---

*Joint Meeting*
*Action Minutes: 08.25.2020*
*Adopted:*
A written comment from Natasha Moiseyev: “Hello, as an attorney and a citizen, I am alarmed at the idea that the board would entertain the idea of censoring the minutes of a public board meeting because public comments contained are unflattering or unpleasant. In a democracy, many voices and viewpoints are heard. The Sunshine Law support that principle. Censoring the minutes would be anti-democratic and would, in effect, falsify the records so that future citizen who undertook to examine the history of the debate would not have the accurate and complete record. The way to handle this was either to tell the speakers to maintain decorum by expressing their views or to adopt the accurate minutes with a statement of disagreement or disapproval of the tone or language used to express the opposition. People already distrust government enough. Please, don’t give use another empirical reason to do so. Sincerely, Natasha Moiseyev from Fresno.”

Executive Summary
The purpose of this memo is to ask the Boards of Commissioners to consider and approve the amended Conflict of Interest Code for Fresno Housing Authority.

The purpose of a Conflict of Interest Code is to identify and prevent potential financial conflicts between the official conduct of public officials and employees and their personal financial interests. The Fair Political Practices Commission (FPPC) requires that the Agency’s Conflict of Interest Code is updated every two years and consistently reflects the current structure of the agency and properly identifies all positions required to file a Form 700. The Code also establishes disclosure requirements for specific positions designated by the Conflict of Interest Code Appendices.

Key changes this year include the addition of positions that are new to the Agency and updates to the assigned disclosure categories.

Recommendation
It is recommended that the Boards of Commissioners approve and adopt the attached resolutions authorizing incorporation by reference, the Conflict of Interest Code as adopted by the Fair Political Practices Commission.

Fiscal Impact
None.

Background
The Political Reform Act (Government Code 81000, et seq.) requires state and local government agencies to adopt and promulgate Conflict of Interest Codes every two years. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code ofRegs. Section 18730) that contains the terms of a standard Conflict of Interest Code and may be incorporated by reference in an agency’s code. The standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act.

WHEREAS, the Housing Authority of the City of Fresno ("the Agency"), in compliance with the terms set forth in the Code and at the recommendation of the Fair Political Practices Commission, is proposing an update to the Agency’s Conflict of Interest Code Appendices to include new positions designated to file a Form 700.

EXECUTIVE SUMMARY

The purpose of this memo is to seek the Boards of Commissioners’ approval to negotiate and execute an agreement between Fresno Housing and Quadel Consulting & Training, LLC for Remote Recertification Services.

Fresno Housing (FH) is requesting Quadel’s assistance with remote completion of annual recertifications beginning with July 2020 cases. Public housing authorities who administer a Housing Choice Voucher program are required to recertify households with a Housing Choice Voucher each year to confirm they still meet program eligibility requirement. Fresno Housing is required to complete approximately 1,000 recertifications each month. Due to the COVID-19 pandemic, Fresno Housing has faced delays in completing these required recertification each month, and as such, FH is requesting that Quadel assist with completing approximately 500 recertifications each month. FH will provide remote Yardi access to Quadel staff working on this project. Quadel staff have completed the annual HUD EIV Training and will provide copies of the Training certificate to FH.

Quadel has been providing technical assistance, program support services, and training to Public Housing Authorities for more than 40 years. Their ability to help FH achieve its goals comes from direct experience administering affordable housing programs, as well as significant knowledge of best practices identified through their training and consulting engagements. In addition, Quadel has served in PHA senior management positions including Executive Director, Deputy Director, and HCV and Public Housing operational roles. Quadel specializes in:

- HCV and PBCA Direct Management and Contract Administration
- Public Housing and Voucher Program Consulting and Technical Assistance
- Training and Education
- HUD and Academic Research and Guidebook Creation
- Technology Solutions
– Disaster Recovery Program Management

The Agency procured for the remote recertifications services by piggybacking an existing agreement with The Alameda Housing Authority (AHA). The AHA agreement allows the Fresno Housing to enter into an agreement with Quadel and allow Remote Recertification Services to begin. AHA performed the procurement process for Remote Recertification Services by soliciting an RFP, documenting proof of publication, evaluations, and award letters. The Agency will use AHA’s procurement documentation for their files. The Agency determined that Quadel provided the most comprehensive services, and has extensive experience with Housing Agencies.

**Recommendation**

It is recommended that the Boards of Commissioners authorize the CEO/Executive Director to negotiate and execute an agreement with Quadel Consulting & Training, LLC for Remote Recertification services from September 23, 2020 to December 31, 2021 for an amount not to exceed $650,000.

**Fiscal Impact**

The fiscal impact of the contract will be no more than $650,000 per our contract limits. This amount will be paid by the CARES Act Supplemental Funds.

SUBJECT: Consideration of Contract for Removal and Installation of Roofs at Monte Vista Terrace

Executive Summary
The purpose of this memo is to request approval from the Boards of Commissioners to award the contract for the removal and installation of the roofs at Monte Vista Terrace.

An Invitation for Bids (IFB) was publicly solicited in August of 2020. 1. KC Construction, Inc.: Non-Responsive
2. On Top Roofing: $343,800
3. Graham Prewett, Inc.: $553,000

Procurement staff determined On Top Roofing to be the top responsive and responsible bidder, with a proposed starting date of October 2020.

Fiscal Impact
The fiscal impact of the contract will be no more than $343,800 per the contract limits. This amount will be paid by U.S. Department of Housing and Urban Development (HUD) Capital Funds.

Executive Summary

The purpose of this memo is to request approval from the Housing Authority of the City of Fresno Board of Commissioners to submit as a Lead Applicant in a joint funding application with the Housing Authority of Fresno County for the Implementation of the Housing Choice Voucher Mobility Demonstration.

The Department of Housing and Urban Development (HUD) is awarding a total of $50 million to PHAs, up to $10 million for new vouchers for families with children and $40 million for mobility related services. The demonstration will be implemented over a six-year period serving a minimum of 1,950 families. Families participating in the demonstration will be randomly assigned to a control group or one of two treatment groups; one group receiving full mobility services and the second group receiving HCV program business-as-usual services. Families participating in the demonstration will be a combination of primarily existing voucher holders (min. 1,800), and new admissions (min. 150) based on criteria stipulated in the NOFA.

If awarded for the Mobility Demonstration, a Regional Housing Mobility Plan (RHMP) must be developed and agencies must agree to implement the following:

- Make regular turnover vouchers available for new admissions, which is estimated that it is half the number of the Mobility Demonstration Vouchers awarded.
- Establish a waitlist preference for families having at least one child 13 years and under and living in a census tract with poverty rate of 30% or higher.
- Adopt payment standards adequate for attracting landlords in high-opportunity areas.
- Participate in HUD sponsored program evaluation and comply with reporting requirements.
**Background**
According to the requirements of the NOFA, when submitting a joint application, each housing authority is required to submit their own resolution with clear identification of which PHA will be the Lead Applicant. Therefore there was a need for two memos, one for each entity.

**Recommendation**
It is recommended that the Board of Commisioner of the Housing Authority of the City of Fresno adopt the attached resolution approving the necessary actions to move forward with the application of the HCV Mobility Demonstration. It is recommended that the Board of Commissioners authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to execute documents in connection with the approved actions.

1. Enter into a partnership agreement with the Housing Authority of Fresno County to submit a joint application with the Housing Authority of the City of Fresno.

**Fiscal Impact**
There is no fiscal impact at this time since this is only approval to submit the application. Any future fiscal impact would be dependent upon award of funds.

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary
The purpose of this memo is to request the authorization from the Housing Authority of the City of Fresno Board of Commissioners to sell one of the three remaining single family homes owned by the Housing Authority as part of a discontinued HUD program called the Home Ownership Program (HOP).

In June 2020, staff provided an updated list of assets held by either the Housing Authority of the City of Fresno or the Housing Authority of Fresno County. That asset list included three single family HOP homes owned by the City and five single family HOP homes owned the the County.

The current occupant of the home has obtained financing to purchase the property at 5177 W. Donner Ave, Fresno, CA 93722. As such, staff is requesting authorization by the Board of Commissioners to complete the transaction to sell the home to the current occupant.

Recommendation
It is recommended that the Board of Commissioners of the Housing Authority of the City of Fresno authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, Angelina Nguyen, Chief of Staff, and/or their designee to establish a contract price based on current market conditions, execute sales agreements and any related documents for the HOP Home located at 5177 W Donner Ave, Fresno, CA 93722.

Fiscal Impact
Staff are in negotiations to establish an updated contract price for the home. The contract price, pending a market appraisal, is expected to be greater than $151,000 but no more than $205,000. Proceeds from the sale, net of the sales price and standard real estate transaction fees, will be available for the housing authority to use for the purposes relating to the low-income housing.

Background Information
In 1982 the Housing Authority (HA) of the City of Fresno created a homeownership program for residents residing in public housing called the...
Home Ownership Program (HOP). This program is authorized under section 5(h) of the United States Housing Act (USHA) of 1937. Section 6(c) 4(d) of the USHA authorizes the Secretary to prescribe requirements for development by the HA of viable HOP for lower income families capable of assuming the responsibilities of homeownership. The HA entered into a 5(h) Implementing Agreement with HUD in 1993, and subsequent HOP agreements and sales contracts were created with homebuyers. In September of 1999, HUD promulgated a new rule in 24 CFR Part 906 that offers a replacement for the prior HOP programs allowing for the sale of the homes.

There are currently three homes in the City of Fresno. All three of the homes are occupied by residents who entered into agreements with options to purchase the homes and continue to work towards obtaining enough down payment and proof of income to qualify to purchase the home. One of the occupants, at 5177 W. Donner Ave, has accumulated a reserve account balance that is sufficient to use towards the down payment and other expenses related to the home purchase. The initial purchase price of the home was established at $222,000 in 2005. That price was revised to $151,000 in 2018, to better capture market conditions.

RESOLUTION AUTHORIZING THE SALE OF A HOMEOWNERSHIP PROGRAM (HOP) HOME AT 5177 W. DONNER AVENUE

WHEREAS, the Housing Authority of the City of Fresno (the “Agency”) administered a Homeownership Program (HOP) to make public housing dwelling units, public housing projects, and other housing projects available for purchase by low-income families, and

WHEREAS, the Agency owns and has listed for sale 5177 W. Donner Ave, Fresno CA 93722 (the “Home”); and

WHEREAS, the Agency will sell the Home to buyers who meet minimum eligibility requirements, which include income eligibility requirements of no more than 80% of area median income; and

WHEREAS, the Agency is in negotiations to establish and execute a purchase agreement with the occupants and eligible buyers Bazezew Tedemet and Belaineshe Reta;

NOW THEREFORE, BE IT RESOLVED that the Board of Commissioners of the Housing Authority of the City of Fresno do hereby approve the Agency to establish a sale price based on current market conditions, execute sales agreements and any related documents to amend the homeowner opportunity agreement and sell the Home to eligible buyers and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee to execute all documents in connection therewith.

Executive Summary
On October 22, 2014, the Fresno Housing Authority (FH) Board approved the submission of several applications to the Department of Housing and Urban Development (HUD) for the Rental Assistance Demonstration (RAD) program that included five (5) Low Income Public Housing (LIPH) complexes within the County of Fresno and one (1) LIPH complex in the City of Fresno for the purpose of converting the sites from LIPH to Project-Based Rental Assistance (PBRA). The applications were submitted to HUD on October 31, 2014, along with an application for the entire portfolio to lock in the option for FH to convert the remaining LIPH units within the City and County of Fresno. Since that time, a number of developments have been successfully converted including Paseo 55, Cueva De Oso @ William Shockley Plaza, Legacy Commons Phase II, Blossom Trail Commons, Magnolia Commons @ James Magill Plaza and Oak Grove Commons.

The agency has made great progress in completing RAD conversions to ensure long term sustainability for our portfolio; however, there are still several properties with a capital needs backlog that are pending plans for conversion. As a result, staff is proposing to submit an application for the conversion of LIPH assistance for 48 units in San Joaquin, CA to Project-Based Vouchers under the RAD program. The subject properties are:

Neither the submission of the RAD application nor the award of a RAD project application obligates the Fresno Housing Authority to implement the
conversions. Should the Board of Commissioners accept the award, staff would pursue project financing
to undertake the proposed revitalization of the property and would return to the Board for financing
commitments at that time.

**Recommendation**
It is recommended that the Board of Commissioners of the Fresno Housing Authority approve the RAD
application submission to HUD for 48 units in San Joaquin, CA (Conversion of 48 units in County AMP
CA028000006) and authorize Preston Prince, the Executive Director, Tracewell Hanrahan, Deputy
Executive Director, and/or their designee to execute any and all ancillary documents connected herewith.

**Fiscal Impact**
A RAD Application Submission does not require a financing commitment request at this time

**Background Information**
RAD is a federal program that allows projects funded under Low-Income Public Housing (LIPH) to convert
the rental assistance to long-term, Project-Based Rental Assistance (PBRA) or Project-Based Voucher (PBV)
contracts. No incremental funds are authorized under RAD, and Public Housing Authorities must convert
their assistance at current subsidy levels.

The San Joaquin Apartments and Taylor Terrace are currently funded under the Low-Income Public

As a result, staff is proposing to submit an application for the conversion of LIPH assistance for twenty-two (22) units at the Pacific Gardens site in Fresno, CA to Project-Based Vouchers under the RAD program.

Pacific Gardens is located at 5161 E. Kings Canyon, Fresno, CA 93727 (APN: 463-050-27) and belongs to City AMP CA006000008. Of the total fifty-six (56) units, 34 were converted to Low Income Housing Tax Credit (LIHTC) units in 2010. The remainder twenty-two (22) units are also LIHTC but are also layered with subsidy through a HUD LIPH Annual Contributions Contract (ACC). These twenty-two (22) units are intended for RAD conversion to PBV subsidy. As the property was recently redeveloped there are no planned capital improvements for Pacific Gardens as part of the conversion process. However, the conversion will reduce the compliance and regulatory burden of the management and accounting and further reduce restrictions.
Neither the submission of the RAD application nor the award of a RAD project application obligates the Fresno Housing Authority to implement the conversions. Preston Prince, Secretary of the Boards of Commissioners
Executive Summary

On August 25, 2020, the Boards of Commissioners approved the submission of funding applications to the Department of Housing and Community Development’s Homekey Program. The Homekey program was created by HCD utilizing $550,000,000 in funding from the Coronavirus Relief Fund (CRF) and $50,000,000 from the State of California. In addition, the board approved entry into Purchase and Sale Agreements for five subject properties. The purpose of this memo is to update key information in the resolution approved on August 25, 2020, by request from HCD.

Homekey uses federal Coronavirus Relief Fund (CRF) money to acquire underutilized hotels, motels or other available properties. Once acquired, these properties will provide refuge for individuals or families that are experiencing homelessness or at risk of homelessness and who are at high risk for serious illness and are impacted by COVID-19. The Coronavirus Relief Fund has a expenditure deadline of December 30, 2020. Homekey provides a unique opportunity to not only increase the supply of permanent supportive housing but it also supports the City of Fresno’s efforts to transform the Parkway Drive neighborhood.

Homekey Program Timeline:

- NOFA released - July 16, 2020
- Priority application deadline - August 13, 2020
- Awards – rolling between August-October 2020
- Acquisition Deadline for Initial Awardees – November 11, 2020
- Deadline for expenditure of operating support funds - June 20, 2022
- Full Occupancy – 90 days after acquisition

Approving the amended HCD resolution will enable HCD to proceed with their review of the Homekey Application.
Fiscal Impact

Based on guidance from HCD, we are increasing our requests for funding and this change requires a modification of the previously approved resolutions. The previous resolutions amounts were $6,253,179 for Day’s Inn, $5,268,125 for Motel 99, $3,706,980 for Parkside Inn, $4,906,163 for Welcome Inn, and $1,680,974 for Alamos Motel. The revised resolutions reflect maximum loan amounts and not the final value of the awards. These maximum amounts are $12,152,000 for Day’s Inn, $12,276,000 for Motel 99, $6,200,000 for Parkside Inn, $9,920,000 for Welcome Inn, and $3,100,000 for Alamos Motel.

Recommendation

It is recommended that the Board of Commissioners of the Fresno Housing Authority approve the amended project amounts by adopting the attached resolution, and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to negotiate and execute documents in connection with the approved actions.

Recommendation
None at this time. Informational only.
Executive Summary
The purpose of this memo is to present the Comprehensive Annual Financial Reports of the Housing Authority of Fresno County for the year ending December 31, 2019, and ask the Boards of Commissioners to receive and file the audit results.

The auditors have issued an “unmodified opinion” that the financial statements are fairly presented in conformity with U.S. Generally Accepted Accounting Principles (GAAP). An “unmodified opinion” is issued when the auditor does not have reservations as to the fairness of the presentation of the financial statements in conformity with GAAP. As required for a Single Audit engagement, the financial statements also include the auditor’s reports on the Schedule of Expenditures of Federal Awards, the Agency’s compliance with relevant laws and regulations, and its internal controls. During the course of audit, Davis Farr identified no material weaknesses and one significant deficiency related to financial statements.

The 2019 audit is the first year Fresno Housing has presented a Comprehensive Annual Financial Report (CAFR), which includes three sections: Introductory, Financial and Statistical. In comparison with the Annual Audited Basic Financial Statements submitted in the past, a CAFR presents a wider variety of information intended to help the readers properly understand the basic financial statements. Noteworthy changes from 2018 to 2019 can be found in Management’s Discussion and Analysis (MD&A) of the attached audit report.

Marc Davis, with Davis Farr, will also be in attendance to present a summary of the audit and answer any questions the Board of Commissioners may have.

Recommendation
It is recommended that the Board of Commissioners of the Housing Authority of Fresno County receive and file the Comprehensive Annual Financial Reports for the year ending December 31, 2019.
**Fiscal Impact**
There is no fiscal impact.

**Background Information**
The audit was conducted by Davis Farr in accordance with generally accepted auditing standards; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act of 1984; and the provisions of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirement for Federal Awards*, and included tests of the accounting records of the Fresno Housing Authority and other procedures the firm considered necessary.

Maintenance Staff assisted with the set up and tear down of HCV’s Back to School Drive-Thru event on August 22, 2020. Similar events will be held at several of our County sites this month.

Additional Rent Café features were launched in the month of August; these features allow our residents to report a change, submit a work order, and pay their rent online 24 hours a day, 7 days a week.

The interest list for Firebaugh, San Joaquin, and Huron sites opened on July 8, 2020 and closed on August 24, 2020. The interest list for Cedar Courts and Inyo Terrace also opened on August 26, 2020 for 4, 5, and 6 bedrooms and will close on September 26, 2020 at 3:00 pm.

Viking Village had a 2020 HOME monitoring visit on August 10, 2020, with zero file findings. Mendota Farm Labor had a Department of Housing and Community Development (HCD) desk audit with one finding that was promptly corrected. Orange Cove RAD has a TCAC desk audit, 27 files were reviewed; results of the desk audit are pending.

On August 25th and 26th, seventy-one residents at the Parlier Migrant Center requested an extension for their stay; regular season ends October 1, 2020. Wi-Fi was installed at the Parlier Migrant Center Office and is now available to our families. Tables are set up around the office for children to have Wi-Fi access and complete their schoolwork. Wi-Fi was also installed at Orchard and Oak Grove with plans to expand the signal to ensure the signal reaches all ends of the properties. Central California Food Bank had a free food giveaway program at Parlier Migrant Center on August 24, 2020, Property Management staff assisted with the giveaway.

MANAGEMENT GOALS

The goals of management include our efforts to stabilize, focus, and extend activities to meet the mandate of our mission through good decisionmaking related to Sustainability (staffing, finances, effectiveness, evaluation,
technology, facilities); Structure (governance); and Strategic Outreach (communications, image, visibility, public affairs, policy).

**Sustainability**

Build and maintain an innovative, engaged, visible, and sustainable organization, committed to its mission of providing housing for low-income populations.

**Sustainability**

Build and maintain an innovative, engaged, visible, and sustainable organization, committed to its mission of providing housing for low-income populations.

**Fiscal Services**

Accounting and finance staff continue to work in a remote work environment. Most accounting and finance functions continue to be completed through paperless processes. Accounting staff are finalizing the 2019 financial statements and audit. Staff will be asking the Boards of Commissioners to accept the audits at the September meeting. Once the audit is accepted, it can be submitted to various funders and investors, including HUD and the State Controller’s Office. Additionally, staff will be submitting Comprehensive Financial Reports as part of the Certificate of Achievement for Excellence in Financial Reporting (CAFR) Program.

Finance staff has been preparing for the 2021 Budget season. Staff are meeting with budget managers to discuss 2020 year-to-date results and 2021 needs and expectations.

The accounting and finance leadership team continues to work closely with Human Resources to continue recruitments of several positions. These recruitments include Payroll Coordinator, Accountant and Senior Financial Analyst that were in progress prior to the COVID-19 pandemic. These positions were included in the 2020 budget and will help increase staffing as the department experienced significant staff turnover because of the recent early retirement program.

**Information Technology and Information Systems**

The Information Technology (IT) team began setting up the infrastructure for the Agency’s Electronic Document Management project. COVID-19 has created opportunities for the staff to leverage digital tools to better serve the residents and staff working from home. By implementing a Document Management System that allows staff and residents to securely access documents online, the Agency can be nimble to meet the ever-changing needs of staff and residents.

The Information Systems (IS) team, along with the Housing Choice and Property Management team, launched a web-based intake system. Using Yardi’s Rent Café module, potential residents can initiate their intake process online. In addition to various operational efficiencies gained using Rent Café (reduced printing, centralized information portal to communicate with potential residents, etc.), there are significant customer service and safety gains the Agency will realize. Prior to Rent Café, potential residents would
have to come into the Central Office to initiate this process at a specific time. This presented a wide variety of challenges with transportation and scheduling. Now, residents can participate in the process from anywhere and at any time. Better fitting the needs of our resident’s schedule and giving them time back time that was used to commute in the past.

**Administrative Services & Procurement**

Procurement has been working on several projects ranging from simple solicitations such as “three quote projects” to more complex solicitations such as “Requests for Proposals” (RFPs).

Procurement’s most recent “three quote” projects include the following:

1. **Central Office parking lot repairs project** – Project is finished as of August 31, 2020.
2. **The Renaissance at Santa Clara Exterior walkway replacement** - The Agency updated the original scope of work and will be sending out to contractors the week of September 14, 2020.
3. **Brokerage Services** – The Agency has reached out to three different Brokers and gathered quotes. Procurement is currently creating a contract for the lowest quoter.

Procurement’s most recent Quotes for Small Purchases (QSP) include the following:

1. **Maldonado Plaza Sidewalk Replacement and Demolition project** - Awarded on August 28, 2020 and awaiting contract execution.

Procurement’s complex solicitations such as Requests for Proposals (RFP) and Invitation for Bids (IFB) include the following:

1. **Youth Education & Enrichment Services for Resident Services (RFP)** - Agency is currently discussing evaluations with HA Board members.
2. **Independent/Annual Audit (RFP)** – Procurement is currently prepping the solicitation documents, and plan to have the RFP solicited the week of September 14, 2020.
3. **General Contractor/Construction Management Services for Homekey Motel Rehabilitation (RFP)** – Procurement is currently prepping the solicitation documents, and plan to have the RFP solicited in September, 2020.
5. **Monte Vista Roof Replacement and HVAC Conversion (IFB)** - Procurement tentatively awarded contractors on September 10, 2020, and currently awaiting Board Approval.

In addition, Procurement has been working on Piggyback and Non-Competitive Justification contracts for the following companies and services:
1. **Planning Coordinator Services for HUD Choice Neighborhood Grant** – The Agency piggybacked HACLA’s contract with EJP Consulting Group. The Board of Commissioners approved the contract amount in August, 2020. Procurement is currently working on the contract execution.

3. **Utility Allowance Services** – The Agency is discussing the piggyback option with Nelrod. The Agency has contracted with Nelrod for the last 5 years.

Procurement is also working on implementing a Service Contract Module through Yardi with the Accounting Department. With the Service Contract Module implemented, purchase orders will be generated for each service contract and invoices will be paid against them. The module will help to prevent exceeding vendor’s contract values. Official implementation date is pending.

**Human Resources**

On September 16, 2020 Damian Rivera, Training and Development Analyst, attended the Resources for Humans Virtual Conference hosted by Lattice, a globally-recognized performance and people management company. This year the conference focus centered around diversity, equity and inclusion. With over 40 speakers, key aspects of Human Resources were addressed including recruiting, onboarding, performance management and employee engagement, learning and development. Some ideas and practices shared included strategies for HR leaders and managers to help identify, retain and reward top performers; methods for building a company culture that engages employees and attracts top talent; and approaches to development and career pathing.

The Human Resources Department is excited to announce the following promotion:

- Edgar Rodriguez Villanueva, Senior Systems Administrator (promoted from Database Administrator and Report Writer)

The Human Resources Department is currently recruiting for the Accounting, Property Management, Housing Programs, and Executive Office departments.

**Structure**

*Maintain a committed, active, community-based Boards of Commissioners.*

Efforts are ongoing and we will report on those items as outcomes are achieved.

**Strategic Outreach**
Heighten agency visibility, facilitate community dialogue about housing solutions; and build support for the agency and quality affordable housing.

Efforts are ongoing and we will report on those items as outcomes are achieved.
Executive Summary

Fresno Housing (FH) staff has identified real property that can be utilized by FH to continue working towards fulfilling its mission and better serve its residents. The subject Property is located at 1254 Fulton St., Fresno, CA 93721 (APN 466-154-14) in downtown Fresno, CA. Entering into a Purchase and Sale Agreement (PSA) would provide FH with the opportunity to continue to explore and plan the visitor lobby areas and office spaces at our central office building and allow time to consider the acquisition of the Property.

The PSA has a proposed purchase price of $2,900,000 for the property and has a closing date of on or before December 15, 2020. The PSA also has a set of Buyer contingencies including being subject to FH Board final approval. At this time, staff is recommending that the Board approve entering into the PSA.

Recommendation

It is recommended that the Board of Commissioners approve and ratify for FH to enter into a Purchase and Sale Agreement with the Michael G. Marderosian and Lorie Gay Trust at an acquisition price of $2,900,000, and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee to negotiate and execute said agreement.

Fiscal Impact

The acquisition cost is $2,900,000. Per the PSA a $50,000 Earnest Money Deposit will be deposited within 3 days of execution of the PSA. The deposit is fully refundable up to and until 5:00 pm on the sixtieth (60th) day following the effective date of the PSA and applicable toward the purchase price. FH will have 60 days following the execution of the PSA as an Initial Contingency Period, to inspect and approve the property and complete all due diligence at FH’s sole discretion. FH will also have the Option to Extend the Initial Contingency Period by 15 additional days, with an additional $20,000 Extension Deposit which is applicable toward the purchase price.
**Background Information**

The subject property is located at 1254 Fulton St., Fresno, CA 93721 (APN 466-154-14) which is across the street from FH’s Central Office.
