Establishment of Interest Lists for the Project Based Voucher Program

Fresno Housing manages the Project Based Voucher (PBV) program for the City of Fresno and the Fresno County Housing Authorities. Project-Based vouchers are a component of the Housing Choice Voucher (HCV) Program and are tied to specific units at a complex rather than being tied to the family. The PBV program provides rental assistance to eligible low-income individuals and families, which helps them afford safe, quality housing. Fresno Housing will be opening its Interest Lists to accept pre-applications for multiple PBV housing complexes. Each complex has its own separate criteria and qualifications an applicant must meet.

The Interest Lists below will open Wednesday, July 31, 2024, at 9:00 a.m. and close Wednesday, August 21, 2024, at 5:00 p.m.

The interest list will remain open for limited preference and referral-based programs only.
