Members of the Board of Commissioners of  
the Housing Authority of the City of Fresno:

We are pleased to present the Annual Comprehensive Financial Report for the Housing Authority of the City of Fresno (Agency) for the year ended December 31, 2023. This report is prepared in conformance with standards of financial reporting as established by the Governmental Accounting Standards Board and the Government Finance Officers Association. The U.S. Department of Housing and Urban Development (HUD) requires that all public housing authorities publish within nine months after the fiscal year end, financial statements presented in conformity with U.S. Generally Accepted Accounting Principles (GAAP). The Agency's financial statements have been audited by CohnReznick LLP, a firm of licensed independent auditors. The purpose of the independent audit is to provide reasonable assurance that the audited financial statements are free from material misstatement. The auditors issued an unmodified opinion on the Housing Authority of the City of Fresno's financial statements for the year ended December 31, 2023. The data presented in this report is the responsibility of the management of Agency. To the best of our knowledge and belief, the data presented is accurate in all material aspects and is presented in a manner designed to fairly state the financial position and results of operations of the Agency. All disclosures necessary have been included to enable the reader to gain an understanding of Agency's financial affairs. As required by GAAP, management has provided a narrative introduction, overview and analysis to complement the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This transmittal letter is designed to complement the MD&A and should be read in conjunction with it. The Agency's MD&A can be found immediately following the Independent Auditor's Report.

### **Government Overview**

The Housing Authority of the City of Fresno was established by a resolution of the Fresno City Council on March 14, 1940. Agency was founded under the Health and Safety Code of the State of California and the United States Housing Act of 1937, and is governed by a seven-member Board of Commissioners appointed by the Mayor of the City of Fresno, where five members are appointed to four-year terms, and two members, also residents of the Agency's housing program, are appointed to two-year terms. The Housing Authority of the City of Fresno has been operating in conjunction with the Housing Authority of Fresno County since 1995 under a Joint Exercise of Powers Agreement, which authorizes the two agencies to pool resources and cooperate on designated projects of mutual interest. Collectively known as Fresno Housing (FH), the two housing authorities serve Fresno County under a variety of programs with the mission to create and sustain vibrant communities.

Fresno Housing’s mission is accomplished by administering a number of programs developed by HUD, including the Public Housing Program, the Housing Choice Voucher Program and the Project Based Voucher Program. FH’s primary source of funding comes from HUD, who has direct responsibility for administering housing program under the Housing Act of 1937. FH also receives funding from the U.S. Department of Agriculture’s Rural Development Program to provide farm labor housing in the City of Fresno. In addition to these federal programs, FH has established various instrumentalities, affiliates and partnerships to explore and develop innovative methods for offering housing opportunities to low and moderate income residents of Fresno County. Altogether, FH provides affordable housing to more than 40,000 of Fresno’s lowest-income families, elderly, veterans, and persons with disabilities, making FH the County’s largest provider of affordable housing.

## **Economic Condition and Outlook**

Over these past seven decades, Fresno Housing has been flexible in adhering to complex and demanding government mandates, while continuously attempting to meet the housing needs of Fresno’s diverse communities. As FH looks to the future, FH continue to consider ways to advance affordable housing opportunities by growing programs strategically, by maximizing the potential of its resources – increasing its effectiveness and expanding its capacity – and by responding appropriately to the specific issues facing the ever-changing communities of Fresno County.

Congressional housing legislation and the Federal budget affect the FH more than local economic factors. FH’s primary source of funding is HUD. As with most housing authorities, a majority of FH’s operating and capital funding comes from federal sources in the form of operating subsidies, capital grant funds and Housing Choice Voucher Housing Assistance Payments (HAP). In FY 2023, HUD and other federal agencies provided approximately 79% of the Agency’s total operating revenues. For the Public Housing program, housing authorities receive operating subsidies in accordance with an operating subsidy funding formula. In general, the calculated subsidy amount is the difference between an estimate of operating costs minus an estimate of income from rents. Operating subsidies are subject to annual appropriation by Congress. In 2023, the Public Housing program was funded at 92.15% of eligibility. Funding for Housing Choice Voucher was prorated at 100% for HAP and 97.38% of eligibility for administrative fees.

## **Major Initiatives**

Fresno Housing envisions an engaged community, where all residents have access to quality housing that contributes to vibrant neighborhoods, and where all residents are empowered to achieve their educational and economic goals. Fresno Housing continues to focus on four primary strategies, as it works toward its broad, community-building mission and vision.

**Place.** Develop and maintain quality affordable housing for low-income residents throughout the County.

**People.** Design, implement, and sustain exceptional programs that invest in residents and program participants to become self-fulfilled through an array of educational, employment, and economic platforms.

**Partnership.** Lead, encourage, and build partnerships with local, regional, and national organizations to promote policies that build community that increase and enhance affordable housing options, and that provide programs that reflect and support the diverse needs to housing participants.

**Public.** Generate public will to address the housing needs to low-income households in Fresno, and throughout California, by contributing to effective national and statewide advocacy efforts and by implementing programs that educate and encourage residents of County of Fresno to have a voice in housing and civic issues.

It is FH's mission to serve the residents of Fresno by developing and expanding the availability of quality affordable housing options throughout the County by growing and preserving appropriate residential assets and increasing housing opportunities for low-income residents. Over the past decade, FH has been one of the most productive affordable housing developers in the Central Valley, building and renovating over 2,600 units and bringing over \$870 million dollars of private investment to Fresno County. These efforts are mainly accomplished through the Low-Income Housing Tax Credit Program (LIHTC) and HUD's Rental Assistance Demonstration (RAD). These two programs allow FH to leverage public and private debt and equity in order to construct and/or rehabilitate affordable housing stock.

Avalon Commons Phase I is a new construction development consisting of an approximate 3,600 square foot community building, 59 multifamily low-income units and 1 manager's unit on approximately 6.65 acres in Fresno, CA. The financing closing was completed in April 2023 and construction is expected to complete in Q4 2024.

Step Up on 99 (the "Project") is an adaptive reuse/new construction development consisting of an approximate 2,585 square foot community building, 62 multifamily low-income units, and 1 manager's unit on approximately 2.15 acres in Fresno, CA. The financing closing was completed in July 2023 and construction is expected to complete in Q2 2025.

In March, 2023, the Board authorized acquisition of the former CVS site located at 1302 Fulton, directly adjacent to the Fresno Housing Central Office. This site, combined with the Fresno Housing parking lot area, totals approximately 2.2 acres, and is envisioned to include a mix of up to 450 units of student housing, affordable housing, market rate housing and commercial space.

Heritage Estates is a proposed 33 single-family home development on 7.94 acres of vacant land in Southwest Fresno. The site is bordered by E. Florence Avenue on the North, across from the Legacy Commons affordable housing development, and will have a primary entrance connecting to Walnut Avenue to the east. The property is currently owned by the Successor Agency to the Redevelopment Agency to the City of Fresno. The FH proposed development of the site into affordable single family homes and committed the land and additional funding in an amount equivalent to \$1,200,000. The current plans call for 3 and 4 bedroom homes ranging in size from 1393 to 1606 square feet. Once complete, the homes will be made available to households earning ranging from 50%-80% AMI and market rate. Public funding sources will be used to support down payment assistance and forgivable and/or deferred second mortgages.

Other on-going, FH initiatives include a Landlord Outreach Program, Workforce Development Pilot, Research, Program Evaluation, and Analysis, the California Avenue Neighborhood Plan, Diversity Equity and Inclusion Plan, and a Resident Safety Program.

## **Financial Information**

Fresno Housing's management is responsible for establishing and maintain a proper internal control structure to safeguard its assets and ensure accounting data is accurately presented in conformance with GAAP. FH has designed its internal control structure to provide reasonable, but not absolute, assurances that these objectives are met. The concept of reasonable assurance recognizes that: (1) the costs of a control should not exceed the benefits likely to be derived, and (2) the valuation of costs and benefits requires estimates and judgment by management.

As a recipient of federal awards, FH is responsible for ensuring that adequate internal controls are in place to provide compliance with applicable laws, regulations, contracts and grants related to those programs. These internal controls are subject to periodic evaluation by management, and their independent auditors. As part of FH's single audit, the adequacy of internal controls are tested, including that portion related to federal award programs, as well as FH's compliance with applicable laws, regulations, contracts and grants. The FH's single audit for the year ended December 31, 2023 found no instances of material weakness in the internal controls. Reports were prepared for this purpose and are included in this financial report in the Single Audit Section.

FH exercises budgetary controls over all programs through a variety of internal control mechanisms. Automated systems allow checking for purchases against expenditure budgets and accounts. Secondary budgetary control is maintained by the encumbrance of estimated purchase amounts and contracts prior to releasing payments on the purchase orders. Third is an automated inquiry system, which allows the user to look up account information to check budgets and detailed charges against budgets. Budget to actual reports are presented to the FH Board and management for all FH programs on a monthly basis.

## **Acknowledgements**

Preparation of the Annual Comprehensive Financial Report is made possible through the dedicated service of the entire staff of the Accounting & Finance Department. Our sincere appreciation is extended to the management and staff of CohnReznick, LLP who provided the necessary professional auditing services and technical assistance.

In closing, without the leadership and support of the members of the Boards of Commissioners, preparation of this report would not have been made possible.

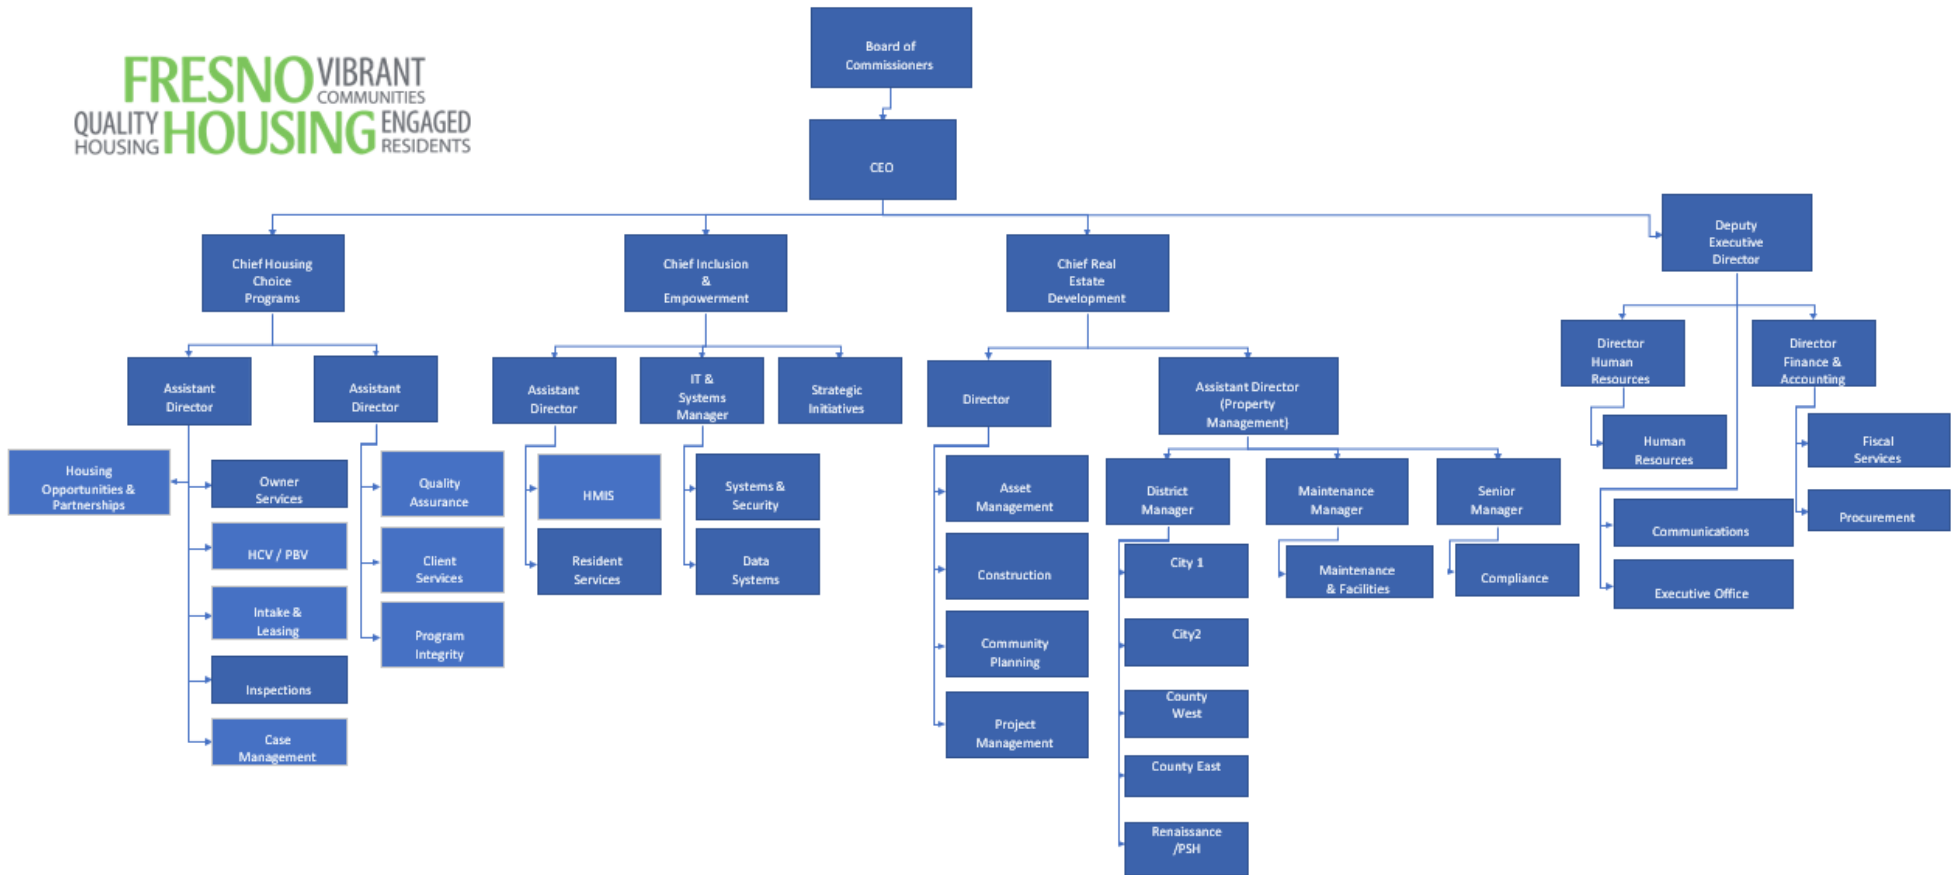

Respectfully Submitted,

## Independent Auditor's Report

To the Board of Commissioners  
Housing Authority of the City of Fresno

Report on the Audit of the Financial Statements

### *Opinion*

We have audited the financial statements of the business-type activities of the Housing Authority of the City of Fresno (the "Agency"), as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditor, the accompanying financial statements present fairly, in all material respects, the financial position of the business-type activities of the Housing Authority of the City of Fresno, as of December 31, 2023, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Silvercrest, Inc., a joint venture of the Agency. The Agency's investment in Silvercrest, Inc. as of December 31, 2023 of \$6,419,410 is included in investments in joint ventures in the statement of net position and the Agency's share of Silvercrest, Inc.'s income for the year then ended of \$994,806 is included in share of joint venture income in the statement of revenues, expenses and changes in net position. Those financial statements were audited by another auditor whose report thereon has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Agency's investment in Silvercrest, Inc. is based solely on the report of the other auditor.

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. The financial statements of Silvercrest, Inc. were not audited in accordance with *Government Auditing Standards*. We are required to be independent of the Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of changes in net pension liability and related ratios, and the schedule of pension plan contributions as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Agency's basic financial statements. The Financial Data Schedule required by the U.S. Department of Housing and Urban Development ("HUD") and the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Financial Data Schedule required by HUD and the Schedule of Expenditures of Federal Awards as listed in the table of contents as other supplementary information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedule required by HUD and the Schedule of Expenditures of Federal Awards as listed in the table of contents as other supplementary information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### *Other Information*

Management is responsible for the other information included in the annual comprehensive financial report. The other information comprises the introductory and statistical sections included in the annual comprehensive financial report but does not include the basic financial statements and our auditor's report thereon. Our opinion on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 25, 2024, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

# **Housing Authority of the City of Fresno Management's Discussion and Analysis Year Ended December 31, 2023**

## **Introduction**

This narrative overview and analysis of the Housing Authority of the City of Fresno's (the "Agency") performance through December 31, 2023, is provided as a supplement to the Agency's year-end financial statements. Please read it in conjunction with the basic financial statements and the notes to the basic financial statements.

## **Overview of the Basic Financial Statements**

The Agency's Basic Financial Statements consist of the following:

- Statement of Net Position
- Statement of Revenues, Expenses and Changes in Net Position
- Statement of Cash Flows
- Notes to the Basic Financial Statements
- Required Supplementary Information
- Other Supplementary Information

The Agency, like other governmental and quasi-governmental entities, uses fund accounting to ensure and demonstrate compliance with funding-related requirements. The funds are combined in a Proprietary Fund, which is a single "enterprise fund" with "business-type" activities intended to recover all or a portion of their costs through fees and charges for services. The Proprietary Fund presents the activities of the Agency as a whole.

The specific financial activities of the Agency have been presented within the following:

- The Statement of Net Position includes all of the Agency's assets and deferred outflow of resources (DOR) and liabilities and deferred inflow of resources (DIR), with the difference between the two reported as the net position. Assets and liabilities are presented in the order of liquidity and are classified as "current" (convertible to cash within one year) and "non-current". This statement also provides a basis of measuring the liquidity and financial flexibility of the Agency. Over time, increases or decreases in net position will serve as a useful indicator of whether the Agency's financial health is improving or deteriorating.
- The Statement of Revenues, Expenses and Changes in Net Position reports the Agency's revenues by source and its expenses by category to substantiate the changes in net position for the year. This statement measures the success of the Agency's operations over the past year.
- The Statement of Cash Flows reports how the Agency's cash was provided and used during the year. It also provides information about the Agency's operating, investing, and financing activities, and can be used to reconcile cash balances at December 31, 2023 and 2022. Fundamentally, this statement shows where cash came from, how cash was used, and what the change in cash was during the year.
- The Notes to the Basic Financial Statements provide additional information that is integral to a full understanding of the Basic Financial Statements. The Notes to the Basic Financial Statements can be found in this report after the Basic Financial Statements.

**Housing Authority of the City of Fresno  
Management's Discussion and Analysis  
Year Ended December 31, 2023**

- Required Supplementary Information includes the Schedule of Changes in Net Pension Liability and Related Ratios and the Schedule of Pension Plan Contributions, which are required by the Governmental Accounting Standards Board and are presented to supplement the basic financial statements.
- Other Supplementary Information includes the Financial Data Schedule which are submitted to U.S. Department of Housing and Urban Development's (HUD) Real Estate Assessment Center (REAC) online system.

**Financial Analysis**

Statement of Net Position

The purpose of the statement of net position is to give the financial statement reader a snapshot of the fiscal condition of the Agency at a certain point in time. It presents end of year data for assets and DOR, liabilities and DIR, and net position (assets/DOR minus liabilities/DIR).

Statement of Net Position is summarized in the table below:

	December 31,		Increase (Decrease)	Percentage Change

Total assets and DOR of the Agency at December 31, 2023 and 2022 amounted to \$176.5 million and \$163.01 million, respectively.

The significant components of unrestricted current assets are cash and cash equivalents, and receivables from tenants, related parties, HUD and local governments. Restricted current assets are cash and cash equivalents that are restricted for explicit purposes, like federal programs or project-specific reserves. Capital assets include land, land improvements, leasehold improvements, structures, construction in progress, and equipment. All capital assets, except for land and construction in progress, are shown net of accumulated depreciation. Other noncurrent assets include long-term notes receivable, lease

receivable, interest receivable, assets held for sale and investments in joint ventures. The principal changes in assets from December 31, 2022 to December 31, 2023 were increases in due from other governments for the 2023 set aside short fall funding received in 2024 and increase in due from related parties. The increase in other assets was mainly attributable to the pre-development loan issued.

Total liabilities and DIR of the Agency were \$50.4 million and \$48.2 million at December 31, 2023 and 2022, respectively. Current liabilities include short-term accounts payable, accrued liabilities, current portions of long-term debt, and unearned revenue. The increase in current liabilities by \$467 thousand was mainly attributable due to the adoption of GASB 96. Non-current liabilities decreased from \$28.9 million in 2022 to \$28.6 million in 2023 mainly due to payments on long-term debt. The pension liability represents the difference between the Agency's total pension liability and the current plan assets calculated at fair value. Following the adoption of GASB 96, the Agency recorded intangible right of use software arrangement of \$611 thousand and subscription payable of \$441 thousand as of December 31, 2022. See Note 11 in the Notes to the Basic Financial Statements for more information.

Net position represents the Agency's equity, a portion of which is restricted for certain uses. Net position is divided into the following three categories:

- Invested in capital assets, net of related debt and depreciation: Amounts on this line are the Agency's equity in land, structures, construction in progress, and equipment, net of related capital debt outstanding and accumulated depreciation.
- Restricted net position: These are assets subject to external limitations, and can be based on use, purpose, and/or time.
- Unrestricted net position: These resources are available for any use that is lawful and prudent based on the Agency's stated mission, and/or strategic plans.

The Agency's net position increased by 9.82% during the year from \$114.8 million in 2022 to \$126.1 million in 2023.

**Statement of Revenues, Expenses and Changes in Net Position**

The purpose of the statement of revenues, expenses and changes in net position is to present the operating and non-operating revenues earned by the Agency, the operating and non-operating expenses incurred, and other gains or losses of the Agency. This statement presents a glimpse into the financial activity that occurred from January 1, 2023 to December 31, 2023.

Operating revenues are the amounts received for providing housing services. This revenue can either come from tenants as rental payments, subsidy from the U.S. Department of Housing and Urban Development (HUD), developer fee revenue, or as grant revenue from another funding source. Non-operating revenues/expenses are earned/incurred when goods or services are not a part of normal business activity, for example, interest income or interest expense. Operating expenses are those costs incurred to maintain the housing units or to provide other services to our clientele. Capital contributions represent revenues earned from HUD for public housing capital repairs and rehabilitation.

The preceding Statement of Revenues, Expenses and Changes in Net Position reflects the year ended December 31, 2023, compared to the year ended December 31, 2022. Overall, operating revenues increased by 27.52% or \$22.5 million from 2022 to 2023; operating expenses increased by 22.65% or \$18.1 million for the year; non-operating revenues increased by 487.7% or \$3.3 million from 2022 to 2023. Capital and equity contributions decreased by 49.27% or \$977 thousand, from 2022 to 2023. These changes lead to a total increase in net position of \$11.28 million from 2022 to 2023.

Explanations of the primary reasons for these changes are as follows:

- The increase in operating revenues is attributable to increase in Housing Assistance Payment with increase in Per Unit Cost.
- The net increase in non-operating revenues/(expenses) was mainly attributable to the Agency's investment income/loss from Silvercrest, Inc. and Housing Relinquish Fund Corporation (HRFC).
- The decrease in capital and equity contribution was mainly due to less HUD capital grants drawn for the Rental Assistance Demonstration (RAD) investment projects and capital related activities.

Total Capital Assets, Net	<u>\$ 28,879,173</u>	<u>\$ 22,838,137</u>	<u>\$ 6,041,036</u>	<u>26.45%</u>

Overall, the Agency's capital assets increased by \$6.04 million during 2023, attributable to construction in progress being placed in service. See Note 7 in the Notes to the Basic Financial Statements for more information.

Debt Administration

The table below shows the Agency's outstanding debt at December 31, 2023 and 2022. Short-term borrowings include inter-fund loans between programs, between the City and County Housing Authorities, or between component units of the Agency. Notes payable - non-related parties include loans and mortgages with external entities. Notes payable - related parties includes loans from joint ventures and Agency-sponsored limited partnerships.

	December 31,		Increase (Decrease)	Percentage Change
	2023	2022		
Short Term Borrowings (Interfund)	\$ 1,967,116	\$ 1,967,116	-	0.00%
Notes Payable - Non-Related Parties	11,464,374	11,626,314	(161,940)	-1.39%
Notes Payable - Related Parties	6,709,558	6,341,596	367,962	5.80%
Total Debt	<u>\$ 20,141,048</u>	<u>\$ 19,935,026</u>	<u>\$ 206,022</u>	<u>1.03%</u>

The notes payable increased by \$206 thousand during the year mostly due to increase in non-related parties loans for development of low-income projects. See Note 12 in the Notes to the Basic Financial Statements for more information.

**Economic Factors Affecting the Agency's Future**

The majority of the Agency's funding comes from the U.S. Department of Housing and Urban Development (HUD) in the form of Housing Choice Voucher housing assistance payments, Public Housing operating subsidies, Capital Fund grants, and other smaller grants. Over the past decade, Congress and the federal government have continued to cut housing subsidies due to changes in budget priorities. These funding reductions continue to have an impact on the Agency's economic position because federal subsidies make up a majority of the Agency's revenue and, there still is significant uncertainty about future funding levels. The Agency continues to explore alternative funding options to lessen our federal dependency through development activities and pursuit of other grants; however, HUD will most likely continue to be a major funding source over the foreseeable future.

**Housing Authority of the City of Fresno  
Management's Discussion and Analysis  
Year Ended December 31, 2023**

As we look forward, the near-term forecast for low-income housing programs continues to be unchanged, requiring the Agency to operate with less federal funding while continuing to provide high quality, affordable housing that promotes safe and vibrant communities. The Agency has been swift to respond to changes in federal limitations, both programmatically and financially. We have responded by implementing changes designed to reduce costs with the least effect on services. We have been adamant that despite funding cuts, we would continue to maintain housing for existing residents and voucher participants. As a result, the Agency is better poised to weather additional funding cuts without further capacity reductions.

While we acknowledge the challenges, and face political, economic and public health realities head-on, we remain committed more than ever to our mission of creating and sustaining vibrant communities across the City of Fresno. Our strategy for accomplishing this includes: developing and maintaining quality affordable housing for low-income individuals throughout the City of Fresno; implementing exceptional programs that invest in our residents; encouraging partnerships with local, regional and national organizations to build the Fresno community; and generating public will to address the housing needs of low-income individuals. We are confident our strategy will allow us to attain these goals and strengthen the Agency's ability to address the housing and quality-of-life challenges facing Fresno, both now and in the future.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

**1) Summary of Significant Accounting Policies**

**a) General Purpose**

The Housing Authority of the City of Fresno, California (the Agency) is responsible for the development and implementation of certain housing programs and activities within the City of Fresno, California. The Agency provides housing to families under a variety of programs including conventional Low-Income Public Housing, Housing Choice Vouchers, Section 42 Low-Income Housing Tax Credits, Migrant Services, Farm Labor Housing, Emergency Housing, and others.

**b) Financial Reporting Entity**

The Agency was established by a resolution of the Fresno City Council on March 14, 1940. The Agency is governed by a seven-member Board of Commissioners appointed by the Mayor of the City of Fresno, where five members are appointed to four-year terms, and two members, also residents of the Agency's housing programs, are appointed to two-year terms.

As required by Generally Accepted Accounting Principles, these financial statements present the Agency and any component units. A component unit is an entity for which the primary government is considered to be financially accountable.

- The primary government is considered to be financially accountable for an organization if it appoints a voting majority of that organization's governing body, and (1) if the primary government is able to impose its will on that organization or (2) there is a potential for that organization to provide specific financial benefits to or impose specific financial burdens on the primary government.
- The primary government may also be considered financially accountable for an organization if that organization is fiscally dependent on the primary government (i.e., the organization is unable to approve or modify its budget, levy taxes or set rates/charges, or issue bonded debt without approval from the primary government).
- In certain cases, other organizations are included as component units if the nature and significance of their relationship with the primary government are such that their exclusion would cause the primary government's financial statements to be misleading or incomplete, even though the primary government is not considered financially accountable for that organization under the criteria previously described. A legally separate, tax exempt organization is reported as a component unit if (1) the economic resources received or held by the organization are entirely or almost entirely for the direct benefit of the primary government or its constituents; (2) the primary government is entitled to or has the ability to otherwise access a majority of the economic resources received or held by the organization; and (3) the economic resources received or held by the organization are significant to the primary government.

Component units must be classified as either "blended" or "discrete" in the primary government's financial statements. A component unit is "blended" if the governing boards of the two organizations are substantially the same, or if the component unit provides services entirely or almost entirely to the primary government. Component units that do not meet either of these two

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

criteria are considered “discrete” and are reported only in the government-wide financial statements.

A brief description of the Agency’s blended component unit is as follows:

Pacific Gardens Enterprises, Inc. a California Corporation. In 2010, the Agency purchased 100% of the Corporation’s outstanding stock. Pacific Gardens Enterprises, Inc. consists of a 56-unit affordable housing project in the City of Fresno. In March 2011, the Agency entered into a Purchase and Sale Agreement with Pacific Garden, LP related to the building and improvements, and Ground Lease agreement related to the land and improvement. The Limited Partnership pays rent to the Corporation for the use of the land. Separate financial statements are not issued for Pacific Gardens Enterprises, Inc.

**c) Basis of Presentation**

The basic accounting and reporting entity is a “fund”. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts, recording resources, related liabilities, obligations, reserves and equities segregated for the purpose of carrying out specific activities or attaining certain objectives with special regulations, restrictions or limitations.

The Agency has chosen to report its activity as one fund. The fund of the Agency is considered to be an enterprise fund. Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent is that costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. Enterprise funds are also used when the governing body has decided that periodic determination of revenues earned, expenses incurred, or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

**d) Measurement Focus/Basis of Accounting**

Measurement focus refers to what is being measured; basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The Agency’s operations are accounted for on an economic resources measurement focus using the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recorded at the time liabilities are incurred.

When the Agency incurs an expense for which both restricted and unrestricted resources may be used, it is the Agency’s policy to use restricted resources first and then unrestricted resources as needed.

**e) Cash and Cash Equivalents**

The Agency’s cash and cash equivalents are considered to be cash on hand, demand deposits, and reserves for replacements with original maturities of three months or less from the date of acquisition that are not specifically restricted as to use.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

**f) Restricted Cash**

Restricted cash represents deposits to lender required replacement reserve and impound accounts, insurance reserve, program funding and security deposit.

**g) Assets Held for Sale**

Several of the Agency's funds administer homeownership programs. Assets held for sale consist of housing units set aside by the Agency for these homeownership programs. These assets are recorded at the Agency's cost to purchase the property or upon entering into a contract for sale, the estimated realizable value, if lower. See Note 10 for further discussion.

**h) Capital Assets**

Capital assets are defined by the Agency as assets with an initial, individual cost of \$5,000 or more and having an estimated useful life of greater than one year. All purchased capital assets are valued at historical cost. Contributed capital assets are recorded at acquisition value at the time received.

Capital assets acquired for proprietary funds are capitalized in the respective funds to which they apply. Depreciation of exhaustible capital assets used by proprietary funds is charged as an expense against operations, and accumulated depreciation is reported on the proprietary funds balance sheet. Depreciation has been provided over the estimated useful lives using the straight-line method of depreciation. Buildings are being depreciated over a useful life of thirty years, modernization costs over ten years, and dwelling and other equipment over five years.

Major outlay for capital assets are capitalized as projects are constructed. For certain projects that are intended to be sold or transferred, construction in progress remains capitalized in the financial statements until such sale or transfer occurs.

**i) Impairment of Capital Assets**

The Agency reviews its capital assets for impairment whenever events or changes in circumstances indicate that there has been a decline in service utility that is magnitude and outside of the normal life cycle of the capital asset being evaluated. As of December 31, 2023, there has been no impairment of the capital assets.

**j) Predevelopment Costs**

The Agency incurs costs in connection with properties it is considering for development as well as costs associated with projects in the initial stages of development. These costs include such items as market studies, purchase options, environmental study costs, legal and accounting costs. Predevelopment costs are capitalized until such time as the project is no longer considered desirable or feasible, at which time the costs are expensed. Predevelopment costs related to projects that are ultimately developed are subsequently recorded as receivables to be repaid by the applicable projects.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

**k) Accounts Receivable and Allowance for Doubtful Accounts**

Accounts receivable are stated net of an allowance for doubtful accounts. The Agency estimates an allowance based on an analysis of specific tenants, and landlord participants taking into consideration past due accounts and an assessment of the debtor's general ability to pay.

**l) Net Position**

Net position represents the difference between assets and DOR and liabilities and DIR. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction, or improvement of those assets. Net position is reported as restricted when there are limitations imposed on their use either through constitutional provisions or enabling legislation or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.

**m) Operating Revenue and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of the proprietary funds. For the Agency, these revenues are typically rental charges, developer revenue and operating grants. Operating expenses are necessary costs that have been incurred in order to provide the good or service that are the primary activity of the fund. All revenue and expenses not meeting these definitions are reported as non-operating revenue and expenses.

**n) Income Taxes**

The Agency is exempt from Federal Income and California Franchise Taxes except for taxable transactions incurred by the blended component unit operated by the Agency. The Agency files federal and state tax returns for the blended component unit.

**o) Grant Restrictions**

The Agency has received loans and grants from the U.S. Department of Housing and Urban Development, the U.S. Department of Agriculture, and the California Housing Finance Agency to build and improve housing projects. The grants require that only individuals and families that meet various income, age and employment standards be housed or aided.

Further, if the fund equity of the Agency's U.S. Department of Agriculture program exceeds certain levels, the payments on these notes must be increased.

**p) Use of Estimates**

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America, and accordingly, include amounts that are based on management's best estimates and judgments. Accordingly, actual results may differ from the estimates.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

**q) Notes Receivable**

The accompanying financial statements reflect the recording of certain notes receivable that represent loans made to various parties, including related parties. In certain cases, the amount of collection is dependent upon future residual receipts to be generated by the property or contingent upon the ability of the owner to sell the property at an amount sufficient to pay all liens against the property, including the obligation to the Agency. Where reasonably estimable, an allowance for doubtful accounts has been recorded to reflect management's best estimate of likely losses associated with non-repayment. An estimate of any additional potential losses associated with non-repayment cannot be reasonably estimated at this time.

**r) Leases**

Lessee: The Agency is a lessee under noncancellable leases and recognizes a lease liability and an intangible right-of-use lease asset in the statement of net position. The Agency recognizes lease liabilities with an initial individual value of \$1,000 or more and a useful life in excess of one year. The Agency initially measures the lease liability at the present value of the payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of the lease payments made. The right-of-use lease asset is initially measured as the initial amount of the lease liability, adjusted for payments made at or before the lease commencement date. Subsequently, the right-of-use lease asset is amortized on a straight-line basis over the shorter of the lease term or the useful life of the underlying asset. Key estimates and judgments related to leases include how the Agency determines (1) the discount rate it uses to discount the expected lease payments at present value, (2) the lease term, and (3) the lease payments.

- The Agency uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the Agency generally uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease.
- The lease payments included in the measurement of the lease liability are composed of fixed payments and purchase option price that the Agency is reasonably certain to exercise.

The Agency monitors changes in circumstances that would require a remeasurement of its leases and will remeasure the right-of-use lease asset and the lease liability if certain circumstances occur that are expected to significantly affect the amount of the lease liability.

The right-of-use lease assets is included within capital assets in the statement of net position.

Lessor: The Agency is a lessor under noncancellable leases and recognizes a lease receivable and a deferred inflow of resources in the statement of net position. The Agency initially measures the lease receivable at the present value of the payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of the lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

date. Subsequently, the deferred inflow of resources is recognized as revenue over the lease term. Key estimates and judgments related to leases include how the Agency determines (1) the discount rate it uses to discount the expected lease receipts at present value, (2) the lease term, and (3) lease receipts.

- The Agency uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease.
- The lease receipts included in the measurement of the lease receivable are composed of fixed payments (or in substance fixed payments) from the lessee.

The Agency monitors changes in circumstances that would require a remeasurement of its leases and will remeasure the lease receivable and the deferred inflows of resources if certain circumstances occur that are expected to significantly affect the amount of the lease receivable.

**s) Investments in Joint Ventures**

The Agency has investments in joint ventures that are owned, operated, or governed by two participants as a separate and specific activity subject to joint control, in which the participants retain (a) an ongoing financial interest or (b) an ongoing financial responsibility. See Note 9 for further disclosure.

**t) Defined Benefit Pension Plan**

For purposes of measuring the net pension liability, deferred outflows and inflows of resources related to pensions, pension expense, information about the fiduciary net position of the Agency's California Public Employees' Retirement Systems (CalPERS) Plan (the Plan) and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when currently due and payable in accordance with the benefit terms. Pension plan investments are reported at fair value.

GAAP requires that the reported results must pertain to liability and asset information within certain defined timeframes. For this report, the following timeframes are used:

Valuation Date (VD)	June 30, 2022
Measurement Date (MD)	June 30, 2023
Measurement Period (MP)	July 1, 2022 to June 30, 2023

**u) Deferred Outflows/Inflows of Resources**

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to future period(s) and so will not be recognized as an outflow of resources (expense/ expenditure) until that time. The Agency has one item that qualifies for reporting in this category: Deferred Outflows - Pension Related.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Agency has two items that qualify for reporting in this category: Deferred Inflows - Pension Related and Deferred Inflows - Leases Related.

**v) New Accounting Pronouncements**

During the year ended December 31, 2023, the Agency implemented the following new accounting standards issued by the GASB:

Statement No. 94, "Public-Private and Public-Public Partnerships and Availability Payment Arrangements". GASB Statement No. 94 establishes standards of accounting and financial reporting for Public-Private and Public-Public Partnerships (PPPs) and Availability Payment Arrangements (APAs). The requirements of this Statement are effective for the Agency's year ending December 31, 2023. The adoption of this Statement had no impact on the Agency's financial statements and related disclosures.

Statement No. 96, "Subscription-Based Information Technology Arrangements". GASB Statement No. 96 establishes standards of accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users. Under this Statement, a government generally should recognize a right-to-use subscription asset, an intangible asset, and a corresponding subscription liability. The requirements of the Statement are effective for the Agency's year ending December 31, 2023. The adoption of this Statement had the following effect on net position as reported as of December 31, 2022.

Net Position, December 31, 2022	\$ 114,796,335
Adjustments:	
Prepaid asset	(167,170)
Subscription Liability	(444,111)
Intangible Right of Use Software Arrangements	611,281
Restated net position, December 31, 2022	\$ 114,796,335

The Agency is currently analyzing its accounting practices to determine the potential impact on the financial statements for the following GASB Statements:

- Statement No. 100, "Accounting Changes and Error Corrections - an amendment of GASB Statement No. 62". Statement No. 100 establishes standards to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. The requirements of this Statement are effective for Agency's year ending December 31, 2024.
- Statement No. 101, "Compensated Absences". Statement No. 101 establishes standards to unify the recognition and measurement model of liabilities for compensated absences. The requirements of this Statement are effective for Agency's year ending December 31, 2024.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

- Statement No. 102, "Certain Risk Disclosure". Statement No. 102 establishes standards to provide users of financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. The requirements of this Statement are effective for Agency's year ending December 31, 2025.
- Statement No. 103, "Financial Reporting Model Improvements". Statement No. 103 establishes standards to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. The requirements of this Statement are effective for Agency's year ending December 31, 2026.

**2) Cash and Cash Equivalents and Restricted Cash**

Cash and cash equivalents held by the Agency at December 31, 2023, was classified as follows in the accompanying Statement of Net Position:

Cash and Cash Equivalents	\$ 4,574,097
Restricted Cash	1,171,864
<b>Total Cash, Cash Equivalents and Restricted Cash</b>	<b>\$ 5,745,961</b>

Disclosure Related to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity its fair value will be to changes in market interest rates. In accordance with the Agency's Investment Policy, the Agency manages its exposure to interest rate risks by purchasing a combination of shorter term and longer-term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Disclosure Related to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization.

For the year ended December 31, 2023, the Agency did not maintain a significant equity position in investment pool activities. It is the policy of the Agency to invest only in highly rated securities to the extent practicable and where applicable by law.

Concentration of Credit Risk

The investment policy of the Agency contains no limitations on the amount that can be invested in any one issuer beyond that stipulated by the California Government Code. There are no investments in any one issuer (other than external investment pools) that represent 5% or more of the Agency's total investments.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The California Government Code and the Agency's Investment Policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits, other than the following provision for deposits: The California Government Code requires California banks and savings and loan associations to secure the Agency's deposits not covered by federal deposit insurance by pledging mortgages or government securities as collateral. The market value of mortgages must equal at least 150% of the face value of deposits. The market value of government securities must equal at least 110% of the face value of deposits. Such collateral must be held in the pledging bank's trust department in a separate depository in an account for the Agency.

The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (broker-dealer, etc.) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Agency's Investment Policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for investments. With respect to investments, custodial credit risk generally applies only to direct investments in marketable securities. Custodial credit risk does not apply to a local government's indirect investment in securities through the use of mutual funds or government investment pools.

The Agency executed a "General Depository Agreement" with Wells Fargo on April 21, 2014. This agreement states that any portion of the PHA funds not insured by a Federal insurance organization shall be fully (100%) and continuously collateralized with specific and identifiable U.S. Government or Agency securities as prescribed by HUD. Such securities shall be pledged and set aside in accordance with applicable law or Federal regulation.

The Agency's cash deposits, and cash equivalents are \$5,745,961 at December 31, 2023. Bank balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 and for amounts over \$250,000 collateralized with securities held by the pledging financial institutions in the Agency's name in accordance with California Government Code as discussed above. \$5,003,196 is collateralized as of December 31, 2023, and the remaining \$742,765 is uncollateralized cash deposits and cash equivalents.

Pooled Cash and Cash Equivalents

The Agency's cash and investments are pooled with the Housing Authority of Fresno County's cash and cash equivalents. Income from the investment of the pooled cash is allocated to each Agency's funds on a monthly basis, based on the average monthly balance of the fund as a percent of the average monthly total pooled cash balance.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

**3) Restricted Cash**

Restricted cash consists of funds that cannot be disbursed by the Agency unless approval is obtained from another government agency, mortgagor, or restrictions are released.

Cash held by the California Housing Finance Agency (CHFA) can only be used for major repairs or insurance on the associated project and upon receipt of prior written approval from CHFA. Cash held as replacement reserves for the USDA projects cannot be disbursed without the approval of the USDA Rural Economic and Community Development. The funds held by CHFA, excess HAP funds and the funds held for the replacement of the USDA program projects are also reported as restricted net position. The amounts held by the Agency on behalf of program participants, tenants and for future HAP payments not yet taken as revenue are also reported as payable from restricted assets.

Details of restricted cash at December 31, 2023 are as follows:

<b>Cash Restricted for:</b>	<b>Cash Restriction</b>	<b>In Liabilities</b>	<b>In Restricted Net Position</b>
Escrow	\$ 36,649	\$ 16,242	\$ 20,407

	<b><u>\$ 1,171,864</u></b>	<b><u>\$ 1,151,457</u></b>	<b><u>\$ 20,407</u></b>

**4) Accounts Receivable**

The Agency's accounts receivable consists of related party receivables, grant program receivables, overpayment to landlords and tenant rent receivables. Accounts receivable are carried at amortized costs, net of allowance for doubtful accounts. Provisions for losses are charged to operations in amounts sufficient to maintain an allowance for losses at a level considered adequate to cover probable losses inherent to the Agency's accounts receivable. The allowance for losses is based on management's evaluation of the collectability of the receivables and historical loss experience.

Accounts receivable at December 31, 2023 consist of the following:

Accounts Receivable - Tenants, Net of Allowance for Doubtful Accounts of \$21,607	\$ 249,966
Miscellaneous Receivables, Net of Allowance for Doubtful Accounts of \$61,192	401,607

**City of Clovis**

The Agency has purchased a \$500,000 subordinate, multifamily housing revenue bond for the Silver Ridge at Clovis project. The bond was purchased with homebuyer reserve proceeds. The proceeds of the bond were used to develop an apartment complex for seniors in the City of Clovis. The bond matures September 1, 2040 and accrues interest at a rate of 1% per annum.

Annual principal and interest payments depend on the residual cash flows of this future tax credit project. The availability of these cash flows to make future payments is unknown. As of December 31, 2023, the outstanding principal balance was \$123,810.

Subscription-Based Information Technology Arrangements ("SBITA")

On January 1, 2023, the Agency implemented GASB No. 96. The Agency identified one software arrangement that require recognition under GASB No. 96. This SBITA is recorded as intangible right of use software arrangement in the capital assets and subscription liability. As an interest rate implicit in the Agency's subscription arrangements are not readily determinable, the Agency uses the State of California incremental borrowing rate posted for GASB No. 96. For fiscal year 2023-2024 for leases 0 months to 60 months this rate was 2.63%. The terms in months are calculated to include option periods.

On October 1, 2020, the Agency and the Housing Authority of Fresno County, a related party, jointly entered a three-year agreement with 2 additional option years with Yardi Systems, Inc. Annual payments are due in the amount of \$415,631, with an annual increase up to the Consumer Price

NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

City of Fresno NSP (Neighborhood Stabilization Program)

In March 2013, the Agency entered into a Loan Agreement with the City of Fresno for \$1,800,000 to administer the Neighborhood Stabilization Program, a federal program funded by HUD. This loan is intended for the construction, rehabilitation, and/or preservation of project units and affordable housing units. In March 2014, an Amendment to the Agreement was made to increase the loan amount to \$3,000,000. This note carries a 2% simple annual interest rate. Current payment terms are based upon residual cash flow of the properties being funded with principal and interest payable 30 years from origination date. As of December 31, 2023, the outstanding balance of this note was \$3,000,036.

Santa Clara-AHP

On November 14, 2014, the Agency entered into a promissory note with Mississippi Valley Company Bank in the amount of \$638,839 (the "AHP Loan") from funds provided by the Federal Home Loan Bank of San Francisco pursuant to the regulations governing the Affordable Housing Program ("AHP"). Under the terms of the agreement, the AHP Loan bears no interests. The Agency has loaned the proceeds to 1555 Santa Clara Street, LP, a related party. See Note 8 for the Notes Receivable from 1555 Santa Clara Street related to this AHP loan. As of December 31, 2023, the outstanding principal balance was \$638,839.

Fresno Renaissance at Trinity-AHP

On February 25, 2013, the Agency entered into a promissory note with Bank of the West in the amount of \$200,000 from funds provided by the Federal Home Loan Bank of San Francisco pursuant to the regulations governing the Affordable Housing Program ("AHP"). Under the terms of the agreement, the AHP Loan bears no interest. The Agency has loaned the proceeds to Fresno Renaissance at Trinity, LP, a related party. See Note 8 for the Notes Receivable from Fresno Renaissance at Trinity related to this AHP loan. As of December 31, 2023, the outstanding principal balance was \$200,000.

San Ramon Apartments

On July 15, 2019, the Agency entered into a promissory note with Central Valley Community Bank in the amount of \$1,025,000. The fund was applied to the HRFC loan, which can be used on future affordable housing projects. The note accrues interest of 5.25% per annum and matures on July 15, 2029. As of December 31, 2023, the outstanding principal balance was \$956,228.

Mortgages

On January 14, 2004, the Agency borrowed \$5,000,000 from the Bank of the West, with the purpose of refinancing the debt on three apartment complexes: El Cortez Apartments, Dayton Square, and Woodside Apartments. Each of the three loans is secured by each apartment complex. On March 20, 2014, the three mortgages were re-financed for \$4,589,657 at 4.25% interest rate and set to mature on January 5, 2024. On April 21, 2022, the three loans were re-financed for \$5,645,000 at 3.79% interest rate and set to mature on April 21, 2037.

<b>Total Unearned Revenues</b>	<b><u><u>\$ 822,581</u></u></b>

**17) Deferred Compensation**

The Agency offers its employees a deferred compensation plan created in accordance with Internal Revenue Code 457. The plan, available to all permanent employees, permits them to defer a portion of their current salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. Annual contributions by a participant may not exceed \$22,500 established by IRS for 2023. Employees may also borrow against their deferred compensation account while employed under the deferred compensation loan program. The 401(a) Plan also provides an employer-matching contribution on amounts up to \$900 per employee to defer into the 457 plan. The employer contribution to the 457 plan amounted to \$91,578 for the year ended December 31, 2023. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are held in trust for the exclusive benefit of participants and their beneficiaries.

The Agency maintains two plans which are administered by Mass Mutual and the California Public Employees' Retirement System. These funds are not recorded as assets of the Agency since they are held in trust for the exclusive benefit of participants and their beneficiaries and are not subject to claims of the Agency's general creditors.

**18) Defined Benefit Pension Plan**

All qualified permanent and probationary employees are eligible to participate in the Local Government's Miscellaneous Plans, agent multiple-employer defined benefit pension plans administered by the CalPERS, which acts as a common investment and administrative agent for its participating member employers. Benefit provisions under the Plans are established by State statute and Local Government resolution. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Plan's Major Benefit Options

CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full-time employment.

Contribution Description

Section 20814(c) of the California Public Employees’ Retirement Law (PERL) requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. The total plan contributions are determined through CalPERS’ annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The employer is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. Employer contribution rates may change if plan contracts are amended. Payments made by the employer to satisfy contribution requirements that are identified by the pension plan terms as to member contribution requirements are classified as plan member contributions.

For the measurement period ending June 30, 2023, the average active employee contribution rate was 7.00 percent of annual pay, and the average employer’s contribution rate was 8.22 percent of annual payroll. Employer contribution rates may change if plan contracts are amended. It is the responsibility of the employer to make necessary accounting adjustments to reflect the impact due to any Employer Paid Member Contributions or situations where members are paying a portion of the employer contribution.

Actuarial Methods and Assumptions Used to Determine Total Pension Liability

The June 30, 2022 valuation was rolled forward to determine the June 30, 2023 total pension liability, based on the following actuarial methods and assumptions:

Actuarial Cost Method	Entry Age Actuarial Cost Method
Actuarial Assumptions	
Discount Rate	6.90%
Inflation	2.30%
Salary Increases	Varies by Entry Age and Service
Mortality Rate Table <sup>1</sup>	Derived using CalPERS’ Membership Data for all funds
Post Retirement Benefit Increase	The lessor of contract COLA or 2.3% until Purchasing Power Protection Allowance floor on purchasing power applies, 2.3% thereafter

<sup>1</sup> The mortality table used was developed based on CalPERS-specific data. The probabilities of mortality are based on the 2021 CalPERS Experience Study and Review of Actuarial Assumptions. Mortality rates incorporate full generational mortality improvement using 80% of Scale MP-2020 published by the Society of Actuaries. For more details on this table, please refer to the 2021 experience study report from November 2021 that can be found on the CalPERS website.

**HOUSING AUTHORITY OF THE CITY OF FRESNO  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2023**

Discount Rate

The discount rate used to measure the total pension liability was 6.90 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made at statutorily required rates, actuarially determined. Based on those assumptions, the Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Long-term Expected Rate of Return

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations. Using historical returns of all of the funds’ asset classes, expected compound (geometric) returns were calculated over the next 20 years using a building-block approach. The expected rate of return was then adjusted to account for assumed administrative expenses of 10 Basis points.

The expected real rates of return by asset class are as follows:

Asset Class <sup>1</sup>	Assumed asset allocation	Real Return <sup>1, 2</sup>
Global Equity - Cap-weighted	30.00%	4.54%
Global Equity - Non-Cap- weighted	12.00	3.84
Private Equity	13.00	7.28
Treasury	5.00	0.27
Mortgage-backed Securities	5.00	0.50
Investment Grade Corporates	10.00	1.56
High Yield	5.00	2.27
Emerging Market Debt	5.00	2.48
Private Debt	5.00	3.57
Real Assets	15.00	3.21
Leverage	(5.00)	(0.59)

(1) An expected inflation of 2.30% used for this period.

Recognition of Gains and Losses

Under GASB 68, gains and losses related to changes in total pension liability and fiduciary net position are recognized in pension expense systematically over time. The first amortized amounts are recognized in pension expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to pensions and are to be recognized in future pension expense.

The amortization period differs depending on the source of the gain or loss:

Net Difference between projected and actual earnings on investments	5-year straight-line amortization
All other amounts	Straight-line amortization over the average expected remaining service lifetime (EARSL) of all members that are provided with benefits (active, inactive, and retired) as of the beginning of the measurement period

Expected Average Remaining Service Lifetime (EARSL)

The expected average remaining service lifetime (EARSL) is calculated by dividing the total future service years by the total number of plan participants (active, inactive, and retired). Note that inactive employees and retirees have remaining service lifetimes equal to 0. Also note that total future service is based on the members' probability of decrementing due to an event other than receiving a cash refund.

The EARSL for the Plan for the measurement period ending June 30, 2023 is 4.0 years, which was obtained by dividing the total service years of 1,403 (the sum of remaining service lifetimes of the active employees) by 353 (the total number of participants: active, inactive, and retired). Inactive employees and retirees have remaining service lifetimes equal to 0. Total future service is based on the members' probability of decrementing due to an event other than receiving a cash refund.

**19) Insurance Coverage**

HARRP

The Agency is a member of the Housing Authority Risk Retention Pool (HARRP). HARRP was established by public housing authorities participating in an intergovernmental cooperation agreement pursuant to specific statutes in Oregon, Washington, California and Nevada for the purpose of operating and maintaining a cooperative program of risk management and loss indemnification. HARRP offers property, general liability, automobile liability and physical damage, fidelity, and errors and omissions, which includes employment practices and director's and officers' liability insurance to participants. The relationship between the Agency and HARRP is such that HARRP is not a component unit of the Agency for financial reporting purposes.

The Agency's insurance expense was \$404,596 for the year ended December 31, 2023. The loss limits for the various types of insurance are follows: individual structure stated value, with full replacement cost, for property with a deductible per occurrence of \$10,000; \$2,000,000 for general liability with no deductible; \$2,000,000 for automobile liability, including losses arising from the use of a non-owned covered automobile; \$100,000 for employee dishonesty and forgery and alteration with a \$1,000 deductible; \$10,000 for employee theft with a \$1,000 deductible; and \$2,000,000 for errors and omissions with a 10% co-pay.

This activity related to risk management is also accounted for in the Housing Self Insurance Corporation (HSIC), a joint venture of the Agency. HSIC records an expense when it pays for repairs to the Agency's properties when incurred. HSIC records revenue when it receives payment from the Agency for insurance premiums recorded as expense by the Agency.

California Housing Workers' Compensation Authority

The Agency is insured for workers' compensation claims through the California Housing Workers' Compensation Authority (CHWCA). Under this program, the pool provides up to \$550,000 workers' compensation coverage and \$550,000 employer's liability coverage. The Authorities are insured for Statutory Workers' Compensation by the Safety National Casualty Corporation. The pool provides up to \$5,000,000 per occurrence. The Agency's worker's compensation insurance expense was \$187,660 for the year ended December 31, 2023.

to be the Managing General Partner in several low-income housing projects within the City of Fresno. The Agency provides management and bookkeeping services for BOB, and the Agency is reimbursed on a monthly basis for these costs.

Housing Authority of Fresno County

The Housing Authority of Fresno County was established by a resolution of the Fresno County Board of Supervisors on February 5, 1946. The Authority is governed by a seven-member Board of Commissioners who are appointed to four-year terms by the County Board of Supervisors, reports on a calendar year, and has issued separate financial and compliance audits for 2023. The County and City Housing Authorities operate and report separately while sharing the same management team and staff. All significant related party transactions have been appropriately identified in the accompanying financial statements.

The budget document for the jointly managed operations is approved by both Boards. If one Board amends budgetary data subject to its jurisdiction, executive staff of the Authorities amends the joint budget as necessary to accommodate such changes. Although each Board takes action to approve its portion of the budget, the budget adoption process reflects considerable interplay between the two Boards and is essentially a single process managed by the shared management and staff of the two Authorities.

Beyond Housing Foundation

Beyond Housing Foundation (“BHF”, formerly known as Fresno Housing Education Corps, Inc.) is a California nonprofit public benefit corporation in Fresno, CA. The Executive Director and Deputy Executive Director of the Agency serve as Directors on the Board for BHF.

**23) Contingent Liabilities**

**a) Grants**

The Agency has received funds from various Federal, State, and local grant programs. It is possible that at some future date it may be determined that the Agency was not in compliance with applicable grant requirements. The amount, if any, of expenditures that may be disallowed by the granting agencies cannot be determined at this time although management does not expect such disallowed amounts, if any, to materially affect the financial statements.

**b) Pending Litigation**

In the normal course of operations, the Agency may become a defendant in various litigation disputes. In the opinion of management and counsel, the outcome of current litigation not already accrued as a liability, is not expected to materially or adversely affect the financial position of the Agency.

**c) Guarantees**

The Agency has made certain guarantees with regards to the completion of development projects, including repayment of construction loans and tax credit delivery. On these development projects, the Agency has also made guarantees with regards to operating deficits for defined periods beyond stabilization of the property. In addition, the Agency has indemnified Silvercrest, Inc. and Better Opportunities Builder, Inc. related to general partner and developer obligations.

**d) HUD Guaranteed Debt**

In 1999, HUD directed the Agency to remove all HUD guaranteed debt from their financial statements. These HUD-guaranteed notes and bonds have not been forgiven by HUD. However, the Public Housing Programs' Annual Contributions Contract (ACC) states that all debt service requirements related to these notes will be HUD's responsibility. It is therefore management's opinion, that the Agency is not currently liable for these notes as long as the federal government continues to honor the ACC. Accordingly, the accompanying financial statements have not been adjusted to reflect any related loss contingency.

**24) Restricted Net Position**

Net position is reported as restricted when constraints placed on the net position uses are either externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or imposed by law through constitutional provisions or enabling legislation and/or imposed time restrictions. At December 31, 2023, the Agency had reported the following as restricted net position:

Externally Required Restrictions:	
Other Reserves	20,407
<b>Total Restricted Net Position</b>	<b>\$ 20,407</b>

**26) Subsequent Events**

Events that occur after the statement of net position date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of net position date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of net position date require disclosure in the accompanying notes. Management evaluated the activity of the Agency through September 25, 2024, the date the financial statements were available to be issued, and concluded no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to financial statements.

**Notes to Schedule of Changes in Net Pension Liability and Related Ratios:**

Benefit Changes: The figures above include any liability impact that may have resulted from voluntary benefit changes that occurred on or before the measurement date of June 30, 2023. However, offers of Two Years Additional Service Credit (a.k.a. Golden Handshakes) that occurred after the June 30, 2023, valuation date are not included in the figures above, unless the liability impact is deemed to be material by the plan actuary.

In 2022, SB 1168 increased the standard retiree lump sum death benefit from \$500 to \$2,000 for any death occurring on or after July 1, 2023. The impact, if any, is included in the changes of benefit terms.

Changes of Assumptions: There were no assumption changes in 2023. Effective with the June 30, 2021 valuation date (June 30, 2022 measurement date), the accounting discount rate was reduced from 7.15% to 6.90%. In determining the long-term expected rate of return, CalPERS took into account long-term market return expectations as well as the expected pension fund cash flows. In addition, demographic assumptions and the price inflation assumption were changed in accordance with the 2021 CalPERS Experience Study and Review of Actuarial Assumptions. The accounting discount rate was 7.15% for measurement dates June 30, 2017 through June 30, 2021, 7.65% for measurement dates June 30, 2015 through June 30, 2016, and 7.50% for measurement date June 30, 2014.

**Notes to Schedule of Pension Plan Contributions:**

The actuarial method and assumptions used to set the actuarially determined contributions for the Fiscal Year 2022-2023 were derived from the June 30, 2020 funding valuation report as follows:

Actuarial Cost Method	Entry Age Actuarial Cost Method
Amortization Method/Period	For details, see June 30, 2020 Funding Valuation Report.
Asset Valuation Method	Fair Value of Assets. For details, see June 30, 2020 Funding Valuation Report.
Inflation	2.5%
Salary Increases	Varies by entry age and service
Payroll Growth	2.75%
Investment Rate of Return	7.00% net of pension plan investment and administrative expenses; includes inflation.
Retirement Age	The probabilities of retirement are based on the 2017 CalPERS Experience Study for the period from 1997 to 2015.
Mortality	The probabilities of mortality are based on the 2017 CalPERS Experience Study for the period from 1997 to 2015. Mortality rates include 15 years of projected mortality improvement using 90% of Scale MP-2016 published by the Society of Actuaries.

To the Board of Commissioners  
Housing Authority of the City of Fresno

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the business-type activities of the Housing Authority of the City of Fresno (the "Agency") as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated September 25, 2024. Our report includes a reference to another auditor who audited the financial statements of Silvercrest, Inc., a joint venture of the Agency, as described in our report on the Agency's financial statements. The financial statements of Silvercrest, Inc. were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with Silvercrest, Inc.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Federal Program and  
Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Commissioners  
Housing Authority of the City of Fresno

Report on Compliance for the Major Federal Program

*Opinion on the Major Federal Program*

We have audited the Housing Authority of the City of Fresno's (the "Agency") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Agency's major federal program for the year ended December 31, 2023. The Agency's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Housing Authority of the City of Fresno complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2023.

*Basis for Opinion on the Major Federal Program*

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Agency's compliance with the compliance requirements referred above.

*Responsibilities of Management for Compliance*

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Agency's federal programs.

### *Auditor's Responsibilities for the Audit of Compliance*

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Agency's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Agency's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Agency's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Agency's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### Report on Internal Control Over Compliance

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## HOUSING AUTHORITY OF CITY OF FRESNO

### Notes to Schedule of Expenditures of Federal Awards December 31, 2023

#### Note 1 - Reporting Entity

The Housing Authority of the City of Fresno (the "Agency") is responsible for the development and implementation of certain housing programs and activities within the City of Fresno, California. The Agency provides housing to families under a variety of programs including conventional Low-Income Public Housing, Housing Choice Vouchers, Section 42 Low-Income Housing Tax Credits, Migrant Services, Farm Labor Housing, Emergency Housing, and others.

#### Note 2 - Indirect Cost Rate

The Agency has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

#### Note 3 - Summary of Significant Accounting Policies

##### Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") presents the federal awards activity of the Agency under programs of the federal government for the year ended December 31, 2023. Federal awards received directly from federal agencies, as well as federal awards passed through from nonfederal agencies or other organizations are included in the Schedule. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). As the Schedule presents only the federal awards activity of the Agency, it is not intended to and does not present the financial position, change in net position or cash flows of the Agency as a whole.

##### Summary of Significant Accounting Policies

The expenditures included in the Schedule are reported under the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
