Mr. Eric Payne, Executive Director of the Central Valley Urban Institute, discussed that, as it relates to the participatory budgeting process, he thinks there is a clear difference between the agency’s responsibility around public housing properties in the budget process. He believes that, in the spirit of recommendation for participatory budgeting, we should choose to be inclusive of all HCV and public housing residents, as well as those of mixed finance properties. He mentions that he is a little alarmed to learn that it’s a different process. Mr. Payne also mentions that we are in October and are 9 days away from a November outreach process. He mentions that many of the residents have been identified to be included in that process. Mr. Payne mentions that he isn’t fully aware if all the residents are aware of this process taking place. He mentions that he does have some concerns that are centered around the participatory budgeting process. He thinks it does need to be a shared democracy on how we serve and listen to our residents, and figuring out what those needs are.

She advised the Boards to connect with our legislators on a regular basis and reach out to local service clubs, such as Lions Clubs or Rotaries. Publicly speaking under item 10b were the following:

Cliff Tutelian, CEO at Tutelian & Co., wanted to follow up on the letter that was sent to the Boards the previous week. He discussed the historical vibrancy to downtown and renew his commitment to downtown. He discussed his experience in the development of housing and commercial spaces like the Civic Center Square, where he has also done previous work. Mr. Tutelian discussed his friendship with Mr. Preston Prince, which he believes, for political reasons, has deteriorated. He affirmed his willingness to work with the Housing Authority and with Mr. Prince, to no avail. He expressed his many attempts to work with Mr. Prince over 4 years, and has since decided to go to the Boards, requesting a fair opportunity to be heard and considered. Mr. Tutelian mentions that he is in the development business and works closely with downtown projects. He further stated the following: his work on the Broadway and Stanislaus Building (Kepler School), restoring the 1401 Fulton Street building, and on the Civic Center Square. After spending time, effort and money with the City’s Administration and Police Department, of which he states, Mr. Prince chose not to be a part. Further, he asks the Boards to hear and entertain his offer to purchase the parking lot located at 1331 Fulton Street, Fresno, CA 93721, and participate in further dialogue on the matter, by creating a sub-committee to negotiate, collaborate and partner with him on this matter. He mentions that he has lenders in line, is in dialog and serious negotiations, is an approved qualified developer with CVS, and a timeframe where they can start within the next 15-24 months. Mr. Tutelian further promised that his project will not only benefit downtown and south west communities, but will also attract from other communities, bring the stability of discretionary income, and further engage improvements in the neighborhood.

Barigye McCoy, lifetime resident of Southwest Fresno, advocated for Clifford Tutelian and his effort to purchase the parking lot located at 1331 Fulton Street, Fresno, CA 93721. He wanted to acknowledge the great work, both the Fresno Housing Board and staff have contributed to the County of Fresno and the cities surrounding. He states that the conception of the project
Miguel Arias, City Council Vice President, wanted to acknowledge that the Fresno Housing administrative team has been an excellent experience to work with. He stated that any project that Fresno Housing brought forward in their district, would have to include community input, engagement, and to keep the same amount of standards. He advocated for District 6, which is in need of a Housing Authority project. He stated that it would make it easier to discuss affordable housing policies when every council member gets to experience these types of projects vs. the false narrative of poor people coming to the neighborhoods. Lastly, he discussed item 10b. In his experience, development projects were given out “like candy” in the past, but no one paid attention to if those developers followed through. As a result, he has seen a lot of developers that ended up land banking properties that could have easily been developed. He mentions that we are in the peak of economic activity in the country. He wanted to make it clear, that whatever the Boards decide, they will continue to hold Fresno Housing to the same standard of the past - that the community would be involved in the development of these projects; that it would be a quality project that serves everyone; and it wouldn’t result in land banking property that could otherwise be used for a community benefit.

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary

The Fresno Housing Authority ("FH") continues to seek opportunities to develop affordable and supportive housing within this community, and the Blackstone & Simpson project is a potential development to further this goal.

The project is a new construction/rehabilitation project that is proposed to consist of 40 units of affordable housing and 1 manager’s unit. The site will have integration of both family units and permanent supportive housing units. The No Place Like Home ("NPLH") units will make up 49% of the overall project units.

Staff has been coordinating with the County of Fresno Department of Behavioral Health ("DBH") to identify projects and funding sources that would further the goals of both the FH agency mission and DBH in the provision of permanent supportive housing with supportive services. The No Place Like Home (NPLH) program has been identified as potential funding source to assist with the development of permanent supportive housing. A competitive NOFA was released on September 27, 2019 that provides for approximately $90 million in available funding for 11 counties. The County of Fresno DBH would act as the lead applicant and service provider, and FH will act as the development sponsor and project owner/borrower.

The newly constructed site will consist of 41 units ranging from Studios to 3 Bedroom units, including 1 managers unit. Community and open office space have been planned to ensure tenants have access to these opportunities on site. The targeted income for the site is 20% to 60% AMI. All residents will meet these income targets and 49% of the tenants will be required to meet the definition of "homeless" as defined by the NPLH program. These units will specifically be set aside for persons with serious mental illness who are chronically homeless, homeless, or at-risk of being chronically homeless. The other 51% will serve individuals and families in need of affordable housing. Services are voluntary and are offered to residents free of charge, and will be administered by the County of Fresno DBH. DBH has partnered with FH on
the provision of services at four permanent supportive housing sites and five (5) units within Parc Grove Commons.

**Recommendation**

It is recommended that the Board of Commissioners of the Housing Authority of the City of Fresno, CA adopt the attached resolutions approving the necessary actions needed to move forward with a State of California No Place Like Home (NPLH) Supportive Housing Program funding application, and authorize the undertaking of all actions necessary to assemble additional financing sources, which may include, but are not limited to: (a) submission of an Affordable Housing Program (AHP) application to the Federal Home Loan Bank of San Francisco, (b) submission of an application for City of Fresno HOME funds, (c) submission of an application for California Housing Finance Agency (CalHFA) program funds, and (e) grants, operating subsidies and/or private loans and such other sources identified by the CEO/Executive Director Preston Prince, and further authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director and/or their designee to negotiate and execute documents in connection with the approved actions.

**Fiscal Impact**

The fee for the No Place Like Home (NPLH) application is $2,500, which will be paid with pre-development funds previously approved at the December 19, 2017 Board meeting.

**Background Information**

The Blackstone & Simpson site (APNs: 443-104-08 thru 443-104-10, & 443-104-23) is an existing commercial/retail site along the Blackstone corridor in close proximity to Manchester Transit Center on approximately 0.83 acres in Fresno, CA. The project site is located in an area of high demand. The property was acquired by the Housing Authority of the City of Fresno, California in November 2017 for $1,147,331.

In May 2019, the architectural firm GGLO revised the previously approved site plan. The new iteration envisions a 41-unit community with approximately 2,000 square feet of community space and approximately 8,000 square feet of rehabbed commercial space. The community would serve both small families (one-, two-, and three- bedroom units) and a special needs population (studios and one-bedroom units).

All information provided will be verified using the appropriate governing documents. If the governing documents of the Applicant are not reflective of the current board makeup, the Applicant needs to notify HCD in writing of the discrepancy and provide an explanation for it. To help speed up processing of your Authorizing Resolution, submit this information along with your Authorizing Resolution.

PARAGRAPH 1: The correct date that the NOFA itself was issued, and the date of the most recent amendments to that NOFA by the Department, is required. Do not use other dates such as email/listserv announcements, associated memos, etc.

SECTION 3:

Multiple signors may be included, with appropriate language to indicate whether all or only one of the individuals being authorized must sign. The word “and” should be used where you intend to require all of the listed individuals sign the documents, and the word “or” should where you intend for any one of the individuals listed to be able to sign the documents. The use of “and / or” in this context is legally insufficient and therefore is not acceptable.

VOTE COUNT: Fill in all four vote-count fields below, if none, indicate “0” for that field. Vote totals will be compared to current organizational bylaws, or other governing documents for the organization, to verify that an adequate quorum was present for a valid vote by the organization, and that the total number of votes matches the stated number of directors/members, etc.

SIGNATURE BLOCK: The approving officer generally cannot be the person authorized above as the signor.
Executive Summary

SJVV provides housing retention assistance, life skills workshops and training/educational opportunities. Additional information will be provided at the Boards of Commissioners meeting.

Recommendation
No action is necessary. This item is informational only.
Executive Summary

The purpose of this memo is to update the Boards of Commissioners on the status of the 2020 Budgets for the Mixed Finance housing properties. Over the past several years, the Agency has sponsored 31 affordable housing projects throughout Fresno County that will be operational in 2020. We collectively call these groups of projects the “Mixed Finance Properties” because several (“mixed”) financing sources are used to acquire and construct the units.

As part of this “sponsorship” process, the Boards are first asked to approve the formation and creation of a limited partnership that will “own” the affordable housing development, and where Silvercrest, Inc. (a subsidiary of the Housing Authorities) is generally named as the Managing General Partner (MGP) of the partnership. The role of the Managing General Partner is to oversee the on-going operations of the partnership. This includes, amongst other things:

- Selecting the property management company
- Monitoring tenant and financial compliance, and
- Preparing reports, including the annual financial audit

Another one of the responsibilities of the MGP is to review and approve the annual operating budgets and financial performance for the partnerships. However, because the Fresno Housing Authority originally sponsored these projects and has a vested interest in the success of the properties, staff will be presenting the 2020 annual operating budgets to the Housing Authority Boards of Commissioners, and then asking the Silvercrest, Inc. Board of Directors to adopt the budgets.

Fiscal Impact

The fiscal impact of the Mixed Finance budgets would be as follows:

- Total net operating income for the 31 properties in operations for 2020 will be $4.69 million.
- Total cash flow for 2020 will be $1.65 million. This amount will become available for cash flow distributions in early 2020.

**Recommendation**
This item is informational only. No action is required. The Board of Directors for Silvercrest, Inc. will be asked to approve the 2020 Operating Budgets for the Mixed Finance properties.

Executive Summary
The purpose of this memo is to provide information to the Boards of Commissioners regarding the Agency’s 2020 annual budgets for Agency Operations and Housing Assistance Payments for the Housing Choice Voucher program, and to request the Boards approval of said budgets.

These budgets set forth the expected revenues and expenses for the Agency by program, department, and division. The attachment provided with this memo shows the consolidation of over 100 programmatic budgets combined into seven Agency divisions. Each budget, separately and together as a whole, is intended to ensure that the Fresno Housing Authority remains fiscally sound while investing in the Agency’s future, and delivering services in accordance with the mission statement and 2019-2020 Strategic Goals.

2020 Budget for Agency Operations
Over the years, there has been a continuous decline in federal funding for low-income housing programs. This disinvestment at the federal level means that the Agency must continue to diversify its revenue streams, create efficiencies in operations, and find creative ways to reduce expenses without causing detriment to our clients or our community. The goal of this budget is to provide a scenario to the Boards that continues to strengthen internal operations and make key investments in the community, infrastructure, and human capital, while still facing uncertainty around funding levels for 2020.

The proposed budget for Agency Operations has revenues of $44.7 million and operating and non-operating expenses totaling $43.9 million, resulting in total net income of approximately $806 thousand. Staff is requesting to utilize $15 thousand of unrestricted reserves in 2020 to continue the investment in several strategic priorities, including communications and community outreach, enhanced board tools, resident safety, program evaluation and analysis, as well as mobility, landlord outreach, homeless services and workforce development initiatives to enhance outcomes for residents.
As FY 2019 comes to a close, year-end projections for unrestricted net income exceeded the original budget by approximately $1.1 million, and as such, the Agency will only utilize approximately $50 thousand in unrestricted reserves in 2019, which will help fund the investment into new initiatives over 2020. Every effort was made during this budget process to provide realistic operating revenues and expense assumptions, to operate more efficiently and effectively in the coming year, and to continue the investments in our Strategic Goals. Ensuring long-term fiscal stability, preserving key assets and improving quality of life for residents continues to be the main goal of the Fresno Housing budget development process.

The highlights and assumptions for the 2020 Operations budget are as follows:

- The annual pro-ratation for 2020 Administrative Fee Revenue is budgeted at 80% of eligibility for the HCV program. The 2019 Budget included a 78% proration, and the Agency is currently receiving 80% for FY 2019.
- Operating subsidy for the Public Housing program is budgeted at 96% of eligibility for FY 2020. The 2019 Budget included a 93% proration, and the Agency is currently receiving 97% for FY 2019.
- Developer Fees are budgeted at $5.9 million for projects including Memorial Village, Trailside Terrace, Oak Grove, and Chinatown.
The recommended budget projects 243 regular full-time employees (FTE) for 2020. This is an increase of eight FTE’s from our 2019 budget of 235 employees.

The changes that were made from the second draft of the 2020 Operations budget, as presented to the Boards of Commissioners in November 2019, are as follows:

- Added Developer Fee revenue of $450 thousand for the Chinatown project and 2019 waterfall payments.
- Reduced the budget for the Landlord Incentives initiative by $100 thousand. Staff will proceed with the one FTE that is currently budgeted for this initiative and reevaluate progress as the year continues.
- Eliminated the partial allocation of an FTE in the Workforce Development program, for a budget savings of $35 thousand. Again, staff will proceed with the one FTE that is currently budgeted for this program and reevaluate progress throughout 2020.
- Reanalyzed the timing of new hires and replacement positions for a savings of $60 thousand.

Additional information regarding the 2020 Agency Operations Budget will be presented at the Board of Commissioners meeting.

**2020 Budget for Housing Assistance Payments**

Housing Assistance Payments (HAP) are the subsidies paid to landlords on behalf of the tenants participating in the HCV program (formerly known as “Section 8”). Expected revenues for 2020 are $89.8 million and expenses of $88.1 million, thus adding approximately $1.7 million to the Agency’s restricted HAP reserves. These reserves are restricted by HUD, and can only be used to make HAP payments to landlords.

Executive Summary

The purpose of this memo is to request approval from the Boards of Commissioners to allocate project-based vouchers (PBVs) for Permanent Supportive Housing (PSH) to be developed in partnership with the County of Fresno Department of Behavioral Health (DBH).

Pursuant to the authority granted to the Agency under the Annual Contributions Contract (the “ACC”) between Fresno Housing (FH) and the U.S. Department of Housing and Urban Development (“HUD”), the Agency may choose to allocate a portion of its tenant–based vouchers as project-based vouchers (“PBV’s”), per Section 8 of the U.S. Housing Act of 1937 and 24 CFR Part 983. The regulations from 24 CFR 983 provide for two methods of project selection – through a competitive procurement process and through the selection of a project that has been previously selected for competitive funding.

On September 19th, 2019, the Agency issued a competitive Request for Proposals (RFP) from developers/applicants to apply for PBVs for the purpose of creating affordable supportive housing opportunities in the City or County of Fresno. The RFP made available 150 vouchers for persons who are homeless, chronically homeless, or at-risk of chronic homelessness. As part of the Agency’s goal of reducing homelessness in Fresno County, the Boards of Commissioners created a limited preference set-aside of 600 vouchers for families/individuals who are targeted for homeless assistance programs. The project-based vouchers awarded under this procurement would be issued from this set-aside.

As a result of this RFP, the Agency received four proposals from qualified developers/applicants. After the proposals were evaluated by a team of Agency staff and partners from DBH and the Continuum of Care, scoring was completed and three proposals were determined to be in the competitive range based on the published evaluation factors. As such the Agency is requesting approval from the Boards of Commissioners to allocate 135 project-based vouchers for three projects: Blackstone & Simpson developed by Fresno Housing, Butterfly Gardens developed by UpHoldings, Inc., and the Glenn & Shaw project also developed by UpHoldings, Inc.
These awards will be contingent on HUD review, including subsidy layering, site and neighborhood, and environmental review, and any other requirements stated in the RFP. The awardee will have two years from date of the PBV award to complete a financial closing and sign an Agreement to Enter Into Housing Assistance Payment (AHAP) contract. If the awardee cannot meet these requirements, the award of PBV’s will be revoked.

**Fiscal Impact**

The 135 PBV’s are anticipated to provide approximately $1.3 million in subsidy per year. This funding will commence at the time each unit receives a Certificate of Occupancy and both the unit and proposed tenant have been reviewed and approved by a Housing Authority staff person or contractor, subject to program guidelines. The PBV’s and subsequent funding will come from FH’s existing Housing Choice Voucher program.

**Recommendation**

It is recommended that the Board of Commissioners of the Housing Authority of the City of Fresno, California award up to twenty (20) Project Based Vouchers (PBV) to the Fresno Housing Authority for the Blackstone & Simpson project, and forty two (42) Project Based Vouchers (PBV) to UPHoldings, Inc. for the Glenn & Shaw project and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director and/or their designee to enter into a Housing Assistance Payment contract for 20 years, with an optional extension of up to 20 years.

Furthermore, it is recommended that the Board of Commissioners of the Housing Authority of Fresno County, California award up to seventy three (73) Project Based Vouchers (PBV) to UPHoldings, Inc. for the Butterfly Gardens project and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director and/or their designee to enter into a Housing Assistance Payment contract for 20 years, with an optional extension of up to 20 years.

Fresno Madera Continuum of Care Point in Time Count 2020
The U.S. Department of Housing and Urban Development (HUD) mandates that all communities receiving Continuum of Care (CoC) funding perform a Point in Time at least biannually. This activity is intended to document the number and characteristics of persons/families experiencing homelessness at one single point in time. The count is mandated to be performed in the last ten (10) days in January during the hours of sunset and sunrise.

In addition to performing a tally count of persons experiencing homelessness, the Fresno Madera Continuum of Care (FMCoC) conducts a survey to obtain more demographic and characteristic data from participants. Questions asked include the reason for homelessness (eviction, asked to leave housing with others, choice), approximate length of homelessness and location when first became homeless (City of Fresno, cities within Fresno County). The results of the Point in Time is reported to HUD and is also used locally to make decisions on housing and services interventions best suited to those in a housing crisis.
The FMCoC is recruiting volunteers for both the tally and survey activities. The dates/times are as follows:

- Tuesday, January 28, 2020 – 5:00 pm – 12 midnight – Tally Count
- Wednesday, January 29, 2020 – 5:00 pm – 12 midnight – Survey
- Thursday, January 30, 2020 – 7:00 am – 4:00 pm – Survey

For additional questions and/or how to register to volunteer, please contact Doreen Eley at 443-8431 or deley@fresnohousing.org.

Mixed Finance Properties

2020 Budgets

Boards of Commissioners Meeting

December 17, 2019
‘Mixed Finance’ Properties

What are they?

- Properties owned by a limited partnership
- Originally sponsored and developed by the Housing Authority
- Mixed finance means that several funding sources were used to develop the properties (examples: Tax Credits, HRFC, private mortgage, HOME funds, etc…).

Why are we involved?

- Silvercrest, Inc. (an instrumentality of the HA) is the Managing General Partner of the limited partnerships and is responsible for on-going operations of the partnership.
- The Agency and its subsidiaries (Silvercrest, HRFC) have a vested interest in the properties.
- Properties fulfill Agency’s mission to create affordable housing.
2020 Budget Goals

The major goals of the 2020 budgets are to:

- Achieve positive net operating income on all properties
- Leverage the well-performing assets in order to provide maximum benefits to lenders, partners and stakeholders
- Meet stabilization requirements for newer properties (2019-2020 deals)
- Maintain and modernize properties, as needed
- Provide ample resident services

• RFP was issued in September 2019 for qualified developers to submit proposals for project-based vouchers
  – 150 vouchers were made available from the Project Ignite set-aside
  – FH received four proposals from qualified applicants
  – Proposals were scored on the basis of soundness of the proposal, financial feasibility, management and services plan, and experience in developing permanent supportive housing, and Section 3/MBE/WBE plan
Tentative Award

- Based on the evaluations and scoring, three proposals selected for award:

  - 42 PBV’s to the Glenn & Shaw project

- It is recommended that the Board of Commissioners of the Housing Authority of Fresno County award:
