FROM: Cary Catalano, Chair
Sharon Williams, Chair
AGENDA ITEM: 6.b
SUBJECT: Completion of Annual Performance Evaluation of the Chief Executive Officer, Tyrone Roderick Williams

AUTHOR: Craig W. Armstrong
General Counsel
MEETING DATE: 12/09/2025
MEMO DATE: 12/03/2025

Executive Summary

The purpose of this memorandum is to memorialize and document that the Boards of Commissioners (collectively, the “Board”) have completed the annual performance evaluation of the Chief Executive Officer, Tyrone Roderick Williams (“CEO”) for 2025.

Beginning in October, the Board retained the services of a third-party human resources firm to complete the CEO evaluation. Once the firm completed the evaluation process, the consultants presented the results of the evaluation to the Executive Committee on November 4, 2025, and to the Board on November 18, 2025.

On December 1, 2025, Chair Catalano and Chair Williams met with the CEO to present and discuss the results of the evaluation. At that meeting, the Chairs and the CEO discussed that, while the Board has the discretion to determine a salary increase for the CEO, due to the budget constraints facing the agency in 2026, there will be no pay increase at this time. It was also discussed that, should the agency’s financial outlook improve for 2026, the Board may revisit this decision.

Recommendation

Receive and file.

Background Information

The Chief Executive Officer contract for Tyrone Roderick Williams provides that the Board shall complete an annual performance evaluation of the CEO.

BOARD MEMO

TO: Boards of Commissioners
FROM: Tyrone Roderick Williams, CEO
MEETING DATE: 12/09/2025
AGENDA ITEM: 6d
SUBJECT: 2026 Proposed Utility Allowance Schedules – HUD Housing Assistance Programs and Low-Income Housing Tax Credit

AUTHOR: Stephanie Moreira
 Compliance Manager
DEPARTMENT: Property Management
MEMO DATE: 12/02/2025

Executive Summary

This memo provides an update to the annual Utility Allowance (UA) rates for the following programs:

- Low Income Public Housing (LIPH) [24 CFR 965.507]
- Housing Choice Voucher (HCV-Section 8) [24 CFR 982.517 (c)]
- Multi-Family Project Based Rental Assistance (MF-PBRA/RAD) [HUD Notice H-2015-04]
- Mixed Finance Properties [24 CFR 965.507 and IRC Section 42]
- Low Income Housing Tax Credit (LIHTC) Internal Revenue Code Section 42 (IRC Section 42)

In accordance with applicable U.S. Department of Housing and Urban Development (HUD) program regulations, Public Housing Authorities (PHAs) of LIPH and HCV programs must review the Utility allowance (UA) schedules annually and revise allowances if there has been a change of 10% or more in the utility rate since the last UA schedule revision. Based on the results of the annual review, there was an increase in utility charges for some localities and utility services of more than 10% from 2025, thus revisions will be implemented for 2026 in accordance with program requirements.

HUD requires PHAs to provide Individual Relief [24 CFR 965.508] for medical equipment by providing a supplemental medical utility allowance for residents residing in public housing units and HCV participants. Individual Relief is where a resident may request relief from payment of utility billings in excess of the Utility Allowance for resident paid utilities. Management may grant such request on reasonable grounds such as the special needs of elderly, ill, or disabled, or special factors affecting utility usage, such as use of required medical equipment.

The attached UA Charts for the LIPH program and UA Schedules for HCV program are for informational purposes only and do not require Board approval. The changes for both programs are effective January 1, 2026.

In accordance with HUD Notice H-2015-04, Owners of Multi-Family PBRA Programs are required to review the UAs every three (3) years to establish a baseline for each bedroom size. For the two (2) years after a baseline utility analysis is completed, the UA amount for each bedroom size and each utility at the property can be adjusted by a state-specific increase factor. The Utility Allowance Factor (UAF) is provided by HUD. The UA schedule is approved by HUD for the Multi-Family PBRA programs in accordance with the Housing Assistance Payment (HAP) contract anniversary.

FRESNO HOUSING

Projects developed under the Internal Revenue Code (IRC) Section 42, LIHTC program, require the implementation of a utility (electric, gas, and water/sewer/garbage) allowance for use in calculating individual tenant subsidies for affordable housing. The LIHTC UA schedules are made available to developers of LIHTC properties throughout Fresno County, including Fresno Housing (FH). The California Tax Credit Allocation Committee (CTCAC) has provided guidance to LIHTC developers to refer to the local Public Housing Authority (PHA) as an alternative to obtain current utility allowance schedules. CTCAC requires PHAs to formally take Board action to approve the LIHTC utility allowances.

Due to the complexity of the data required to develop the utility allowances for the various programs, the Agency contracted with The Nelrod Company of Fort Worth, Texas, to develop these allowance charts/schedules. The studies were conducted in compliance with the applicable program requirements.

The Nelrod Company has prepared and recommended the attached utility allowance documents for the applicable programs for Fresno City and County as attached and referenced as such.

Recommendation

It is recommended that the Board of Commissioners of Fresno Housing adopt the LIHTC utility allowance rates (Group A, Schedule A.1, and Schedule A.2) for new construction, rehabilitation multi-family complexes and mixed finance projects in Fresno County for units developed under IRC Section 42 (LIHTC), to be effective January 1, 2026.

Fiscal Impact

The utility allowance is factored into the rent calculation formula, for the properties, therefore, there is no direct financial impact to the Agency; there may be minimal financial impact to the resident.

Background Information

The Department of Housing and Urban Development's (HUD) Office of Public and Indian Housing Authorities (PIH) and Owners of Multi-Family housing properties that receive subsidy assistance, and for which HUD provides a utility allowance, are required to review and adjust as needed their properties' utility allowances at least every year. The utility adjustment must be supported by a utility analysis. The adjustments for Low Income Public Housing and Housing Choice Voucher programs must be revised if there has been a change of 10% or more in the utility rate since the last UA schedule revision. The adjustments must be made for Multi-Family housing properties regardless of whether the utility analysis shows an increase or a decrease.

Owners of properties financed with Low Income Housing Tax Credits (LIHTC) must limit rents to no more than the established maximum gross rent per bedroom size. The maximum gross rent is established by the applicable Area Median Income (AMI) numbers published annually by HUD. Owners must deduct the applicable utility allowance for all resident paid utilities from the maximum gross rent allowed. To do this, they must obtain annual utility cost estimates for buildings in their LIHTC affordable housing property. Owners may obtain annual allowances from Public Housing Authorities that have jurisdiction, or in California, owners may utilize the California Utility Allowance Calculator developed by the California Energy Commission.

BOARD MEMO

TO: Boards of Commissioners
FROM: Tyrone Roderick Williams, CEO
MEETING DATE: 12/9/2025
AGENDA ITEM: 6e
SUBJECT: Consideration of Loan Agreement between the Housing Relinquished Fund Corporation and The Kresge Foundation

AUTHOR: Nicole Diaz
DEPARTMENT: Finance & Accounting
MEMO DATE: 12/2/2025

Executive Summary

The purpose of this memo is to ask the Boards of Commissioners to consider and approve a loan agreement between the Kresge Foundation and Housing Relinquished Fund Corporation (HRFC), a California nonprofit corporation and instrumentality of the Housing Authority of Fresno County and the Housing Authority of the City of Fresno. The Kresge Foundation, a private national foundation, was established in 1924 to expand opportunities in American Cities through grantmaking and social investing in arts and culture, education, environment, health, human services and community development. In alignment with the mission of Fresno Housing, Kresge collaborates with partners to improve the life circumstances and economic opportunities for people with low incomes.

Kresge Foundation has agreed to make a Program Related Investment (PRI) into HRFC. PRI investment is structured as a loan, which must be repaid, but also provides far more favorable terms than traditional financial institutions. The total loan amount would be \$4 million dollars, at 2% interest rate with interest-only payments for a term of ten (10) years. Principal repayments are structured to be made in three equal installments starting in year eight (8) of the loan term. There is no restriction to pre-pay the PRI loan.

Recommendation

It is recommended that the Boards of Commissioners adopt a resolution authorizing Tyrone Roderick Williams, CEO/Executive Director, Michael Duarte, Deputy Executive Director, and/or a designee, to finalize and execute the loan agreement between The Kresge Foundation and the Housing Relinquished Fund Corporation (HRFC).

Fiscal Impact

The Loan is evidenced by a promissory note which, if executed, shall include a maximum principal amount of Four Million Dollars (\$4,000,000.00), bearing interest at the rate of two percent (2%) per annum from the date thereof on the unpaid principal balance from time to time outstanding under the Note. Payments of interest only on the Note shall be made quarterly in arrears on the last day of March, June, September and December, and any accrued but unpaid interest shall be due on the Maturity Date. The outstanding principal balance of the Loan shall be due and payable in three installments:

- (a) The first installment of one-third of the principal amount outstanding as of the Origination End Date shall be due on the eighth anniversary of the Closing Date; and

FRESNO HOUSING

(b) The second installment of one-third of the principal amount outstanding as of the Origination End Date shall be due on the ninth anniversary of the Closing Date; and

(c) The third installment of the principal balance shall be due on the tenth anniversary of the Closing Date (the "Maturity Date").

Background Information

In July 2021, Fresno Housing entered the \$2million and 5-year term loan agreement with the Kresge Foundation. Over the past years, TCE's PRI investment has helped Fresno Housing further our mission by accelerating the Agency's ability to deliver quality, affordable housing that is accessible to all individuals, regardless their race, ethnicity, physical or mental abilities, and/or income level. Over the course of the investment period, the TCE's investment, along with investment from The Kresge Foundation, has enabled Fresno Housing to accelerate real estate development activities.

Staff believes this is another incredible opportunity as the Agency continues its efforts to diversify its partners and funding sources.
