now doing business as Davis Farr LLP) for award being the top-rated proposer overall, and offering the best price of the top-three rated proposers.

On December 10, 2014 a Notice of Successful Proposer was distributed to the firms that submitted proposals outlining The Agency’s intent to enter into a contract with Mayer Hoffman McCann P.C. (now doing business as Davis Farr LLP) prior to the start of the audit for the year ending December 31, 2015. In May of 2015, however, Agency staff received notification from the audit engagement partner of MHM that the government auditing segment of the firm was in the process of separating from MHM to become a stand-alone firm by the name of Davis Farr LLP. As a result of this transaction, the government audit practice that was formerly conducted under the name of Mayer Hoffman McCann P.C. is now operating under the name of Davis Farr LLP, a separate audit firm independent of MHM.

As the awarded firm’s change in legal structure preceded the actual execution of a contract pursuant to the procurement process undertaken by the RFP, Agency staff sought assurance that Davis Farr LLP is essentially the same as MHM’s former government auditing segment, and would have been awarded the RFP had the transition occurred prior to submission of the proposal, when weighed by the same qualitative metric put forth in the Agency’s RFP. Staff’s inquiries revealed that Davis-Farr offered equivalent credentials, similar experience and similar technical capabilities compared to MHM. Davis Farr would also provide continuity of audit staff and resources, just as proposed by MHM. Moreover, Davis Farr has reviewed the proposal originally submitted by MHM and has confirmed that they will honor the same terms, conditions and pricing that resulted in MHM being selected for the award. On August 30, 2015, Marc Davis, audit principal of Davis Farr LLP, provided to the Agency a memorandum detailing his acceptance of the assignment of the audit contract to his newly established firm.

On September 22, 2015, the Boards of Commissioners for the Fresno Housing Authority approved the contract between the Agency and Davis Farr LLP for the Agency’s annual Basic Financial Statement audits for an initial term of one year, with the option to renew for an additional four (4) one (1) year periods. This is the fourth and final extension of the contract.

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary
The purpose of this memo is to seek the Boards of Commissioners’ approval to extend the contract between the Fresno Housing Authority and Novogradac & Company LLP (Novogradac). The Agency currently has a contract with Novogradac to provide services for tax credit CPA and annual audit services for the Agency’s instrumentalities and affiliated entities. Staff is requesting that the contract be extended to cover the year ending December 31, 2019. This will be the third extension of the contract and will be valid from November 1, 2019 through October 31, 2020.

The Boards of Commissioners originally approved the contract on October 25th, 2016, for an amount not to exceed $23,000, for the audits and tax returns for the Housing Relinquished Fund Corporation (HRFC), the Housing Self-Insurance Corporation (HSIC), Silvercrest, Inc., Villa del Mar, Inc., Pacific Garden Enterprises, and Housing Connections & Compliance, Inc. Staff will also be asking the Silvercrest Board of Directors to consider and approve the contract for the Tax Credit Limited Partnerships for which Silvercrest is the Managing General Partner.

Recommendation
It is recommended that the Boards of Commissioners authorize the CEO/Executive Director, or his designee, to extend the contract with Novogradac & Company LLP from November 1, 2019 through October 31, 2020 in the amount of $23,000.

Fiscal Impact
The fiscal impact of the contract extension will be $23,000 in fiscal year 2020. The cost of each audit is borne by the each specific entity and will be included in their respective 2020 budgets.

Background
In June 2016, the Agency published an RFP to solicit proposals from qualified certified public accounting firms to perform tax credit CPA and audit services.
The services requested in the RFP included many requirements that are specific to the Low-Income Housing Tax Credit (LIHTC) program, including:

- Audits and Tax Returns for Tax Credit Limited Partnerships, also known as Single-Purpose Entities,
- Tax Returns for the Limited Liability Corporations associated with those Limited Partnerships,
- Eligible Tax Basis, Qualifying Project Certifications, and Cash Flow Analysis for specific projects during the California Tax Credit Allocation Committee (CTCAC) application period, and
- Required certifications for CTCAC, including 10% Tests, Carryover Allocation Documentation, Cost Certification Statements, Final Cost Certifications/Verifications of Sources and Uses, and Placed-In-Service Packages.

In response, the Agency received proposals from six (6) firms: CliftonLarson Allen LLP, CohnReznick LLP, Eide Bailly LLP, Novogradac & Company LLP, Rubino & Company Chartered, and Smith Marion & Company LLP. The RFP methodology considers both technical factors and price when evaluating a proposal. Awards are based on the proposal that represents the best overall value when considering both price and other factors including technical expertise, successful past performance, quality of proposed staffing, etc. Based on this assessment, the selection committee consisting of staff from Finance, Development, Asset Management and two third-party property management companies, recommended Novogradac & Company LLP for award being the top-rated proposer overall.

In October 2016, Novogradac was selected as the successful proposer due to many factors, including their specific technical knowledge of tax credit requirements, multi-family housing audit procedures, and taxation rules for tax credit investment instruments, limited partnerships, limited liability corporations and non-profit entities. The Boards of Commissioners originally approved the contract with Novogradac & Co LLP on October 25th, 2016 for an amount not to exceed $23,000 annually, for a total potential not to exceed amount of $115,000.

SUBJECT: Solivita Commons (formerly Willow & Alluvial) – Architectural Services Contract

Executive Summary
The Solivita Commons (the “Project”) housing development received an award of Low Income Housing Tax Credits (LIHTC’s) on June 12, 2019. The project will bring new high quality affordable multi-family housing to the City of Clovis.

The project is proposed for 60 units at 725 W. Alluvial Avenue, Clovis, California (APN: 561-061-19s, previously 561-020-50s, 561-020-51s) on 4.175 acres. Staff has worked closely with Mogavero Architects to design a community oriented site plan for the residential units, along with the addition of community and site amenities.

Mogavero Architects was selected in a 2015 Fresno Housing Authority RFQ. Initial design work began for the project in September 2018. Upon reservation of tax credits, the design team launched on a creation of full construction plans in anticipation of a December 2019 financial closing. Mogavero Architects was again selected for the agency design pool in September 2019 (RFQ No. Q19001).

The purpose of this memo is to recommend an expansion of the Mogavero Architects’ contract for the development of detailed construction drawings and the administration of the construction phase for the Solivita Commons housing development. The proposed contract totals approximately $680,000.

Recommendation
It is recommended that the Boards of Commissioners of the Fresno Housing Authority approve the proposed contract totaling approximately $680,000 with Mogavero Architects, to perform architectural services for the Solivita Commons housing development and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to negotiate and execute all agreements and ancillary document in connection therewith.

Fiscal Impact
Staff is seeking approval for an architectural contract of approximately $680,000. The work will ultimately be paid for out of the project development budget with
the sources of funding generated for this project. Until the construction finance close, the design contract work will be funded with the approved pre-development budget.

**Background Information**

The Solivita Commons housing development is located on the northeast corner of N. Willow and W. Alluvial Avenues in Clovis, CA (725 W. Alluvial Avenue, Clovis; APN: 561-061-19s, previously 561-020-50s, portion of 561-020-51s). **Project Highlights**

Staff completed final negotiations with the City of Fresno on the Transformative Climate Communities ("TCC") Sub-Agreement for the Doragon @ Chinatown project. The City of Fresno Council unanimously approved the TCC Sub-Agreement as well as an award of City of Fresno HOME funds on October 10, 2019.
PEOPLE

Overview
Fresno Housing works to respect community needs and knowledge – by listening, learning and researching – and respond to issues compassionately, intelligently, intentionally – by developing exceptional programs based on shared expectations.

Housing Choice Voucher (HCV) Leasing Update
During the month of September staff continued to hold regular meetings to review both HAP and voucher utilization. Staff also had on-going communication with HUD’s Shortfall Prevention Team (SPT).

New voucher issuances are on hold at the current time, with the exception of families served by Veterans Affairs Supportive Housing (VASH) vouchers in the HCV City program. The team continues to monitor attrition and the impact of the strategies put in place to manage the current leasing status. Staff expects to begin issuing vouchers in early 2020.

PUBLIC

Overview
Fresno Housing seeks to build support for housing as a key component of vibrant, sustainable communities through public information, engagement, and advocacy that promotes affordable housing and supports the advancement of Fresno’s low-income residents.

Efforts are ongoing and we will report on those items as outcomes are achieved.

PARTNERSHIP

Overview
Fresno Housing seeks to collaborate to strengthen its ability to address the challenges facing Fresno communities.

Efforts are ongoing and we will report on those items as outcomes are achieved.

MANAGEMENT GOALS

The goals of management include our efforts to stabilize, focus, and extend activities to meet the mandate of our mission through good decision making related to Sustainability (staffing, finances, effectiveness, evaluation, technology, facilities); Structure (governance); and Strategic Outreach (communications, image, visibility, public affairs, policy).

Sustainability
Build and maintain an innovative, engaged, visible, and sustainable organization, committed to its mission of providing housing for low-income populations.

Fiscal Services
Accounting staff are preparing for 2019 limited partnership (LP) audits. Staff will meet with Novogradsac, the auditor for most LPs, to discuss year-end audit schedules and reporting requirements.
Additionally, Accounting staff have been working to implement a new system for issuing Utility Reimbursement Payments (URPs) to those eligible housing choice voucher and public housing families. This new system will allow for URPs to be issued electronically to families via a reloadable, prepaid debit card. This system will reduce the Agency’s administrative burden of printing and tracking paper checks while at the same time reducing the costs of check cashing for families.

Finance staff has been meeting with management to review 2019 year-to-date financial results and discuss 2020 budgetary needs and expectations. Budget templates are being prepared and distributed to each department and property budget manager to develop the first draft of the 2020 budget, which will be presented to the Boards of Commissioners in October.

Information Technology and Information Systems
Early October, the IT Department launched a new, upgraded Intranet portal. The new portal will allow staff to securely access resources for professional development, agency policies, forms, employee benefits, and department specific items. In addition, the new portal has built in automation and notification features that will enhance the Agency’s ability to communicate important information.

Administrative Services & Procurement
Procurement staff is currently soliciting three Request for Proposals (RFP’s). First, the Housing Management Department (HMD) is soliciting a RFP for security services to provide unarmed security services at Agency facilities and a few housing sites. The previous RFP for security services was solicited in 2015 and produced submissions from six proposers. Procurement staff is conducting outreach to potential vendors during the solicitation period in effort to obtain multiple proposals to evaluate and award contracts in 2020. Second, the Housing Choice Voucher (HCV) department is soliciting an RFP to award Project Based Vouchers. The soliciting period concludes at the end of October with awards being projected for November. Third, the Real Estate Development (RED) department is soliciting an RFP for General Contractor Construction Management (GCCM) services to rehabilitate the “Plaza Terrace” property. Evaluations are scheduled to begin in mid-October and will include internal evaluators from the Agency and external community stakeholders.

Structure
Maintain a committed, active, community-based Boards of Commissioners.

**HMD OPERATIONS**

HMD Staff attended a Fair Housing training that provided housing education Do’s and Don’t’s. This training affirmatively furthers the goal of equal housing opportunities for all persons.

In the month of September, Yosemite Village and Sequoia Courts kicked off their Neighborhood Watch Meetings. The first meeting was held in collaboration with Fresno Police Department’s SCSO Paula Chute. Topics covered in the first meeting were techniques to deter and prevent crime, improving the quality of life for the neighborhood and being aware of suspicious activity.

Meetings at other properties in the City of Fresno are scheduled in the month of October.

Families at the Parlier Migrant Center and Maldonado in Firebaugh are beginning to move out as the season comes to an end. Both have received extensions through November but approximately 20% of the units are currently vacant. Maintenance staff has already begun preparing those units for next season.

Magnolia Commons in Fowler is now 100% occupied. Staff is now wrapping up the lease up at Oak Grove Commons in Parlier.

**New Hires**

- Sevag Jierian, Development Finance Manager

**Promotions**

- Jeffrey Rasbeary, Maintenance Technician (promoted from Maintenance Assistant)
- Stephanie Nunez, Senior Analyst – Quality Assurance (promoted from Quality Assurance Coordinator – HMD)
- Dave Brenner, Senior Development Analyst – Special Projects (promoted from Community Development Analyst)

*Heighten agency visibility, facilitate community dialogue about housing solutions; and build support for the agency and quality affordable housing.*

Efforts are ongoing and we will report on those items as outcomes are achieved.
