Getting Started

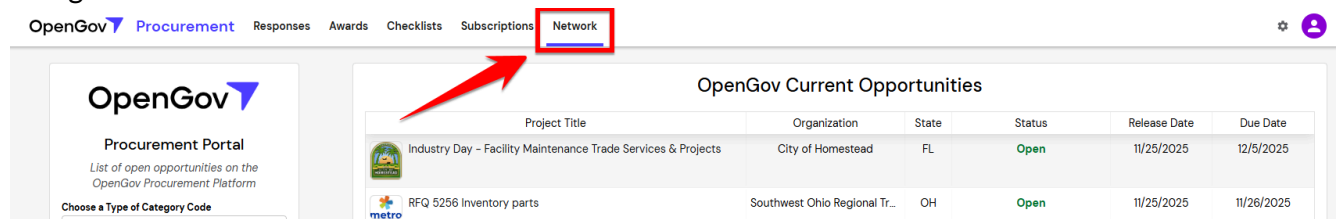

Last updated 3 months ago

This article provides a step-by-step guide on how to get started with OpenGov Procurement Subscriptions. It begins by encouraging users to subscribe to numerous government bid opportunities. The article then outlines the process of account activation, navigating to the 'Network' tab, and browsing or searching for open bids based on category codes. Once a bid of interest is found, users are guided to click on the project and then the '[Agency Name] Portal' link. Finally, users are instructed to click the 'Subscribe' button and select the notification mode that best suits their needs.

Getting Started with OpenGov Procurement Subscriptions is super easy! Just follow these easy steps:

1. Visit <https://procurement.opengov.com/signup> (<https://procurement.opengov.com/signup>).
2. Complete the account activation process.
3. Navigate to the "Network" Tab.

The screenshot shows the OpenGov Procurement Portal interface. The navigation menu at the top includes 'Procurement', 'Responses', 'Awards', 'Checklists', 'Subscriptions', and 'Network'. The 'Network' tab is highlighted with a red box and a red arrow. Below the navigation menu, the page displays 'OpenGov Current Opportunities' with a table of projects.

Government agencies and School Districts can use only one set of Category Codes (NIGP, NAICS and UNSPSC). When searching for projects that relate to your business, we recommend you add the category codes for each of the 3 options to cover all OpenGov Procurement customers.
