3. **PUBLIC COMMENT**

   Eric Payne, Executive Director of Central Valley Urban Institute, wanted to thank the agency for its role in transformational leadership during the current pandemic for the many residents served within the City and the County of Fresno. He stated that there is deep concern, due to the Legislative Administrative Office (LAO) confirming that the state of California is in a recession. The LAO gave three-year budget projections that are very alarming for public agencies. He stated that this agency, over the course of the next few budget cycles, would possibly be faced with potential budget cuts. He wanted to ensure those budget cuts would not be impacted by HAP payments, delayed maintenance requests, or essential programing. He acknowledged that staff has been doing all that they can on the ground during this process. He has seen Fresno Housing staff, from Bridges at Florence, feeding the Senior Citizens in the community. He stated it was remarkable to see the unity that people are displaying during this pandemic. As we look at public participation, he recognized the value of the call in number but he believed there are other platforms that could be utilized. He stated that this is the first public meeting where he did not have the visual context of the Board Meeting. He stated that it brings up a number of challenges to the general public when informational items are presented and need to be referenced. He hoped the Boards would consider adding this option for future meetings.

   Julie Dudley Najieb, Board Chair of the San Joaquin Valley African American Historical and Cultural Museum, wanted to extend their continued support of the Fresno Housing Authority. As the agency tries to upgrade properties on the behalf of the community, she wanted to remind the agency of their presence and their willingness to help with the community support and outreach to surrounding communities. She stated that perhaps there are future engagements they can participate in. On behalf of the Board of Directors of the African American Museum, they appreciate the continued amicable support from the Housing Authority and Preston Prince.
Lakisha, Jack Kelly’s granddaughter, wanted to publicly state a long time issue regarding the African American Museum. She stated that the African American Museum is a public non-profit organization and that neither the community nor the Kelly family is aware of any proposed sale of the museum property. She stated that she does not support the sale of the African American Museum and will do anything in their power to prevent the sale of the African American Museum.

Public Comments submitted prior to Closed Session:

Julia Dudley Najieb wanted to reiterate that they appreciated the continued amicable support of the Fresno Authority but wanted to put it on public record, that the African American
Museum has not made any negotiations or any deals regarding any property. She hoped the Boards of Commissioners would relay this information and make sure the members of the community are not misinformed. She stated that this misinformation could create unnecessary issues within the African American community and the African American Museum Board. She stated that the Board of Directors are a group of volunteers that operate the non-profit. A community run organization prides itself in its ability to provide cultural arts for all of the community. On behalf of the Board, she stated that their intention is to stay in the location near where Fresno Housing has the purchased properties - the Econo Inn. She would like to stay in constant communication to get the public involved in cultured arts and the African American arts.

Eric Payne added comments on the Econo Inn project. He understands the agency has done a significant amount of public outreach in terms of the preliminary efforts leading up to this development project. He stated that his desire would be that Fresno Housing continue that level of resident engagement throughout the development process. He believes that the outreach was very beneficial and there was a significant number of residents who were interested and engaged during the process.

Executive Summary

The Barstow Commons housing development submitted an application for Low Income Housing Tax Credits (LIHTC’s) on March 9, 2020, and received a confirmation letter from the California Tax Credit Allocation Committee (CTCAC) that the project received full points on April 24, 2020. It is anticipated that the project will receive a reservation of LIHTC’s at the June 17, 2020 CTCAC committee meeting.

At the January 22, 2019 Board meeting the Board authorized entering into a Memorandum of Understanding with the County of Fresno Department of Behavioral Health, (DBH) to collaborate on the development of permanent supportive housing for Fresno County residents and allocate $2,183,000 in non-competitive NPLH funds, as well as $6,168,706 in Special Needs Housing Program funds to the Fresno Housing Authority (FH) for the development of permanent supportive housing. The County of Fresno Department of Behavioral Health (DBH) served as the lead applicant and service provider, and FH’s role is the development sponsor and project owner/borrower. Barstow Commons received an award of No Place Like Home (NPLH) housing funds on June 14, 2019.

The project will be located on a 2.71 acre vacant parcel at 130 W. Barstow Avenue, Fresno, CA (APN: 416-040-09). The project includes 42 units total consisting of 41 units targeting households with incomes at or below 60% AMI and one manager unit. The project will include 20 units of Project-Based Voucher (PBV) and 21 units of RAD PBV rental subsidy.

As the result of an Agency Request for Qualifications (RFQ No. Q16001) on March 6, 2017, R.L. Davidson was one of the selected successful proposers as part of a general architectural services vendor pool. R.L. Davidson was brought on board to complete preliminary architectural drawings for the submission of a site plan review to the City of Fresno for the Barstow Commons in January, 2019. Upon reservation of tax credits, the design team will launch on full construction drawings in anticipation of a potential December 2020 financial closing.
The purpose of this memo is to recommend an expansion of the R.L. Davidson architectural contract for the development of detailed construction drawings and the construction administration of the Barstow Commons housing development. It also includes the cost of hiring an energy consultant to model the current and proposed energy efficiency of the Barstow Commons building type, a requirement of the California Tax Credit Allocation Committee (CTCAC). The proposed contract totals $525,198.

**Recommendation**

It is recommended that the Boards of Commissioners of the Fresno Housing Authority approve the proposed contract totaling $525,198 with R.L. Davidson, Inc, Architects, to perform architectural services for the Barstow Commons housing development and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee to negotiate and execute all agreements and ancillary document in connection therewith.

**Fiscal Impact**

Staff is seeking approval for an architectural contract of $525,198. The work will ultimately be paid for out of the development budget with the sources of funding generated for this project. Until the construction finance close, the design contract work will be funded with the approved pre-development budget.

**Background Information**

Barstow Commons (APN: 416-040-09) is a proposed 42-unit new construction project in Fresno, CA that will include twenty (20) one-bedroom units, fourteen (14) two-bedroom units, seven (7) three-bedroom units, and one (1) three-bedroom manager unit. The households will have access to common area facilities in an on-site community building with approximately 4,038 net square feet where resident services will be offered free of charge. The site is intended to serve a combination of 21 multi-family residential and 20 permanent supportive housing units in partnership with Fresno County Department of Behavioral Health. Residents of Barstow Commons will have access to interior community spaces, outdoor play spaces for children and picnic-relaxation areas. The community room at Barstow Commons will accommodate services for families and children, community events, and property management-related functions. The design of the project includes ideas, designs and discussions around the concept of “Trauma Informed Design”. The property will have two laundry facilities on-site and is being designed to Green Building standards.

MEMORANDUM

TO: Boards of Commissioners
FRESNO HOUSING AUTHORITY

FROM: Kenneth J. Price
BAKER MANOCK & JENSEN, PC

DATE: May 22, 2020

RE: PROPOSED REVISED BYLAWS

Chairs Adrian Jones and Stacy Sablan appointed an Ad Hoc Committee (the "Committee") to review the Bylaws for the City and County Housing Authorities. The Committee consisted of Chairs Jones and Sablan, City Commissioner Terra Brusseau and County Commissioner Cary Catalano, as well as CEO Preston Prince and myself. The Committee conducted two meetings via video conferencing.

It is worth noting that the City and County Bylaws differ in one material respect. Fresno County has an absenteeism policy for appointed board members, which is reflected in Article III, Section 6 of the Bylaws. The following is a hyperlink to Section 2.68 of the County Ordinance: https://library.municode.com/ca/fresno_county/codes/code_of_ordinances?nodeId=TIT2AD_CH2.68BOCOCOCO. The City of Fresno does not have such a policy.

The Committee reached consensus on revisions to the Bylaws for both the City and the County. The following is a high level summary of the revisions, which are attached in redline form:

- Changes involving the appointment and activities of the Chairs in Article II as follows:

  (1) No Board of Commissioners member may be elected Chair without first serving on the Board of Commissioners for two years (Section 2).

  (2) Effective January 1, 2021, upon completion of the Chair's term, the Chair shall not be eligible to serve as an officer (either Chair or Vice Chair) for a two-year period unless the Vice Chair declines to run, or is otherwise unavailable to serve, as Chair. (Section 6).
(3) Should the Chair become vacant, the Vice Chair may serve out the remainder of
the Chair's term and then run to serve a full two-year term (Section 7).

- The Committee recommended a new Article IV entitled "Commissioner Activities",
which provides:

  (1) Incorporates the powers given to Housing Authority Boards in the California
Health and Safety Code and the United States Housing Act (Section 1).

  (2) Reiterates that Commissioners have a fiduciary obligation to act in the best
interest of the Housing Authority (Section 2).

  (3) Reiterates that Commissioners have certain ethics and training obligations as
provided under law and requires the counsel to facilitate these trainings (Section 3).

  (4) Specifies that the Boards may determine whether or not a Board member is acting
within the course and scope of his or her duties as a Board member when seeking
indemnity, which is consistent with state law (Section 4).

- The Committee recommended a few revisions to Article V regarding the creation of
standing committees:

  (1) Executive Committee duties are described in greater detail (Section 1.1.2).

  (2) The composition of the Audit Committee shall be the Executive Committee
(Section 1.2.2)

  (3) An ad hoc nominating committee has been eliminated (Section 2).

During the Board meeting, I will make a brief presentation regarding the recommended
changes. This is for information purposes only. The Board of Commissioners may discuss and
entertain any further revisions to the Bylaws. If there is consensus among the Board of
Commissioners, the item approving the Bylaws could be placed on consent during the June
meeting.

Property Management

Property Management (PM) is continuing its operations and finding new ways to keep providing support to our residents. PM has proactively been communicating with residents that have been impacted to process interim recertifications, modify rent amounts, make repayment arrangements, connecting them to other services, etc. Processes have been modified to ensure the health and safety while we continue to lease, make emergency and urgent repairs and maintain compliance with program requirements.

The lease up of Mariposa Commons in Fresno is currently underway; to date 19 families have moved in. Lease up activities are also underway for Orchard Commons in Parlier and anticipate moving families in starting in early June 2020.

There are additional Community Development Block Grant Funds (CDBG-CV) available to Fresno County through the first round of CARES Act in two ways. For communities that have a joint partnership agreement with the County of Fresno to participate in the HUD administered Entitlement Program, funds have been allocated using their entitlement community formula. The County has provided a list of eligible activities to their partnering communities and each is submitting their proposal to the County for approval of how they intend to spend their allocation. For communities who do not have a joint partnership with the County of Fresno, they have an opportunity to apply for the balance of state funds through a competitive process through the State’s Housing and Community Development office (HCD). The Notice of Funds Availability (NOFA) has been drafted but has not yet been released.

The HCD staff are hosting weekly virtual office hours every Tuesday and share information as it is available. Since the NOFA has not officially released, the information is limited. Some of the general areas covered by these funds will be: Public Services, Public Facility Improvements, Public Facility Acquisition, and Economic Development. Applicants must show a direct nexus between the activity they are applying for and COVID-19. Additionally, the Applicant will need to demonstrate that there will be no duplication of benefits with the use of CDBG-CV funds.

Although it appears only the eligible city/county jurisdictions are eligible to apply and or have received these funds through entitlement process, they are strongly encouraged to partner with organizations with capacity and experience to administer the funds. Fresno Housing (FH) has been contacted by both Fresno
County and the City of Firebaugh as potential partner. The City of Firebaugh is looking to partner with FH to administer a rental assistance and utility assistance program. More details will be provided upon the release of the CDBG-CV NOFA.

**MANAGEMENT GOALS**

The goals of management include our efforts to stabilize, focus, and extend activities to meet the mandate of our mission through good decision making related to Sustainability (staffing, finances, effectiveness, evaluation, technology, facilities); Structure (governance); and Strategic Outreach (communications, image, visibility, public affairs, policy).

**Sustainability**

*Build and maintain an innovative, engaged, visible, and sustainable organization, committed to its mission of providing housing for low-income populations.*

**Fiscal Services**

Accounting and Finance staff have been working diligently to adapt to a remote work environment, close the books in a timely manner and submit necessary financial reports. Most accounting and finance functions are being done remotely through paperless processes. As a result of the COVID-19 pandemic, staff have requested and received extensions for various financial reports on an as-needed basis. Staff is pleased to report that all annual deadlines have been met regarding 2019 limited partnership (LP) tax returns and audits. Staff continues to work remotely with DavisFarr, the Agency auditor, to submit information for the Agency audit and are on track to submit our audited financial statements in a timely manner. Additionally, staff are working with HUD staff to remotely monitor the agency’s Continuum of Care (CoC) grants.

Staff have developed systems, accounts and reports to track COVID-19 expenses, in an effort to mitigate the financial impact and maximize the agency’s eligibility for CARES Act funding. Accounting and Finance staff have reached out to HUD, industry experts and other agencies to determine the best practices and methods to track and account for eligible COVID-19 expenses.
Human Resources
On Wednesday, April 13th, Aysha Hills joined the Council of Large Public Housing Authorities (CLPHA) kick off for the new Human Resource Work Group. The Human Resources Team has continued with open recruitment and has organized a series of virtual interview panels since we began our remote work in March. Training & Development Analyst Damian Rivera and Human Resources Coordinator Kayla Giosa are converting our Agency’s entire new hire orientation process to be delivered virtually, and they have partnered with our IT Department to prepare all necessary equipment to be shipped to candidates ahead of time so that they will have all information and equipment that they need Day 1!

- Aysha Hills, Human Resources Manager (promoted from Senior Human Resources Analyst)
- Lucille Kirchman, Accounting Manager (promoted from Senior Accountant)
