Statement of how project basing would be consistent with our PHA Plan:

As the Agency strives to provide housing opportunities for individuals and families in need throughout the City of Fresno, especially those who are most vulnerable, project based vouchers (PBV’s) are an essential resource. To date, two projects are under consideration targeting persons with very-low incomes, generally below 30-40% of the area median income. Both projects was selected in accordance with HUD Title 24 Part 983.51 and HACCFs Administrative Plan. Selected projects have demonstrated a need for rent subsidy in order to help offset basic operating costs and allow for the projects’ financial feasibility.

B.3 Civil Rights Certification.
Form HUD-50077, PHA Certifications of Compliance with the PHA Plans and Related Regulations, must be submitted by the PHA as an electronic attachment to the PHA Plan.

B.4 Most Recent Fiscal Year Audit.

(b) If yes, please describe:

B.5 Progress Report.
Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan.
Goal One – PLACE

Develop and expand the availability of quality affordable housing options throughout city and county by growing and preserving appropriate residential assets and increasing housing opportunities for low-income residents.

- Create a robust, balanced pipeline for development activities that appropriately responds to the needs of the low income residents of Fresno County. A balance of renovation and new construction should focus on existing properties and surrounding neighborhoods, areas of increased economic activity and transit corridors. **ON-GOING GOAL**
  - Completion of Renaissance at Parc Grove, Fresno
  - Completion of Legacy Commons Phase II, Fresno
  - Completion of Blossom Trail, Sanger
  - Construction of Magill Terrace, Fowler
  - Construction of Oak Grove, Parlier
  - Construction of Highway City Community Center, Fresno
  - Construction of Mariposa Meadows, Fresno
  - Construction of Orchard Farm Labor Housing, Parlier
  - Pre-Development of Blackstone and Simpson, Fresno
  - Pre-Development of Chinatown, Fresno
  - Pre-Development of Renaissance at Parc Grove IV, Fresno
  - Pre-Development of North Fulton Street Project, Fresno
  - Pre-Development of California Triangle/Southwest Fresno Master Plan, Fresno
  - Pre-Development of Willow/Alluvial, Clovis
  - Pre-Development of Kingsburg Seniors, Kingsburg
  - Pre-Development of Huron Civic Center, Huron
  - Pre-Development of Plaza Terrace, Fresno
  - Pre-Development of Econo Inn, Fresno
  - Pre-Development of Highway City housing project, Fresno

- Expand efforts to address housing needs and barriers for specific resident populations throughout the City and County of Fresno (e.g. homeless individuals, low-level ex-offenders, mental health, youth, etc.). **ON-GOING GOAL**
  - Continued to act as the Lead Agency and Collaborative Applicant for the Fresno-Madera Continuum of Care, leading thirty local organizations in the collaborative funding process and grant management of $10 million. This funding focuses on homeless services, domestic violence, substance abuse, mental health conditions, and social services.
  - Completion of permanent supportive housing for homeless veterans, Renaissance at Parc Grove
  - Analyzed internal procedures on criminal background checks. This analysis led to changes in the ACOP and Admin Plan that lessened the lookback period from five years to three years, allowing for more housing opportunities for ex-offenders
  - Coordinated the Homeless Point-In-Time Count and survey to understand the specific housing population and needs for homeless individuals and families
  - Partnered with the Department of Behavioral Health to locate and acquire housing for persons with chronic mental health conditions
  - Expanded the definition of Displacement Referrals in the Administrative Plan to include victims of domestic violence, dating violence, sexual assault, and stalking, which will allow victims to receive a voucher even if the HCV interest list is closed
  - Changed the subsidy standard for the HCV program to issue single persons a one-bedroom voucher, instead of a zero-bedroom voucher, to decrease the rent burden on single person households

- Collaborate with landlords, neighborhood groups and Community Development Corporations (CDCs), and other partners to enhance the quality of rental stock across the county and provide a greater range of options for residents with vouchers. Programs should focus on landlord outreach, support and education, in addition to targeting housing options in areas of opportunity. **ON-GOING GOAL**
